

 **Jacobi Medical Center Presents**
The 14th Annual Warren Wetzel, MD
TRAUMA/EMERGENCY MEDICINE
SYMPOSIUM
Wednesday, May 2, 2012

The Annual Warren Wetzel, MD Trauma/Emergency Medicine Symposium represents the only regional conference dedicated solely to the management of trauma patients. As such, it has been able to attract a nationally recognized faculty. New York City has 18 trauma centers, and the Symposium provides an important forum for the sharing of science and ideas related to trauma.

Program Goals

Physicians and nurses should be aware of the many complex management strategies available for the treatment of the injured in order to minimize complications and mortality. The educational goals of the Symposium are for the attendees to:

- ❖ Review the most up-to-date management of chest trauma
- ❖ Understand and recognize the special issues related to hypotension in the blunt trauma patient
- ❖ Gain awareness of the pearls and pitfalls in the management of orthopedic trauma
- ❖ Explain the status of the New York State trauma system and the process of trauma center verification
- ❖ Review and understand the current state-of-the-art management of penetrating trauma
- ❖ Understand the evolution of the trauma center in the United States
- ❖ Comprehend the multi-level federal response to disasters and its implications for trauma care
- ❖ Identify management specifically targeted to the geriatric trauma population

The New York City Health and Hospitals Corporation designates (pending approval) this educational activity for AMA PRA Category 1 Credit(s)TM. Nurses will be issued 6.3 contact hours after completion of the full course.

PROGRAM

Moderators: Sheldon H. Teperman, MD
Director, Trauma Surgery/Surgical Critical Care

Paul Gennis, MD
Director of Emergency Medicine

7:00 A.M. - 7:50 A.M. (Nurses Residence - Building #4)

Registration and Continental Breakfast

7:55 A.M. - 8:15 A.M. (Rotunda)

Greetings and Introductory Remarks

Sheldon H. Teperman, MD

William P. Walsh, Senior Vice President
North Bronx Healthcare Network

Harry M. Delany, MD
Chairman, Departments of Surgery
North Bronx Healthcare Network

Introduction of Speakers

Paul Gennis, MD

8:15 A.M. - 8:35 A.M.

Au Courant Management of Chest Trauma

8:35 A.M. - 8:55 A.M.

PanScan in Trauma Resuscitation - Benefit or Harm?

Kenji Inaba, MD

8:55 A.M. - 9:35 A.M.

Hypotension in the Blunt Trauma Patient

Carlo L. Rosen, MD

9:35 A.M. - 9:50 A.M.

Coffee Break

9:50 A.M. - 10:30 A.M.

Pearls and Pitfalls in the Management of Orthopedic Trauma

Gregory W. Hendey, MD

10:30 A.M. - 11:10 A.M.

Status of the New York State Trauma System and Verification

Fred A. Luchette, MD

11:10 A.M. - 11:50 A.M.

Case Presentation & Panel Discussion

Moderator: Ronald Simon, MD

Panel - Drs. Inaba, Rosen, Hendey, Luchette, Britt

11:50 A.M. - 12:50 P.M. **Lunch and Keynote Address**

Penetrating Trauma: What is the Current State-of-the-Art Management?

L.D. Britt, MD

Afternoon Session

Moderator: Janet Cucuzzo, RN
Trauma Program Manager

1:20 P.M. - 1:25 P.M.

Introduction of Speakers

Janet Cucuzzo, RN

1:25 P.M. - 2:05 P.M.

Trauma Center Evolution: 1986 to 2012

Jorie Klein, RN

2:05 P.M. - 2:45 P.M.

Building Resilience Through Enhanced Trauma Care and Emergency Planning

Edward J. Gabriel

2:45 P.M. - 3:25 P.M.

The Graying of Trauma Care

Christine Cutugno, RN

3:25 P.M. - 3:30 P.M.

Closing Remarks

Sheldon H. Teperman, MD

Janet Cucuzzo, RN

JACOBI MEDICAL CENTER FACULTY

Sheldon H. Teperman, MD, FACS

For more information, please call: Ms. Debra Williams (718) 918-5596.

REMEMBERING A SPECIAL MAN

When one considers the individuals who have left their mark on the history and reputation of Jacobi Medical Center, one person immediately comes to mind: Dr. Warren Wetzel.

Dr. Wetzel was Chief of Trauma Surgery at Jacobi from 1986-1994. An innovative and widely respected surgeon, Dr. Wetzel was instrumental in the development of a Trauma Service which today enjoys national renown. He also developed a unique relationship with the herpetology staff at the Bronx Zoo, upon which he founded Jacobi's Regional Snakebite Center.

Beloved by colleagues and staff alike, Dr. Wetzel possessed unparalleled surgical skill, remarkable leadership ability, deep compassion, and an intense devotion to Jacobi Medical Center. He has left us with a legacy and an inspiration we will never forget.

Warren Wetzel, MD

SPECIAL SERVICES

Jacobi Medical Center recognizes the special needs of some course registrants and will be glad to discuss options for meeting them on an as-needed basis. If you require special assistance, please call: Ms. Debra Williams at (718) 918-5596.

CME ACCREDITATION

The New York City Health and Hospitals Corporation designates (pending approval) this educational activity for AMA PRA Category 1 Credit(s)TM. Nurses will be issued 6.3 contact hours after completion of the full course.

FACULTY DISCLOSURE

Policies and standards of the MSSNY, ACCME, and AMA require that faculty and planners for continuing medical education and continuing education activities disclose any relevant financial relationships they may have with commercial interests whose products, devices, or services may be discussed in the content of a CME or CEU activity.

Special thanks to William P. Walsh, Senior Vice President, North Bronx Healthcare Network, for his invaluable support.

This activity is supported by the American College of Surgeons Greater New York Committee on Trauma.

JACOBI MEDICAL CENTER

Member, NYC Health and Hospitals Corporation
Sheldon H. Teperman, MD, FACS
1400 Pelham Parkway South
Department of Surgery, Building #1
Room 1213
Bronx, New York 10461

Jacobi Medical Center is proud of its nationally recognized emergency and trauma services. As a busy Level 1 Trauma Center, Jacobi admits approximately 2,000 trauma patients each year. Jacobi is the only Pediatric Trauma Center in the East Bronx and Southern Westchester.

Jacobi also has the only Snakebite Treatment Center in the entire tri-state area. Additionally, its Burn Service is the designated burn center for the NYC Health & Hospitals Corporation, and one of only three city-wide. Jacobi's FAA approved helipad enables transport of critically injured patients needing the specialized services Jacobi can provide.

We strongly encourage the use of public transportation, please check www.jacobitrauma.com for parking details.

Bus:

Bx12 or Bx31 Bus: Exit at Jacobi Medical Center.
