NY Medicaid EHR Incentive Program Updates – May 2016

Webinars

2016 is the last year to begin participation in the NY Medicaid EHR Incentive Program. Register for a webinar to learn about program requirements, including patient volume and public health reporting. May and June dates are now available on the [Upcoming Events Calendar](#).

MEIPASS Availability

NY Medicaid's attestation system ([MEIPASS](#)) continues to accept 2016 attestations for Adopt, Implement, or Upgrade (AIU). However, it is anticipated that MEIPASS will not be available during the summer while the system undergoes maintenance for Meaningful Use attestations for 2015 and beyond.

Additional announcements about MEIPASS availability, including information about the extended deadline for 2015 Meaningful Use attestations, will be made via LISTSERV and the program website.
