The Medical Mission and the ESCC Team

A dynamic team of professionals with diverse backgrounds in healthcare, law enforcement, and business – headed by principals of the largest medical marijuana cultivator and dispensary licensed under New Jersey’s medical model (with over 67% market share in that state) and one of Colorado’s largest licensed medical marijuana operations – have formed ESCC with the objective of successfully applying for one of five New York State Department of Health licenses to cultivate and dispense medicinal cannabis for the benefit of certified patients with serious debilitating conditions in accordance with the state’s Compassionate Care Act (the “Act”).

As ESCC’s principals have done successfully in other jurisdictions, the company will implement a comprehensive, safe, and effective medical marijuana program in a manner that protects public health and safety and is in strict compliance with the Act. This clinically-oriented medical model will heed the goals of tracking, compiling, and analyzing patient data to assist with clinical research that ESCC will conduct in concert with researchers affiliated with an acute care hospital or medical school, with which ESCC will seek to provide access to its patients’ data. Patients qualifying under the Act will include those with cancer, epilepsy, HIV/AIDS, Lou Gehrig’s disease (ALS), Parkinson’s disease, multiple sclerosis, damage to the nervous tissue of the spinal cord with objective neurological indication of intractable spasticity, neuropathies, and Huntington’s disease. The Act includes the aforesaid conditions when there is a clinical association with or complication of the condition resulting in cachexia or wasting syndrome, severe or chronic pain, severe nausea, seizures, or severe or persistent muscle spasms.

This mandate is precisely in line with the ESCC Team’s medical mission as demonstrated by the well-established track record of its medical marijuana affiliates’ professional “medical model” operations in New Jersey and Colorado.

The principals and directors of ESCC include:

• **David Weisser** is the Chairman and President of ESCC. Nationally regarded as an industry pioneer, David Weisser has over six years of experience across three states in cultivating and dispensing medical marijuana to relieve patients with serious debilitating conditions. He has been hailed for developing a medical model in “seed-to-sale” enterprises with an emphasis on tracking clinical data and the association between certain strains of medicinal cannabis and delivery methods with qualifying conditions. These years of experience in Good Agriculture Practice and state-of-the-art processing techniques have established David Weisser a medical marijuana expert.

Mr. Weisser is President of Garden State Dispensary, a nonprofit that is the largest medical marijuana cultivator and dispensary to be licensed by the New Jersey Department of Health. The organization’s two applications for licensure were rated by the State of New Jersey as the two highest scoring submissions in the state’s competitive and highly scrutinized selection process that only awarded six licenses.
Weisser’s attention to purity, quality, consistency, and variety has garnered his organization an overwhelmingly dominant market share among New Jersey’s patient base. According to the NJ Department of Health’s 2014 Annual Report on the status of the program, the nonprofit headed by Weisser dispensed approximately 67.23% of all medical marijuana provided by licensees in 2014 and served over 64% of all registered patients in the state. Previously, in 2009, David cofounded one of Colorado’s largest medical cannabis cultivation and dispensary organizations and presently has 27 active state licenses in Colorado, including five cultivation facilities and eight dispensaries.

David also has diversified experience in commercial real estate. As a former [redacted], he served as [redacted] of [redacted] of the [redacted]-based organization and also identified new acquisition opportunities and closed complex transactions. (A more comprehensive Bio is attached as an exhibit to Appendix A-Affidavits).

- **Paul Higdon** is a distinguished federal law enforcement and intelligence veteran. He is the Chief Security Officer for the ESCC’s affiliate Garden State Dispensary and will fill that role for ESCC. His 27-year career with the Drug Enforcement Administration (DEA) and its predecessor agency, Bureau of Narcotics and Dangerous Drugs (BNDD), included a rise from Special Agent to heading the agency’s Office of Inspections to being appointed the DEA’s Deputy Assistant Administrator in Charge of Foreign Operations (responsible for overseeing and directing the operations of 70 DEA offices in 51 countries). As Special Agent in Charge of a joint federal, state, and local task force, he worked closely with international agencies to identify and eliminate the infamous “French Connection.” After his DEA service, Mr. Higdon served as Director of Criminal Intelligence for INTERPOL. (A more comprehensive Bio is attached as an exhibit to Appendix A-Affidavits).

