STDs

POST: Young people age 15 to 24 account for 63% of all new STDs, although they represent just 14% of New Yorkers. Make sure teens get the facts. <https://www.facebook.com/TakeControl>

TWEET: 15-24 yr-olds make up 14% of New Yorkers but account for 2/3rds of all new STDs. Help them get the facts. <https://www.facebook.com/TakeControl>

POST: Roughly 2/3rds of all reported Chlamydia is found in people age 15 to 24. Make sure they have the knowledge to practice safer sex.
