*\*Please keep in mind that our support team is available from 8:30AM – 5:00PM, and will not be able to assist you outside of this timeframe. If you have time sensitive questions or concerns, please contact the support staff by phone, as this will allow them to assist you more quickly.*

### Environmental Scan Survey

As the program comes to a close, the NY Medicaid EHR Incentive program is looking for your feedback. A final Environmental Scan Survey is being conducted to gather information about participant experience in the program, with a version for [Eligible Professionals](#) (EPs) and a separate version for [Eligible Hospitals](#) (EHs). The survey can be accessed online via SurveyMonkey using the included links.

The response deadline for the survey has also recently been extended. Responses will now be collected until **September 30<sup>th</sup>, 2021**. Participation is strongly encouraged, and all published data gained from these surveys will be compiled anonymously.
