Accredited Educational Institutions

Disclaimer: The New York State Department of Health provides a listing of accredited educational institutions that offer course work determined to be applicable to the education requirements for licensure as a nursing home administrator in New York State. The listing is provided as a resource to licensure applicants. The listing is not all-inclusive and is for informational purposes only. Nothing included in the listing implies the Department's endorsement of any educational institution or course. While every effort is made to post the most current information, the Department makes no guarantee of the accuracy of the information or course availability.
