

# NY Medicaid EHR Incentive Program

The New York Medicaid Electronic Health Record (EHR) Incentive Program provides financial incentives to eligible practitioners and hospitals to promote the transition to EHRs. Providers who practice using EHRs are in the forefront of improving quality, reducing costs, and addressing health disparities. Since December 2011, **over \$535.4 million** in incentive funds have been distributed **within 12,600** payments to New York State Medicaid providers.
