</table>

---

1. Percentages are weighted by enrollment in reported grade/gender groups.
2. The sum of schools by grade level is greater than the total schools when districts have schools that combine elementary with higher grades.
3. Pre-K and Kindergarten not reported separately due to low % of completeness.

---

1. Percentages are weighted by enrollment in reported grade/gender groups.
2. The sum of schools by grade level is greater than the total schools when districts have schools that combine elementary with higher grades.
3. Pre-K and Kindergarten not reported separately due to low % of completeness.

</tbody>
</table>

1. Percentages are weighted by enrollment in reported grade/gender groups.
2. The sum of schools by grade level is greater than the total schools when districts have schools that combine elementary with higher grades.
3. Pre-K and Kindergarten not reported separately due to low % of completeness.

---

1. Percentages are weighted by enrollment in reported grade/gender groups.
2. The sum of schools by grade level is greater than the total schools when districts have schools that combine elementary with higher grades.
3. Pre-K and Kindergarten not reported separately due to low % of completeness.
