**For Clinic (effective 7/1/2009 & 10/1/2009) & MR/DD/TBI (effective 7/1/2010), while they share the same base payment rates, please note that their rate codes and effective dates differ.*

****The Blend (Existing Rate for Blend) rates were set to \$0 effective 1/1/2012 as the APG payment now reflects 100% of the Base rate.*

^[1] MR/DD/TBI Rates: Currently do not receive the 20% increase (still waiting CMS approval). Rates are the same rates as clinic.

 Rates not available during this time period.
