

Dear Family Health Plus Recipient:

Your health care coverage under Family Health Plus will be expiring soon. A few weeks ago, we sent you a letter to tell you that it was time to renew your eligibility for Family Health Plus.

If you have not already returned the "Access NY Health Care" form and documentation to the local Department of Social Services, please do so before the deadline in the letter, so there will be no gaps in your health coverage. You may return the form and the information by mail.

It is much easier to renew now, than to reapply later. If you did not get this form or need a new one you can get one by calling or writing us.