- **Jordan S. Josephson, MD** will be the Medical Director of ESCC. Dr. Josephson is an internationally renowned, Johns Hopkins fellowship-trained and Board certified surgeon, clinical researcher, and medical educator who previously served as a consultant for the [redacted] for six years. Dr. Josephson’s hospital affiliations include [redacted] and [redacted]. (A more comprehensive Bio is attached as an exhibit to Appendix A-Affidavits).

- **Michael Balboni, Esq.** is a former Deputy Secretary of Public Safety and head of homeland security for the State of New York, who served under two governors and oversaw agencies including the State Police, Office of Homeland Security, and State Emergency Management Office. Mr. Balboni is also a healthcare lawyer and former State Senator from Nassau County.

**ESCC Team’s Medical Marijuana Track Record**

Presently, thirty-six (36) American states permit medical marijuana in some form. Twenty-three (23) of those states as well as the District of Columbia, Guam, and Puerto Rico allow for comprehensive public medical marijuana programs. Nowhere were stricter regulations promulgated than in New Jersey and New York. Indeed, New York State modeled its program after its sister state across the Hudson River. However, New York State has required that only “non-smokable” forms of delivery be manufactured and utilized in New York. This makes ESCC particularly qualified for New York’s program because of their extensive experience and expertise, including special licensure in Colorado, in the extraction and infusion of “oils” from the plant form (see, Attachment D--Operating Plan and attached Exhibit (a) thereto, Certification of Consistent Cannabinoid Profiles).

The principals of ESCC, the Weissers, operate the largest medical marijuana cultivator and dispensary licensed in New Jersey (Garden State Dispensary) and one of the largest in Colorado, where they have five cultivation facilities and eight dispensaries. Between the two states, the Weissers’ medical marijuana enterprises employ more than 100 people and have contributed vast sums to charitable causes, including Children’s Hospital Colorado and Memorial Sloan Kettering Cancer Center (with more giving planned and pledged, see, Exhibit (b) Weisser Pledge attached to the Attachment D--Operating Plan).

ESCC’s affiliates have a proven track record of compliance with the state and local laws and regulations pertaining to the growth and dispensing of medical marijuana in both the States of Colorado and New Jersey.

In a letter, dated June 1, 2015, which should be read in full, Dr. Poonam Alaigh, MD, MSHCPM, FACP, the former New Jersey Commissioner of Health under Governor Christie, made the following statements:

“Garden State Dispensary submitted an application for two [NJ] regions and both were the highest scoring of all applicants in every category. However, each winning applicant only received one permit. Since the receipt of a permit, Garden State Dispensary has proven that they merited the noteworthy score they received for the comprehensive and high-quality proposal and sound financial and security plans.” [...]

"In addition to the dominant market share Garden State Dispensary quickly achieved, demonstrating industry experience, professionalism, and competence superior to competing cultivators, their track record of compliance and stringent security measures have also been superior to any other licensee in the state.” [...]

10 | Page
"For these reasons and the stellar credentials of the team assembled by Empire State Compassionate Care, I offer an outstanding reference for this group's track record in New Jersey and thank them for enabling the success of this medically modeled marijuana program I implemented." (see, Exhibit (III) to Attachment M).

The ESCC affiliates have not only received initial licenses from both states, they have received renewals of the licenses. The renewals demonstrate the Affiliate’s actual compliance with the applicable laws and not merely hypothetical pledges or statements to comply in the future (see, Attachment M).

**New Jersey Medical Marijuana Operations**

In New Jersey, the Weissers run Garden State Dispensary, a nonprofit that is the largest medical marijuana cultivator and dispensary to be licensed by the New Jersey Department of Health. Garden State Dispensary’s inception marked the creation of a medical model that has set a nationwide example. The organization’s applications for licensure were rated by the State of New Jersey as the two highest scoring submissions in the state’s competitive and highly scrutinized selection process that only awarded six licenses. Garden State Dispensary’s advisory board in New Jersey includes a Chief Judge of the Criminal Court in Trenton, retired Presiding Judge of the Superior Court, a retired Captain and Deputy Troop Commander of the NJ State Police, and two respected physicians.

In August 2013, after Garden State Dispensary was licensed in New Jersey, a 25,000 square foot building in Woodbridge, New Jersey, was acquired and approximately $1 million in upgrades to the property were made in configuring and constructing a medical marijuana cultivation and dispensary facility. The aggregate investment in the New Jersey operation has exceeded $7 million.

