Provider Compliance Summary

Requirements for All HCBS Settings		
Compliant?	Federal Requirement	Summary
<p><i>42 CFR 441.301(c)(4)(i)</i></p> <p>Partially Compliant</p>	<p>The setting is integrated in and supports full access of individuals receiving Medicaid HCBS to the greater community, including opportunities to seek employment and work in competitive integrated settings, engage in community life, control personal resources, and receive services in the community, to the same degree of access as individuals not receiving Medicaid HCBS.</p>	<p>DOH verified members have access to the greater community by confirming transportation options, support for volunteer/employment opportunities, staff resources, and that member preferences are accommodated by reviewing activity calendars, transportation schedules, daily sign-in/out sheets, and inclusion of preferences in member's PCSP. The SADC has demonstrated compliance in all areas of the standard except for the following: Community integration activities</p>

		are not offered or documented as a choice in the PCSP and supports provided so the member may participate and attend opportunities and activities of their choosing are not documented for all members. Remediation efforts will be concluded by 7/1/2024 and include revising policies and procedures, updating program calendars to include community integration activities, and updating the PCSP template to have a community integration goals and supports available to members. .
42 CFR 441.301(c)(4)(ii) Compliant	The setting is selected by the individual from among setting options, including non-disability specific settings and an option for a private unit in a residential setting. The setting options are identified and documented in the person-centered service plan and are based on the individual's needs, preferences, and, for residential settings, resources available for room and board.	The member must choose the SADC site prior to attending. This is done through the person-centered planning process, which is conducted by the MLTC plan. If it is determined the member qualifies and needs SADC, the MLTC plan care manager supplies a list of available SADC site options, and the member makes their selection of where they would like to attend and receive services. The MLTC plan care manager documents the need and the choice of SADC site in the MLTC plan PCSP.
42 CFR 441.301(c)(4)(iii) Compliant	Ensures an individual's rights of privacy, dignity and respect, and freedom from coercion and restraint.	DOH verified members have privacy, are treated with respect and dignity, and are supported to choose their own schedules and activities based on their preferences by reviewing member PCSPs, SADC policy manuals, member experience surveys, staff training topics, and observing the spaces allocated for privacy.
42 CFR 441.301(c)(4)(iv) Partially Compliant	Optimizes, but does not regiment, individual initiative, autonomy, and independence in making life choices, including but not limited to, daily	DOH verified staffing ratios, programming, and recreational areas as well as any barriers to free movement, and those individualized activities are offered by reviewing staff

	<p>activities, physical environment, and with whom to interact.</p>	<p>schedules, member PCSPs, activity schedules, and through on-site observation. The SADC has demonstrated compliance in all areas of the standard except for the following: The SADC PCSP does not indicate the member is able to choose alternative activities if they wish. In addition, the PCSP policy is non-compliant because it indicates the service plan is developed by the program staff in conjunction with the participant in the PCSP process. The SADC PCSP does not show any community inclusion or supports that would address the member's health and safety needs within the community for all members. Remediation efforts will be concluded by 3/17/2023 and includes updating the PCSP policy and PCSP to include community integration activities and supports available to members.</p>
<p><i>42 CFR 441.301(c)(4)(v)</i> Partially Compliant</p>	<p>Facilitates individual choice regarding services and supports, and who provides them.</p>	<p>DOH verified staff knowledge of members' needs and interests, as well as members' individual choice regarding their activities and supports, and the staff who provide them by evaluating member experience survey results, and reviewing SADC policies, and member handbooks, as well as through observation during the virtual on-site review. The SADC has demonstrated compliance in all areas of the standard except for the following: The SADC does not provide information directly to members to on how to request additional services or changes. Remediation efforts will be concluded by 3/17/2023 and include posting information for members to know who to contact to request changes.</p>

Additional Requirements for Provider-Owned or Controlled Settings

Compliant?	Federal Requirement	Summary
<i>Standards for Provider-Owned and Controlled Residential and Non-Residential Settings</i>		
Compliant	42 CFR 441.301(c)(4)(vi)(C) Individuals have the freedom and support to control their schedules and activities; and have access to food any time.	DOH verified the availability for meal options, private dining spaces, activity modifications, and the freedom to take breaks and eat meals at the member's request by reviewing weekly menus, policy manuals, and through on-site observation.
Compliant	42 CFR 441.301(c)(4)(vi)(D) Individuals are able to have visitors of their choosing at any time.	DOH verified the acceptance of visitors during program hours by reviewing visitor policies and sign-in/out forms.
Compliant	42 CFR 441.301(c)(4)(vi)(E) The setting is physically accessible to the individual. (Not modifiable)	DOH verified accessibility of the facility through observation, during the virtual on-site review.
Compliant	42 CFR 441.301(c)(4)(vi)(F) Any modifications of the additional conditions under 441.301(c)(4)(vi)(A) through (D) for provider-owned and controlled settings must be supported by a specific assessed need and justified in the person-centered service plan.	DOH verified modifications were offered and accommodated to support the freedoms for members of all abilities by reviewing completed member PCSPs.
<i>Standards for Provider-Owned and Controlled Residential Settings Only</i>		
Not Applicable	42 CFR 441.301(c)(4)(vi)(A) The unit or dwelling is a specific physical place that is owned, rented, or occupied under a legally enforceable agreement by the individual receiving services, and the individual has the same responsibilities and protections from eviction as all tenants under landlord/tenant law of the State, county, city, or other designated entity. In settings where tenant laws do not apply, a lease, residency agreement or other written agreement is in place providing protections to address eviction processes and appeals comparable to those provided under the jurisdiction's landlord/tenant law.	SADC sites are non-residential, and therefore this standard is not applicable.

<p>42 CFR 441.301(c)(4)(vi)(B)</p> <p>Not Applicable</p>	<p>Each individual has privacy in their sleeping or living unit: (1) Units have entrance doors lockable by the individual, with only appropriate staff having keys to doors. (2) Individuals sharing units have a choice of roommates in that setting. (3) Individuals have the freedom to furnish and decorate their sleeping or living units within the lease or other agreement.</p>	<p>SADC sites are non-residential, and therefore this standard is not applicable.</p>
