Subject: Temporary Registration Letter

Dear Funeral Director:

The applications for the registration of the funeral director licenses for the 2020-2022 biennial period have not been mailed at this time. We will post a notice on our website once the applications have been mailed and they will be processed as they are returned. The pocket cards will be mailed as they are completed.

In the interim, this letter will serve as a continuation of your current registration when presented along with your 2018-2020 pocket card and a photo ID. Carry this letter and your expired 2018-2020 pocket card with you as evidence of registration for conducting funeral related business. When the new pocket cards have been issued, this letter and the 2018-2020 cards will expire.

Please check our website often for any updates or changes.

Sincerely,

Thomas W. Fuller, Director
Bureau of Funeral Directing
New York State Department of Health
