If you think you have an immediate need for Personal Care Services (PCS) or Consumer Directed Personal Assistance Services (CDPAS), such as housekeeping, meal preparation, bathing, or toileting, your eligibility for these services may be processed more quickly if you meet the following conditions:

- You have no informal caregivers available, able and willing to provide or continue to provide care;
- You are not receiving needed help from a home care services agency;
- You have no adaptive or specialized equipment or supplies in use to meet your needs; and
- You have no third party insurance or Medicare benefits available to pay for needed help.

If you don’t already have Medicaid coverage, and you meet the above conditions, you may ask to have your Medicaid application processed more quickly by sending in: a completed Access NY Health Insurance Application (DOH-4220); the Access NY Supplement A (DOH-4495A or DOH-5178A), if needed; a physician’s order for services; and a signed “Attestation of Immediate Need.”

If you already have Medicaid coverage that does not include coverage for community-based long term care services, you must send in a completed Access NY Supplement A (DOH-4495A or DOH-5178A), a physician’s order for services and a signed “Attestation of Immediate Need.”

If you already have Medicaid coverage that includes coverage for community-based long term care services, you must send in a physician’s order for services and a signed “Attestation of Immediate Need.”

If you don’t already have Medicaid coverage or you have Medicaid coverage that does not include coverage for community-based long term care services: All of the required forms (see the appropriate list, above) must be sent in to your local social services office or, if you live in NYC, to the Human Resources Administration (HRA). As soon as possible after receiving all of these forms, the social services office/HRA will then check to make sure that you have sent in all the information necessary to determine your Medicaid eligibility. If more information is needed, they must send you a letter, by no later than four days after receiving these required forms, to request the missing information. This letter will tell you what documents or information you need to send in and the date by which you must send it. By no later than 7 days after the social service office/HRA receives the necessary information, they must let you know if you are eligible for Medicaid. By no later than 12 days after receiving all the necessary information, the social services office/HRA will also determine whether you could get PCS or CDPAS if you are found eligible for Medicaid. You cannot get this home care from Medicaid unless you are found eligible for Medicaid. If you are found eligible for Medicaid and PCS or CDPAS, the social services office/HRA will let you know and you will get the home care as quickly as possible.

If you already have Medicaid coverage that includes coverage for community-based long term care services: The physician’s order and the signed Attestation of Immediate Need must be sent to your local social services office or HRA. By no later than 12 days after receiving these required forms, the social services office/HRA will determine whether you could get PCS or CDPAS. If you are found eligible for PCS or CDPAS, the social services official/HRA will let you know and you will get the home care as quickly as possible.

The necessary forms may be obtained from your local department of social services or are available to be printed from the Department of Health’s website at: http://www.health.ny.gov/health_care/medicaid/#apply
