**Interpretation:** Family Health Plus A/Rs must have countable resources at or below the Medicaid resource level permitted for the A/R's household size. Countable resources are those items required to be considered, after first applying ADC-related resource disregards for parents and 19 and 20 year olds, and the S/CC-related resource disregards for single individuals and childless couples. This includes applying the appropriate categorical treatment of income-producing property. (See **RESOURCES INCOME-PRODUCING PROPERTY**)

The maximum resource level allowed, by family size can be found in **REFERENCE MEDICALLY NEEDED RESOURCE LEVELS**. Individuals with resources in excess of the maximum level allowed will not be permitted to spenddown their resources in order to become eligible.

**Verification/  
Documentation:** All applicants for Family Health Plus must provide the total value of their countable resources in Section I of the DOH 4220, "Access NY Health Care Application".
