

Workforce Budget Projections

The following questions were posted in the DSRIP FAQ Group from Selena Pitt. The DSRIP FAQ Group on the MIX will be closing soon; consequently, I moved Selena's outstanding questions here.

Will the PPS be strictly held to the amounts projected in the workforce budget submitted in the application?

If yes, is there flexibility to re-allocated to different years?

What expenses can be included in this budget? Can CSO/PMO staff who are hired specifically to perform Workforce development functions be included in the workforce budget?