Garden State Dispensary’s attention to purity, quality, consistency, and variety has garnered the organization an overwhelmingly dominant market share among New Jersey’s patient base. According to the New Jersey Department of Health’s 2014 Annual Report on the status of the program (see, Exhibit (c) attached to the Attachment D--Operating Plan), Garden State Dispensary dispensed approximately 67.23% of all medical marijuana provided by licensees in 2014 and served over 64% of all registered patients in the state.

To date, Garden State Dispensary has successfully completed over 23,000 medical marijuana transactions in New Jersey since August 2013.

Some patients travel in excess of one hour to patronize Garden State Dispensary (despite their proximity to one of the other two active licensed dispensaries) because of the quality and strains (brands) available at Garden State Dispensary and the training and qualifications of its dispensary personnel.
ESCC’s principals and participating physicians in New Jersey’s medical marijuana program have witnessed dramatic benefits at the New Jersey operation for participating patients, including – by way of example – reductions in seizures for certain epileptic patients, counteracting appetite loss and pain relief for cancer patients, improvement in quality of life for terminally ill patients, etc. (see, powerful Patient Testimonials attached to this Application as Exhibit (d) to Attachment D--Operating Plan).

In addition to the glowing report of former New Jersey Health Commissioner, Dr. Poonam Alaigh described above (see, Exhibit (III) to Attachment M), Mayor John McCormac, Mayor of Woodbridge Township, New Jersey, home of ESCC’s New Jersey affiliate’s facility, has written a laudatory letter recommending ESCC for a number of reasons, including ESCC’s ability to comply with local laws. The Mayor notes that the State of New Jersey’s regulations are similar to what was passed in New York State and that ESCC’s affiliate, “has been a model corporate citizen—it complies with all municipal laws/regulations and its facility is consistently clean, secure and kept in a professional manner.” (See, Attachment M)

**Colorado Medical Marijuana Operations**

Presently, Weisser affiliated entities have 27 active state licenses in Colorado, which are tied to five cultivation facilities and eight dispensaries and have successfully completed over 200,000 medical marijuana transactions in Colorado.

In Colorado, the ESCC affiliates have “oils” extraction and infusion credentials and experience that distinguish it from most of its competitors. The extraction and infusion of “oils” is the key to non-smokable forms of delivery required in New York. ESCC will bring this expertise to New York and will utilize the highest quality equipment to extract these oils, preferably utilizing Carbon Dioxide in the extraction method (see, Attachment D--Operating Plan and attached Exhibit (a) thereto, Certification of Consistent Cannabinoid Profiles).

**Patient Testimonials**

Perhaps the most compelling proof of the efficacy and benefit of the medical marijuana program for patients, and ESCC’s ability to deliver those benefits, is contained in the moving and powerful Patient Testimonials attached to this Application as Exhibit (d) to Attachment D--Operating Plan.

These Patient Testimonials, provided by the patients of Garden State Dispensary, ESCC’s New Jersey Affiliate, validate the motivations and goals of New York’s Medical Marijuana Program and demonstrate ESCC’s ability to deliver on that medical mission. These testimonials should be read in full as they truly capture the human side of this Program.
Some of the key sentiments expressed from our patients are illustrated in the following quotes:

"As the [redacted], the [redacted] literally took away my ability to be a [redacted]. Within minutes of my first dose, the [redacted] and [redacted] of those [redacted]. Today, thanks to the professional care of the Garden State Dispensary, I can [redacted] to [redacted] and I feel I am a [redacted]." (Letter of Melody Mussinan)

I still make the 90 minute trip because the results I have encountered at Garden State Dispensary have proven invaluable to reclaiming my life. The results have been remarkable." Exhibit (d) to Attachment D--Operating Plan.

By replicating Garden State Dispensary’s New Jersey success in New York State, ESCC’s principals believe that we can do well by doing good.

Charitable Track-Record and Pledge of Michael Weisser

S. Weisser Foundation, launched in Mrs. Weisser’s memory.

The Garden State Dispensary operation in New Jersey is operated by a not-for-profit entity. The Weisser family has made it part of their mission to utilize significant portions of the medical marijuana proceeds for donations to children’s research hospitals.

