

## NEW YORK STATE MEDICATION DROP BOX PROGRAM

### STATEMENT OF AGREEMENT

Law enforcement agencies must agree to abide by the below terms in order to participate in the New York State Medication Drop Box Program.

- The medication drop box must be located inside a law enforcement facility and permanently secured to the floor or wall.
- A law enforcement agent must be in visual contact with the medication drop box at all times.
- The Medication Drop Box Program is open to members of the public (i.e., households) only. It is not open to pharmacies, veterinarians, pharmaceutical businesses, or any entity other than a private household.
- Medications, including controlled substances, may be dropped off during the program's hours of operation only.
- A law enforcement agent must participate in the securing, transportation, and destruction of surrendered medications.
- All items surrendered must be destroyed at a municipal solid waste combustion facility approved by the New York State Department of Environmental Conservation. Most municipal solid waste combustion facilities charge an incineration fee.
- Medication Drop Box Program participants are responsible for costs associated with the destruction of surrendered items.

On behalf of the agency identified below, with full legal authority to do so, I agree to the terms of the New York State Medication Drop Box Program.
