Provider Compliance Summary

| Requirements for All HCBS Settings | | |
|--|---|---|
| Compliant? | Federal Requirement | Summary |
| <p><i>42 CFR 441.301(c)(4)(i)</i></p> <p>Partially Compliant</p> | <p>The setting is integrated in and supports full access of individuals receiving Medicaid HCBS to the greater community, including opportunities to seek employment and work in competitive integrated settings, engage in community life, control personal resources, and receive services in the community, to the same degree of access as individuals not receiving Medicaid HCBS.</p> | <p>DOH verified members have access to the greater community by confirming transportation options, support for volunteer/employment opportunities, staff resources, and that member preferences are accommodated by reviewing activity calendars, transportation schedules, daily sign-in/out sheets, and inclusion of preferences in member's PCSP. The SADC has not demonstrated compliance in all areas of the standards: The members served at the site are</p> |

Members walk through the community center, but are not permitted to go outside of the center for safety reasons. Remediation will include community integration activities and will be concluded by 07/01/2024. |
| 42 CFR 441.301(c)(4)(ii) Compliant | The setting is selected by the individual from among setting options, including non-disability specific settings and an option for a private unit in a residential setting. The setting options are identified and documented in the person-centered service plan and are based on the individual's needs, preferences, and, for residential settings, resources available for room and board. | The member must choose the SADC site prior to attending. This is done through the person-centered planning process, which is conducted by the MLTC plan. If it is determined the member qualifies and needs SADC, the MLTC plan care manager supplies a list of available SADC site options, and the member makes their selection of where they would like to attend and receive services. The MLTC plan care manager documents the need and the choice of SADC site in the MLTC plan PCSP. |
| 42 CFR 441.301(c)(4)(iii) Compliant | Ensures an individual's rights of privacy, dignity and respect, and freedom from coercion and restraint. | DOH verified members have privacy, are treated with respect and dignity, and are supported to choose their own schedules and activities based on their preferences by reviewing member PCSPs, SADC policy manuals, member experience surveys, staff training topics, and observing the spaces allocated for privacy. |
| 42 CFR 441.301(c)(4)(iv) Compliant | Optimizes, but does not regiment, individual initiative, autonomy, and independence in making life choices, including but not limited to, daily activities, physical environment, and with whom to interact. | DOH verified staffing ratios, programming, and recreational areas as well as any barriers to free movement, and those individualized activities are offered by reviewing staff schedules, member PCSPs, activity schedules, and through on-site observation. |

| | | |
|--|---|--|
| 42 CFR 441.301(c)(4)(v) Compliant | Facilitates individual choice regarding services and supports, and who provides them. | DOH verified staff knowledge of members needs and interests and how members are informed to make changes or additions to their PCSP by reviewing daily SADC schedules, SADC policy manuals, member handbooks, and staff training topics. |
| Additional Requirements for Provider-Owned or Controlled Settings | | |
| Compliant? | Federal Requirement | Summary |
| <i>Standards for Provider-Owned and Controlled Residential and Non-Residential Settings</i> | | |
| 42 CFR 441.301(c)(4)(vi)(C) Partially Compliant | Individuals have the freedom and support to control their schedules and activities; and have access to food any time. | DOH verified the availability for meal options, private dining spaces, activity modifications, and the freedom to take breaks and eat meals at the member's request by reviewing weekly menus, policy manuals, and through on-site observation. Members do not have meal options at the facility. Remediation will include members having the option to bring in their own meals as the menu is mailed to them in advance, and will be concluded by 02/28/2023 |
| 42 CFR 441.301(c)(4)(vi)(D) Compliant | Individuals are able to have visitors of their choosing at any time. | DOH verified the acceptance of visitors during program hours by reviewing visitor policies and sign-in/out forms. Members are not allowed to have visitors |
| 42 CFR 441.301(c)(4)(vi)(E) Compliant | The setting is physically accessible to the individual. (Not modifiable) | DOH verified accessibility of the facility through observation, during the virtual on-site review. |
| 42 CFR 441.301(c)(4)(vi)(F) Compliant | Any modifications of the additional conditions under 441.301(c)(4)(vi)(A) through (D) for provider-owned and controlled settings must be supported by a specific assessed need and justified in the person-centered service plan. | No completed member SADC PCSPs were available for review due to no members from the MLTC plan the virtual on-site visit was conducted attending the SADC site at the time. However, the SADC PCSP template has a section for indicating any necessary modifications. |
