

Department of Health

ANDREW M. CUOMO
Governor

HOWARD A. ZUCKER, M.D., J.D.
Commissioner

SALLY DRESLIN, M.S., R.N.
Executive Deputy Commissioner

Dear <Recipient Name>,

The NYS Department of Health recently mailed eligible Medicaid members the “New York State Delivery System Reform Incentive Payment (DSRIP) Program” letter and “Form to Opt Out of Medicaid Information Sharing” within the program. As a reminder, members cannot opt out of DSRIP. You may, however, opt out of data sharing with your Performing Provider System (PPS) within the DSRIP program. This shared information may be used to help you achieve better health. It will be easier for your PPS and health care provider(s) to be up to date on the care you have received.

The Department of Health has received a consent form/envelope response from the Medicaid member listed above; however, at this time we are unable to process your request due to the follow reason(s):

- Different parent/guardian signature than the one listed on file
- Identifying CIN is missing for member
- No signature on consent form
- Incorrect form in envelope received by New York State Department of Health (NYSDOH)

If you still wish to opt out of data sharing within DSRIP program, please send back the appropriate signed information or contact the Medicaid DSRIP call center 1-855-329-8850, Monday - Friday 8:00am - 8:00pm, Saturday 9:00am - 1:00pm. If you choose to opt out of data sharing and call or return the signed form, it may take up to 60 days to process your request. If you chose to opt in, there is nothing further you have to do. The PPS will work your Medicaid providers to help you get the services you need.

You may contact the Medicaid call center at (855) 329-8850 with any questions you may have about the DSRIP program.