In furtherance of this mission, Michael Weisser, a major shareholder of ESCC, has made a written pledge to donate his portion of any profit derived from ESCC, for a period of 10 years, to research institutions that are focused on children’s illnesses, including Memorial Sloan-Kettering. See, Exhibit (b) attached to the Attachment D—Operating Plan.

In addition, said pledge commits that ESCC will provide medical marijuana product free of charge to all children that qualify as Certified Patients for a period of 5 years from the commencement of operations (subject to DOH NYS approval).

**Identification of Manufacturing Facility and Dispensing Facilities**

ESCC has identified its proposed Manufacturing Facility and its four proposed Dispensing Facilities on Attachment A as required by PHL § 3365 and 10 NYCRR § 1004.5(b)(2). Each site was carefully selected for its suitability for its intended operations and Dispensing Facilities are located in geographically diverse New York State counties that are designed to optimize accessibility and serve significant patient population centers.

**Manufacturing Facility:**

320 Mount Airy Road, New Windsor, NY 12553

In what can only be described as a “perfect fit”, ESCC has entered into a Lease agreement with the property owner, Continental Farms, for a beautiful, modern agriculture growing and processing facility that is cutting edge in terms of the agriculture equipment already in place and its national reputation as a leading facility for sustainable agriculture practices.

It is located 15 miles north of West Point in the beautiful Hudson Valley, minutes from major Highways US 87, US 84 and US 86.

It is a fully constructed, turn-key, facility comprised of 38,000 square feet greenhouse and 25,000 square feet administration/processing/packaging space in excellent condition.

The construction of the buildings have been inspected by the local Building Department and local agencies having jurisdiction and found to be in conformance to the Building Codes, Use and Occupancy Classification, and other requirements of the municipality. The facility is licensed by New York State to operate for agricultural growing production/processing/packaging and as a fish growing facility. All structures have been issued current Certificates of Occupancy.
by the Building Department. The Appendix B--Architectural Program demonstrates that the facility is ready for immediate use as a medical marijuana growing and processing operation without further approval from the Town. See, Appendix B--Architectural Program.

Additionally, while not legally relevant to the ESCC Manufacturing Facility, media reports have indicated that the Town is in support of having Medical Marijuana manufacturing facilities in the Town and that the Town itself is even proposed as a landlord of such a facility for another prospective applicant on Town-owned land.

The operations at the Manufacturing Facility will be managed and operated by David Weisser Tom Endres and Michael “Mike” Finnegan, each established Good Agriculture Practices growers and pioneers of innovative, sustainable, and consistent, scientifically-verified, quality product. The operations will feature “Zero-Waste” cultivation techniques.

The site’s current owner, Continental Farms (owned and operated by Tom Endres and Mike Finnegan), is a certified 8-A Service-Disabled Veteran Owned Small Business (“SDVOSB”). Tom Endres is a and over fifty (50%) of Continental Farm’s employees are Veterans, many disabled. ESCC will open employment opportunities for suitable current employees of Continental Farms to screen, train, and become employees of ESCC for the new Medical Marijuana Cultivation and Processing operations;

The Manufacturing Facility has an ample and stable power supply as the Rock Tavern Substation, connecting 345kv from Upstate New York to lower-voltage lines for local use, is located in New Windsor, New York. The Manufacturing Facility also hosts two 230 kW diesel emergency power generators.

The site also contains over 250,000 square feet of additional greenhouses and land that are not part of ESCC’s initial planned use, but ESCC has the ability in the executed lease to utilize those areas if, as, and when the need for expansion arises. ESCC can easily and quickly meet expanding needs of NYS market as it develops.

The facility already has high speed internet service as evidenced by the letter from Verizon attached in Attachment K.

This Manufacturing Facility could not be more perfect even if it were specifically built to suit ESCC’s exact planned operations.
Dispensing Facilities

ESCC has identified and secured four geographically diverse Dispensing Facilities that were selected in order to be near areas likely to be Certified Patient population centers, utilizing the ESCC Team’s long and successful history of expertise and experience in Medical Marijuana and Real Estate Matters. They are located as follows:

a. Dispensary Facility #1: 40 West 27th Street, New York, NY (New York County);

b. Dispensary Facility #2: 3057 Erie Blvd East, Syracuse, NY (Onondaga County);

c. Dispensary Facility #3: 760 Fulton Avenue, Hempstead, NY (Nassau County);

d. Dispensary Facility #4: 1933 Kensington Avenue, Cheektowaga, NY (Erie County).

