

**Division of Criminal
Justice Services**

**NYS DCJS/OMH JUSTICE MENTAL
HEALTH COLLABORATION PROGRAM**
JUNE 22, 2015 WEBINAR

CRIMINAL JUSTICE-HEALTH HOME WORKGROUP

APRIL 28, 2015

JMHCP Webinar Background

- JMHCP is a cross systems collaboration with criminal justice and behavioral health for the purposes of reducing recidivism and supporting recovery
- JMHCP Technical Assistance includes training and consultation organized by Sequential Intercept Points
- Community Care Coordination – A program that crosses all intercept points, which ensures access to high quality services and promotes recovery using a Care Coordinator who creates and supports implementation of Individualized Service Plans
- Community Care Coordination approach changing due to the the Affordable Care Act and NYS Medicaid Redesign

June 22, 2015 JMHCP Webinar

Audience for the Webinar

- 10 Justice Mental Health Collaboration Program sites including stakeholders and coordinating committees
- Invitations will be extended to the 47 other county Probation Departments and their invitees
- 16 upstate DCJS funded County Re-Entry Taskforces (10 of which are the same as the JMHCP counties);
