Instructions for Accessing and Completing the Post-Secondary Immunization Survey

NYS Public Health Law Section 2165 and NYCRR Title 10, Subpart 66-2 requires students attending post-secondary institutions who were born on or after January 1, 1957 and registered for 6 or more credits to provide proof of immunity against measles, mumps, and rubella, and for institutions to annually provide a summary of compliance.

The instructions below detail how to complete the summary of compliance survey. This survey also covers the requirement to share and collect information about the optional meningitis vaccine, set forth in NYS Public Health Law Section 2167.
