

"Gimmee A Boost!"

PERFORMED BY: THE ZUCCHINI BROTHERS

It's not for babies, No, No. But for kids like you—Yeah!
 When you're ridin' in your booster—it makes the ride real smooth
 It puts you way up high, so you can see outside
 Helps the seatbelt fit, it's really got a grip
 You're safe and sure. You're really feelin' secure.

Ridin' In Your Booster Seat

CHORUS: Gimmee, Gimmee, Gimmee, Gimmee a Boost
 Gimmee, Gimmee, Gimmee, Gimmee a Boost
 Gimmee, Gimmee, Gimmee, Gimmee a Boost
 Ridin' In Your Booster Seat

Be a safety chooser, Yeah! Yeah!
 Be a future booster user, Yeah! Yeah!
 Tell your mom and Dad to be glad not sad, Yeah! Yeah!
 'Cause you're safe in the backseat of your car
 You're in your booster-gonna go pretty far
 You're safe and sure. You're really feelin' secure.
