Interpretation: An application may be made by the applicant, his/her authorized representative or, when the applicant is incompetent or incapacitated, by someone acting responsibly for him/her. The applicant or someone acting responsibly on the applicant's behalf must sign the application in ink. When both a husband and wife are applying, both spouses are required to sign the "State-prescribed form". If only one spouse is applying, the non-applying spouse cannot be required to sign the application even though information concerning his/her financial circumstances is necessary to determine eligibility for the applying spouse.
