## NY Medicaid EHR Incentive Program Updates – February 2016

### Alternate Attestation Method

According to the [2015 final rule](#), eligible professionals (EPs) who are dually eligible, i.e. bill claims to both Medicare and Medicaid, and demonstrated meaningful use during the payment year but were unable to meet the Medicaid patient volume requirements, may attest for the Medicare EHR Incentive Program via the [CMS Registration and Attestation System](#) in order to avoid the Medicare payment adjustments. Please review [FAQ EP86](#) for more details.

- February and March dates have been added to the [Upcoming Event Calendar](#).

### Pre-validation Services

Don't delay! Pre-validation services are available for eligible professionals who have already determined their Medicaid patient volume for payment year 2015. Pre-validation prior to submitting the complete attestation may subsequently reduce the time of state review.

Please complete the appropriate pre-validation template and email it to [hit@health.ny.gov](mailto:hit@health.ny.gov):

### ATTENTION

- **NY Medicaid is not ready to accept 2015 attestations for Modified Stage 2. An extended deadline for 2015 meaningful use attestations will be determined.**
- **2015 and 2016 attestations for Adopt, Implement, or Upgrade (AIU) are still being accepted. The attestation deadline for 2015 AIU is March 31, 2016.**
