ASSISTANCE TO PERSONS WHO CHANGE RESIDENCY

delay the transition of coverage pending receipt of further information regarding items that may change as a result of the individual's reported relocation (i.e. a change of job, which may result in a change in earned income).

Cases for which the district has not completed the eligibility determination, (i.e. a pregnant woman authorized for Presumptive Eligibility) must have such determination of eligibility completed prior to the transition of the case to the new district of residence.

Similarly, if the case is in the process of being renewed, the district must complete the renewal before transitioning the case to the new district of residence.

Not All Case Members Moving- The eligibility of the moving household members must be determined. If determined ineligible, they must be closed, and the case is not transitioned. If eligibility continues, a new case must be opened for them and transitioned to the new district of residence. Eligibility for the remaining household members must be re-determined and appropriate action taken.

Returned Agency Correspondence- Returned correspondence, including the Medicaid/FHP renewal that is returned to the district by the U.S. Postal Service with a change of address must be re-mailed to the new address with a copy of Attachment VII of 08 OHIP/LCM-1 which will provide the individual the opportunity to confirm the new address. Individuals who respond in the prescribed time frame (minimally 10 days) to the follow-up correspondence shall be considered to have reported their re-location and new address and will have their case transitioned after continued eligibility is determined. Individuals who do not respond to the follow-up correspondence will have their case discontinued having failed to renew or comply with a request for additional information.

Children in Continuous Coverage Status- A child who has lost eligibility, but is in a period of continuous coverage, who moves to another district will not have his/her coverage transitioned to the new district of residence. Continuous coverage will be provided by the former district of residence.
