

Health Home Rate Calculation

Health Home Base Rates			
Rate Code	Rate Code Description	Medicaid Rate	
		Upstate	Downstate
1386	Health Home Services	\$18.71	\$ 23.27
1387	Health Home Services - Outreach	\$14.97	\$ 18.62

- Provider Specific Average Monthly Rate (temporary):

Average member acuity score X Applicable base rate
based on list of recipients
submitted to DOH by the 1st
Tuesday of the month

- Each billing provider (HH/MCP/Converting CMA billing 1386 & 1387) will receive one monthly rate for outreach/engagement and one monthly rate for enrollment. Rates will be calculated using only the members that the provider will bill for.

Health Home Rate Calculation

Health Home Base Rates			
Rate Code	Rate Code Description	Medicaid Rate	
		Upstate	Downstate
1386	Health Home Services	\$18.71	\$ 23.27
1387	Health Home Services - Outreach	\$14.97	\$ 18.62

- Member Specific Payment Calculation:
recipient acuity score x applicable base rate
- Example: $8.2564 \times \$23.27 = \192.13
- The payment will be calculated when the claim is submitted to eMedNY.
- The member specific payment calculation should be ready in late fall 2012.
