															Example: Joe I. Smith
Subtotals for page															
Summary Totals															

Instructions:

Student Name: Enter the name for each student who has a medical or religious exemption to immunization on a separate line.

Exemption Vaccine Fields 1 through 12: Enter an "X" in the boxes under the appropriate vaccine fields for which each student has a valid medical or religious exemption.

Tabulating the Data:

Add the number of "X's" in each column and enter the sub-totals on each page.

Add the sub-totals for each page and enter the summary totals on the last page.

Transfer all totals by grade onto the survey summary form.
