RESOURCE DOCUMENTATION REQUIREMENTS

Program. (See **INCOME EXCESS** and **PAY-IN**) Local social services districts may continue to verify the accuracy of the resource information provided by the A/R through collateral investigations. If there is an inconsistency between the information reported by the A/R, and the information obtained by the district is current, the district shall redetermine the recipient's eligibility based on the new information. If the district requires further information about a particular resource in order to make an eligibility decision, the recipient must be notified to provide the necessary information.

1. Community Coverage with Community-Based Long-Term Care includes all Medicaid covered care and services including HCBS waiver services but not nursing facility services. The coverage does, however, include short-term rehabilitative nursing home care. If an SSI-related Medicaid A/R elects this coverage, the A/R must provide documentation of his/her current resources at application. However, the A/R may itemize and attest to the amount of his/her resources at renewal/recertification.

NOTE: If an SSI-related Medicaid A/R states a transfer was made but does not provide documentation of the transfer, the A/R is not eligible for short-term rehabilitative nursing home care.

An otherwise eligible SSI-related individual who fails or refuses to provide adequate resource documentation shall be denied Community Coverage with Community-Based Long-Term Care and shall be authorized for Community Coverage without Long-Term Care if adequate information (not documentation) regarding the individual's resources is provided.

SSI-related recipients with Community Coverage with Community-Based Long-Term Care may be enrolled in managed care and managed long-term care.

2. Medicaid coverage for all covered care and services includes nursing facility services. If an SSI-related Medicaid A/R elects this coverage, the A/R must be in receipt of nursing home care and provide documentation of his/her resources for the prior periods in accordance with transfer of resource policies.
