

**NYS Adds to Inpatient Only List**

**Revised for July 1, 2016 Updates:**

Information revised during the quarterly update period stated above is highlighted.

| Procedure Code | Text Px Code | Procedure Code Description  | Date Added | Date Removed |
|----------------|--------------|-----------------------------|------------|--------------|
| 23472          | 23472        | Reconstruct shoulder joint  | 01/01/11   | 07/01/16     |
| 48160          | 48160        | Pancreas removal/transplant | 01/01/10   | 07/01/16     |
| 51840          | 51840        | Attach bladder/urethra      | 01/01/11   | 07/01/16     |

~~In addition to the procedure codes above, all codes that map to APG 993 are Inpatient Only procedures.~~

With the 7/1/2016 updates, this NYS Defined list was removed. Using 3M's default APG 993 list only.
