Warren County WIC	201	2	We are collaborating with Washington County and throwing a Big Latch event in Crandall library/Gazebo in Glens falls. There will be a raffle event, goodie bags, food, insurance tableing and a few other companies in attendance for all of the prospective breast feeders and currently breastfeeding moms. It will provide support to those moms who are breastfeeding and those who are considering it. During this event everyone will latch their babies at the same time thus participating in the nation-wide big latch. Broome County Health Department WIC	221		Our LA partners with the Southern Tier Breastfeeding Coalition to organize, promote and host a World Breastfeeding Week Breastfeeding Awareness Walk on the first Saturday of August. This correlates with the Saturday of a local event The Annual Spiedie Fest and Balloon Rally. All participants in the walk receive free entry to the festival for the day. The final destination of the walk is at our Nursing Station and Diaper Changing Tent inside the festival where we draw for door prizes and enjoy light refreshments to celebrate. The Nursing Station and Diaper Changing Tent is available for families to use for the duration of the festival including the night before the walk: Friday evening, Saturday and Sunday, and is stocked with breastfeeding information and images. The Nursing Station and Diaper Changing Tent is operated by the Southern Tier Breastfeeding Coalition in partnership with the Spiedie Fest and, this year, has offered the opportunity for area agencies and programs to man the tent and share information about their own services to the families that visit the festival. This year, the event will take place on Aug. 2-4, with the walk taking place at 9:30am on Saturday Aug. 3.
