Interpretation: When an SSI recipient loses eligibility, Medicaid is continued until a separate Medicaid determination is made.

When a TA recipient loses eligibility, the reason for the TA closing will:

1. Allow Medicaid to continue unchanged if the reason for closing the TA case does not apply to Medicaid;
2. Prompt a separate determination of Medicaid eligibility if the reason for the TA closing may affect Medicaid eligibility; or
3. Close the Medicaid case if the reason for closing the TA case also applies to Medicaid.

The separate determination for Medicaid is completed by the end of the calendar month following the month in which cash assistance was terminated. A separate statement is made in the Notice of Intent advising the recipient of the action to be taken on his/her Medicaid case, the reasons for the action and the supporting regulations.

When the TA case is closed, the separate determination is made from information in the TA case record. If additional information is required, the district requests it from the recipient (Rosenberg court decision).
