

INSTRUCTIONS FOR GRADES 2 THROUGH 5 IMMUNIZATION SURVEY WORKSHEET

- Use this worksheet to help you fill out the survey form. DO NOT RETURN TO US.
- Make photocopies of this worksheet before filling it out if you know you will need more.
- Only transfer “Summary Totals” from the front of the last worksheet to the survey form.
- **The immunization status of all students in grades 2 through 5 should be included on this worksheet, not only new enterers.**
- **Intervals between doses of vaccine (with the exception of polio vaccine) must be in accordance with the Advisory Committee for Immunization Practices (ACIP) Recommended Immunization Schedules for Persons 0 Through 18 Years of Age.**

TO COMPLETE THIS FORM

- | | |
|---|---|
| <p>Column 1. Enter the name (last, first, middle initial) and birthday (month, day, year) for each student on a separate line.</p> <p>Column 2. Enter an “X” in the Students Without Immunization Record box for those students who do not have an immunization record or other proof of immunity on file. Do not count students who do not have an immunization record in columns 5 through 13. Do not count students who have medical or religious exemptions in this column.</p> <p>Column 3. Enter an “X” in the Medical Exemptions box for those students who have a medical exemption from a physician licensed to practice medicine in the State of New York. Do not count students with medical exemptions in columns 5 through 13.</p> <p>Column 4. Enter an “X” in the Religious Exemptions box for those students who have a written and signed statement from a parent or guardian exempting them from immunization due to religious beliefs that has been approved by the school. Do not count students with religious exemptions in columns 5 through 13.</p> <p>Column 5. Enter an “X” in the Diphtheria, Tetanus and Pertussis box for those students who have received 5 doses of DTaP vaccine or 4 doses with the 4th dose on or after the 4th birthday. The final dose must have been received at 4 years of age or older. For students born before 1/1/2005, please include them in this field if they have received either DTaP or DT.</p> <p>Column 6. Enter an “X” in the Polio box for those students who have received 3 doses of polio-containing vaccine or who have demonstrated serological evidence of immunity to all 3 serotypes of polio disease.</p> <p>Column 7. Enter an “X” in the Measles box for those students who have received 2 doses of measles vaccine, the first of which must have been received no more than 4 days prior to their first birthday, or who have demonstrated serological evidence of immunity to measles disease.</p> | <p>Column 8. Enter an “X” in the Mumps box for those students who have received 2 doses of mumps vaccine, the first of which must have been received no more than 4 days prior to their first birthday, or who have demonstrated serological evidence of immunity to mumps disease.</p> <p>Column 9. Enter an “X” in the Rubella box for those students who have received at least 1 dose of rubella vaccine no more than 4 days prior to their first birthday, or who have demonstrated serological evidence of immunity to rubella disease.</p> <p>Column 10. Enter an “X” in the Hepatitis B box for those students who have received 3 doses of hepatitis B-containing vaccine or who have demonstrated serological evidence of immunity to hepatitis B disease.</p> <p>Column 11. Enter an “X” in the Varicella (Chickenpox) box for those students who have received 1 dose of varicella vaccine no more than 4 days prior to their first birthday, or who have been diagnosed by a physician, physician assistant, or nurse practitioner as having had varicella disease, or who have demonstrated serological evidence of immunity to varicella disease.</p> <p>Column 12. Enter an “X” in the Completely Immunized box for those students who meet all requirements for columns 5 through 11. Children counted in columns 2, 3 and 4 should not be counted in column 12. The number in column 12 cannot be greater than any number in columns 5 through 11.</p> <p>Column 13. Enter an “X” in the In Process box for those students who are not completely immunized and who have received at least the first dose of each required vaccine series and have age appropriate appointments to complete the series according to the ACIP catch-up schedule.</p> |
