Provider Compliance Summary

Requirements for All HCBS Settings		
Compliant?	Federal Requirement	Summary
<p><i>42 CFR 441.301(c)(4)(i)</i></p> <p>Partially Compliant</p>	<p>The setting is integrated in and supports full access of individuals receiving Medicaid HCBS to the greater community, including opportunities to seek employment and work in competitive integrated settings, engage in community life, control personal resources, and receive services in the community, to the same degree of access as individuals not receiving Medicaid HCBS.</p>	<p>DOH verified members have access to the greater community by confirming transportation options, support for volunteer/employment opportunities, staff resources, and that member preferences are accommodated by reviewing activity calendars, transportation schedules, daily sign-in/out sheets, and inclusion of preferences in member's PCSP. The SADC has demonstrated compliance in all areas of the standards except for the following: Community integration</p>

		<p>activities were not documented as a choice in the PCSP. Information about transportation methods and providers was not available to members at the SADC site. Activities and events were not posted for members to view in order to determine their daily schedule and to utilize opportunities presented. The SADC site does not offer individualized activities in the community that members can participate in independently and at their choosing. The SADC does not offer members activities or events that afford them the opportunity to interact with members of the community while at the service setting. Remediation will be creating a new policy specific to individualized activities in the community and reviewing the policy with current and new members, create a new policy specific to members afforded opportunities to interact with members of the community while at the service setting, updating the PCSP template to include 'Community Inclusions' section which will be used by new and current members, posting transportation information with a sign up sheet to request for staff assistance, and calendar of events and activities will be posted at the SADC site, and a local activity calendar will be posted for members by 7/1/2024.</p>
<p>42 CFR 441.301(c)(4)(ii)</p> <p>Compliant</p>	<p>The setting is selected by the individual from among setting options, including non-disability specific settings and an option for a private unit in a residential setting. The setting options are identified and documented in the person-centered service plan and are based on the individual's needs, preferences,</p>	<p>The member must choose the SADC site prior to attending. This is done through the person-centered planning process, which is conducted by the MLTC plan. If it is determined the member qualifies and needs SADC, the MLTC plan care manager supplies a list of available SADC site options, and</p>

	and, for residential settings, resources available for room and board.	the member makes their selection of where they would like to attend and receive services. The MLTC plan care manager documents the need and the choice of SADC site in the MLTC plan PCSP.
<p><i>42 CFR 441.301(c)(4)(iii)</i></p> <p>Compliant</p>	Ensures an individual's rights of privacy, dignity and respect, and freedom from coercion and restraint.	DOH verified members have privacy, are treated with respect and dignity, and are supported to choose their own schedules and activities based on their preferences by reviewing member PCSPs, SADC policy manuals, member experience surveys, staff training topics, and observing the spaces allocated for privacy. The SADC has demonstrated compliance in all areas of the standards except for the following: The PCSP sample reviewed did not include documentation that the member was given a choice in who would "assist as needed" and did not document a member's level of assistance for identified personal needs.
<p><i>42 CFR 441.301(c)(4)(iv)</i></p> <p>Partially Compliant</p>	Optimizes, but does not regiment, individual initiative, autonomy, and independence in making life choices, including but not limited to, daily activities, physical environment, and with whom to interact.	DOH verified staffing ratios, programming, and recreational areas as well as any barriers to free movement, and those individualized activities are offered by reviewing staff schedules, member PCSPs, activity schedules, and through on-site observation. The SADC has demonstrated compliance in all areas of the standards except for the following: Members have limited choice in individualized activities. The PCSP sample reviewed documented socialization but only at the service setting. Not all supports necessary to ensure a member can engage in community involvement are documented. Remediation will include updating the PCSP template to expand the sections 'Social

		Activities' and 'Participant Support for Community Involvement' for individual activities of interest, updated information about the PCSP policy will be posted for member's to review, the PSCP policy will be updated to show member's 'drive' their service plan and choices, and ensuring supports are documented in the member's PCSP to access community activities of their choice by 4/24/2023.
42 CFR 441.301(c)(4)(v) Compliant	Facilitates individual choice regarding services and supports, and who provides them.	DOH verified staff knowledge of members needs and interests and how members are informed to make changes or additions to their PCSP by reviewing daily SADC schedules, SADC policy manuals, member handbooks, and staff training topics.
Additional Requirements for Provider-Owned or Controlled Settings		
Compliant?	Federal Requirement	Summary
<i>Standards for Provider-Owned and Controlled Residential and Non-Residential Settings</i>		
42 CFR 441.301(c)(4)(vi)(C) Compliant	Individuals have the freedom and support to control their schedules and activities; and have access to food any time.	DOH verified the availability for meal options, private dining spaces, activity modifications, and the freedom to take breaks and eat meals at the member's request by reviewing weekly menus, policy manuals, and through on-site observation.
42 CFR 441.301(c)(4)(vi)(D) Not Compliant	Individuals are able to have visitors of their choosing at any time.	DOH verified the acceptance of visitors during program hours by reviewing visitor policies and sign-in/out forms. The SADC has demonstrated compliance in all areas of the standards except for the following: Members are required to give advanced notice before a visitor can be scheduled to visit. Remediation will be updating and posting a visitor's sign for members to see that visitors are welcomed any time and be completed by 3/17/2023.

42 CFR 441.301(c)(4)(vi)(E) Compliant	The setting is physically accessible to the individual. (Not modifiable)	DOH verified accessibility of the facility through observation, during the virtual on-site review.
42 CFR 441.301(c)(4)(vi)(F) Compliant	Any modifications of the additional conditions under 441.301(c)(4)(vi)(A) through (D) for provider-owned and controlled settings must be supported by a specific assessed need and justified in the person-centered service plan.	The member SADC PCSPs reviewed did not require a modification. However, the SADC PCSP template has a section for indicating any necessary modifications.
Standards for Provider-Owned and Controlled Residential Settings Only		
42 CFR 441.301(c)(4)(vi)(A) Not Applicable	The unit or dwelling is a specific physical place that is owned, rented, or occupied under a legally enforceable agreement by the individual receiving services, and the individual has the same responsibilities and protections from eviction as all tenants under landlord/tenant law of the State, county, city, or other designated entity. In settings where tenant laws do not apply, a lease, residency agreement or other written agreement is in place providing protections to address eviction processes and appeals comparable to those provided under the jurisdiction's landlord/tenant law.	SADC sites are non-residential, and therefore this standard is not applicable.
42 CFR 441.301(c)(4)(vi)(B) Not Applicable	Each individual has privacy in their sleeping or living unit: (1) Units have entrance doors lockable by the individual, with only appropriate staff having keys to doors. (2) Individuals sharing units have a choice of roommates in that setting. (3) Individuals have the freedom to furnish and decorate their sleeping or living units within the lease or other agreement.	SADC sites are non-residential, and therefore this standard is not applicable.

Recommendation

As required by 42 CFR 441.301(c)(5), the State of New York submits this request for heightened scrutiny review of the SADC site identified above. The State has validated and compiled evidence that

the SADC site is not institutional in nature and will have remediated all isolating characteristics prior to March 17, 2023.

Section One
