NY Medicaid EHR Incentive Program Updates – April 2016

AIU Attestations

The deadline for 2015 Adopt, Implement, or Upgrade (AIU) attestations was March 31, 2016. Providers with extenuating circumstances beyond their control that prevented them from attesting by the deadline may submit an [Attestation Deadline Extension \(ADE\) Request Form](#). Extension requests for 2015 AIU attestations must be submitted to hit@health.ny.gov no later than April 30, 2016.

2016 AIU attestations are still being accepted in [MEIPASS](#). Please be advised that 2016 is the last year to begin participation in the NY Medicaid EHR Incentive Program.

MU Attestations

NY Medicaid is not ready to accept 2015 or 2016 attestations for Modified Stage 2 Meaningful Use (MU). Eligible professionals may pre-validate their Medicaid patient volume ([FAQ EP57](#)), which may subsequently reduce the time of state review.

An extended deadline for 2015 MU attestations will be determined, and announcements will be made via LISTSERV and the program website.
