

3M EAPG Mainframe Software Known Product Issue Alert Regarding Procedure Based Weights Grouping to APG 490 Incidental to Medical, Significant Procedure; Therapy Visit

With the April 2011 release of the EAPG Grouper-Pricer, claims with only APG 490 procedures with procedure based weights and dates of service on and after April 1, 2011 will deny. This problem will be corrected in the July 2011 release of the EAPG Grouper-Pricer. Providers will need to submit claims meeting these criteria after July 1, 2011.

Questions may be directed to the Division of Financial Planning and Policy by email to APG@health.state.ny.us
