

American College of Surgeons New York State Committee on Trauma 2013 Resident's Trauma Paper Competition

The New York State COT Resident's Trauma Paper Competition will be held at the Erie County Medical Center in Buffalo, New York on Wednesday, October 31st, 2012.

ELIGIBILITY

The competition is open to all general surgery residents, surgical specialty residents and trauma fellows in the US, Canada and Latin America. To be eligible for competition at the national level, abstracts submitted may have been previously presented, but not published before March 21st, 2013.

SCOPE

The abstracts should describe original research in the area of trauma, critical care and/or injury prevention and should be categorized as basic laboratory research or clinical investigation.

SPECIFICATIONS FOR PREPARATION OF ABSTRACTS

- The abstract should be no more than three pages and provide adequate information and objective data to evaluate the abstract properly.
- The abstract should be submitted electronically, preferably as a Word document. It is permissible to single-space the abstract.
- At the top of the first page, the full title of the abstract and full name of the principal author, with academic degrees, are to be stated.
- At the bottom of the first page, a footnote should be included to provide the principal author's mailing address, telephone, fax and e-mail address. This contact information is very important.