These facilities were carefully vetted to be convenient, secure and accessible for Certified Patients, ESCC staff, and the general public. ESCC anticipates that each of these Dispensary Facilities will be ready to operate in an excellent physical condition well in advance of ESCC’s projected December 2015 commencement of sales as is described in the Appendix B—Architectural Program for each.

Equipment Identification

ESCC has identified and attached as Attachment B a comprehensive list of equipment that will be used to carry out the manufacturing, processing, transportation, distributing, sale, and dispensing activities described in the application and Operating Plan pursuant to PHL § 3365 and 10 NYCRR § 1004.5(b)(3). As the DOH will see, this list is carefully crafted, propriety in nature, and was formulated based on the ESCC Team’s extensive real life experience in medical marijuana operations. It combines both the latest technology and time-tested tested equipment models. This equipment list is carefully tailored to identify and provide for equipment that is necessary to produce medical marijuana in non-smokeable, regulation-compliant, forms of delivery. The equipment identified for extraction of oils is the best in class technology which allows the use of carbon dioxide, which will be ESCC’s preferred method of extraction.

ESCC will use the SFE Bio-Botanical Extraction System which uses carbon dioxide for extraction, and it known for its computer-controlled system (minimizing user-intervention), precision control of pressure, temperature and time, and up to 200 g/min flow, at 8700 psi. SFE Bio-Botanical extractors are engineered to the highest industrial standards to insure safety, and provide a top quality experience when extracting.
Supercritical fluid extraction (SFE) is a technique for extracting compounds from solid or semisolid substances using a supercritical fluid, CO2, as the primary component of the mobile phase.

ESCC will only use carbon dioxide (CO2, super-critical) for cannabinoid extraction and will only use carbon dioxide that is of a supply equivalent to food or beverage grade of 99.9% purity. §1004.11(b).

**Executed Real Property Leases and Agreements**

ESCC has secured and submitted as Attachment C the following executed documents demonstrating a right to control and utilize the Manufacturing Facility and Dispensary Facilities showing that the applicant possesses or has the right to use sufficient land, buildings, or other premises, and equipment, and contains the language required in 10 NYCRR § 1004.5(b)(9).

**Operating Plan**

The Attachment D--Operating Plan attached hereto is state-of-the-art and the product of years of scientific and operational innovation and irreplaceable real-world medical marijuana experience. It contains the components set forth in 10 NYCRR § 1004.5(b)(4).

The ESCC team has a proven timeline from Licensure in New Jersey (8/7/13) to dispensing in New Jersey (11/22/13) of “3 months and 15 days”. They have been hailed for developing “seed-to-sale” enterprises with an emphasis on tracking clinical data and the association between certain strains of medicinal cannabis and delivery methods with qualifying conditions.

While it speaks for itself, there are certain features that warrant special note:

- ESCC will use the SFE Bio-Botanical Extraction System.

- SFE Bio-Botanical Extraction System uses carbon dioxide for extraction, and it known for its computer-controlled system (minimizing user-intervention), precision control of pressure, temperature and time, and up to 200 g/min flow, at 8700 psi. SFE Bio-Botanical extractors are engineered to the highest industrial standards to insure safety, and provide a top quality experience when extracting.

- Supercritical fluid extraction (SFE) is a technique for extracting compounds from solid or semisolid substances using a supercritical fluid, CO2, as the primary component of the mobile phase.
- ESCC will only use carbon dioxide (CO₂, super-critical) for cannabinoid extraction and will only use carbon dioxide that is of a supply equivalent to food or beverage grade of 99.9% purity. §1004.11(b).

- With this state-of-the-art extraction equipment, ESCC may produce oil extracts with any cannabinoid profile as desired by the Department. While the initial five “brands” and their ratios are compliant with the Regulations, ESCC is able and amenable to accept suggestions on different ratios from the Department if the Department so directs in the future.

