Is the Federal Information Tab all I have to complete?

No. Please complete the Federal Information tab as well as the Measures Tab once populated. (See Example 3)

Example 3:
I am unable to complete the Measures in MEIPASS. Where do I complete the Measures and Objective information?

You will not be able to complete the Measures and Objectives information in MEIPASS. You will need to visit our website at https://www.health.ny.gov/health_care/medicaid/redesign/ehr/meaningfuluseworkbook.htm and download the Excel workbook.

Once the Federal Information tab has been completed, the Measures tab will populate. Please complete the questions in the Measures tab. (See example 4 for link to workbook.)

Example 4:
Why is MEIPASS not allowing the Patient Volume Reporting Period I chose?

There are two options when choosing the Patient Volume Reporting Period:

1. You can choose to use the previous calendar year for your Patient Volume Reporting Period. For example, if you are attesting for payment year 2015 you can pick any continuous 90 day period within the 2014 calendar year.

2. If you choose to use the preceding 12 months from the date of attestation for your Patient Volume Reporting Period you would choose any continuous 90 day period between the dates you are attesting to 12 months back. For example, if you are attesting for payment year 2015 on 4/6/2017, you could choose any continuous 90 day period from 4/6/2016 – 4/6/2017.
Where can I find the Hardship Exemption?

To complete and submit the Hardship Exemption to avoid the Medicare Payment Adjustment please visit: https://www.cms.gov/regulations-and-guidance/legislation/ehrincentiveprograms/paymentadj_hardship.html

- When providers register on CMS they can elect where their incentive payment will be assigned, what contact information will be provided in the MEIPASS information, and what ONC (Office of the National Coordinator) certified EHR technology the provider is electing to use.