- ESCC will implement a nutrient regimen tailored specifically for each phase of the cultivation process to ensure production of highest quality “brands” of medical marijuana that are consistent in cannabinoid profile. The nutrient regimen was developed through extensive research from Colorado and New Jersey cultivation sites, and it is a hallmark of ESCC’s cultivation plan. Attached as Exhibit D(XII)(b) thereto is a Certification of Consistent Cannabinoid Profiles that demonstrates the ESCC Team’s ability to produce high quality product with consistent cannabinoid profiles.

- By using a Perpetual Harvest Method, ESCC can maximize the amount of harvest produced annually to meet the future growing demand.

- ESCC’s training program developed by the industry leaders and experts in Colorado and New Jersey ensures highest quality operation from cultivation to dispensing.

- All cannabis will be grown organically without the use of chemicals, potentially harmful pesticides, or additives, while only using Good Agricultural Practices (GAPs). All medical marijuana produced (in both Colorado and New Jersey), under the direction of by David Weisser and Michael Weisser, are grown using only organic fertilizers, and no chemical pesticides are used in production.

- Continental Farms, from whom ESCC will be leasing the Manufacturing Facility, maintains a closed loop “Zero Waste-Zero Discharge” system that conforms to the provisions of GAP. In addition, Continental maintains a New York State Department of Agriculture and Markets “Food Processing License” (No. 127069) at the site pursuant to Article 20-C of the Agriculture and Markets Law (AML).

- Upon securing a Registered Organization status, ESCC will immediately begin all record keeping as required by GAP and conduct Self Audits in conformance with GAP. At the earliest time allowable, ESCC will schedule an Initial Audit with USDA to secure GAP certification.

- It should be emphasized that ESCC will maintain the Integrated Pest Management (“IPM”) and insect exclusion systems that Continental has been successfully using for nearly four years at the facility. This system includes automated blower and screening technology together with the use of beneficial insects to prevent harmful insect
infestation. While infestations have been rare, only OMRI listed organic NeemOil and Azamax products have been used at the facility by Continental.

- ESCC commits to continue the Continental IPM practices and to using only OMRI listed insect management products in its operations.

- The “Zero Waste-Zero Discharge” aspects of the Continental Farm’s system also represent the best application of GAP principles in food production that ESCC will incorporate into cannabis production.

- Using the unique double seal method in shipping, tampering is minimized during the transportation of the finished medical marijuana products. Additionally, the “manifest” used ensures highest control from the employee tampering during the transportation from manufacturing site to the dispensaries/labs.

- With multiple check-points and recording requirements, ESCC will have a systematic real-time tracking of medical marijuana from seed to the end consumption.

Organizational Documents

The following Organizational documents of ESCC are attached as Attachment E, which identifies all of those holding an interest or ownership pursuant to 10 NYCRR § 1004.5(b)(5).

I. Certificate of Incorporation  
II. Bylaws  
III. Organizational Chart

Labor Peace Agreement

ESCC was able to secure a “Labor Peace Agreement” with Local 338, RWDSU/UFCW, a bona fide labor organization that is actively engaged in attempting to represent the future employees of the Registered Organizations which is annexed as Attachment F. Said Labor Peace Agreement contains a specially negotiated “most favored nations” clause, added at the request of ESCC, that provides that in the event Local 338 were to grant any other potential Registered Organization more favorable terms than those contained in this agreement, that this agreement would be modified to give ESCC the benefit of any such more favorable terms pursuant to PHL § 3365(1)(a)(iii) and 10 NYCR § 1004.5(b)(7).

Financial Statement of Application Transactions

As set forth in Attachment G, ESCC has entered into various transactions for the procurement of services in connection with its preparation of the Application. The various professionals retained were selected for the caliber of their credentials, the quality of their services, and
reputations for effectiveness and integrity. ESCC is very proud of the team of professionals that
it has assembled to assist ESCC in putting its best foot forward in this process. We hope that the
result speaks for itself pursuant to 10 NYCRR § 1004.5(b)(10).

Security Team and Plan

The Attachment II Security Plan was crafted by Redland Strategies, headed by Michael
Balboni, the former head of Homeland Security for New York State, in consultation with Paul
Higdon, David and Michael Weisser and demonstrates how the applicants will comply with the
requirements of Article 22 of the Public Health Law, 10 NYCRR Part 1004, and other applicable
state or local laws, rules and regulations.

ESCC’s security team has designed a seamless security system that eliminates any single points
of failure, integrates cutting edge detection and surveillance technology, managing the strictest of
access control so as to prevent the diversion, theft or unauthorized usage of marihuana. This will
be accomplished by utilizing innovative initiatives such as [redacted] to assist in detecting threats that might emerge regarding the manufacturing facility, the dispensaries or transportation operations."

Based on the security expertise and experience of the Redland strategies team and the real-life
practical experience of the ESCC Team in operating medical marijuana cultivating, processing
and dispensing facilities, this proposed security plan is state-of-the-art and extremely protective
of the staff, Certified Patients and the general public.

Additionally there are also security policies measures, and procedures that are set forth in the
Attachment D--Operating Plan designed to prevent the diversion of product and maintain a
professional medical model operation that will be standard operating procedure for the ESCC
Team.

GAAP Compliant Financial Statement and Financial Capacity of Applicant

ESCC is a newly formed entity created for the purpose of becoming a Registered Organization in
New York State. Attachment I is the most recent (and only) financial statement of the ESCC
prepared in accordance with generally accepted accounting principles (GAAP) applied on a
consistent basis and certified by Raich Ende Malter & Co, LLP, an independent certified public
accounting firm, in accordance with 10 NYCRR §1004.5(b)(16).

Because ESCC is a newly formed entity with no significant operational history, also attached as
an Exhibit to Attachment I is a commitment from Michael Weisser to fund the initial startup
costs and operations of ESCC up to and including projected costs of $12 million. Along with
said $12 million commitment is a statement from Mr. Weisser's accountant attaching a personal
financial statement which indicates that Mr. Weisser has a net worth [redacted].
This commitment of Mr. Weisser, the accompanying financial statements, and the substantial track record of Mr. Weisser in the real estate and medical marijuana businesses, clearly establish ESCC’s financial capacity and ability to adequately fund the costs of starting up the operations, the costs of the fit-out of the dispensing facilities and the startup operational costs, including staffing, before the business becomes completely self-sustaining based on revenues.

**Sources and Uses of Funds**

Based on the ESCC Team’s extensive experience, ESCC has determined that all anticipated costs associated with initial startup costs and operations of ESCC, including rental payments, fit-out costs for the dispensaries, staffing, and equipment, and the full implementation of the Operating Plan is projected to be approximately $12,000,000 in total costs for the first three years of operations as follows:

- **Acquisition, Lease and/or Retrofit Costs of Real Estate (up to $3,000,000)**
- **Equipment Purchase and Installation (up to $2,500,000)**
- **3 Years Staffing Costs (up to $5,000,000)**
- **Other Costs (professional services, real estate down payments, and State fees (up to $1,500,000):**

**Total Costs Up to $12,000,000**

Mr. Weisser is the source of the funds for all anticipated costs associated with initial startup costs and operations of ESCC, including rental payments, fit-out costs for the dispensaries, staffing, and equipment. All sites have been leased and the Manufacturing Facility and Dispensing Facilities are constructed for purposes of Question 76. The permitting and fit-out of Dispensing Facilities will be complete no later than September 2015 and the dispensaries will be available for operations in December 2015 if permitted by the Department of Health. As stated in the [Attachment L Seed to Sale Timeline], ESCC will be ready to dispense medical marijuana to Certified Patients in December 2015.

**Staffing Plan**

The Staffing Plan indicating the staff to be involved in the activities related to the cultivation of marijuana, the manufacturing and dispensing of approved medical marijuana products and staff with oversight responsibilities for such activities, as required in 10 NYCRR § 1004.5 (B)(18) is set forth in [Attachment J-Staffing Plan].

This Staffing Plan is based on the extensive operational experience of the ESCC Team in Colorado and New Jersey. It also is tailored to the particular structure of the New York State medical marijuana program and its requirement that the Manufacturing Facility be located in a
separate physical location than the Dispensing Facilities. The Staffing Plan recognizes and provides that key personnel associated with a Registered Organization, e.g., security personnel, pharmacists, any persons that come into contact with the product, are required to be employees of the Registered Organization. It also recognizes the New York State requirement that a pharmacist be physically present at each of the dispensaries during all hours of operations.

**Pharmacist Program**

ESCC has enlisted a leading New York Pharmacist company, Alexander Infusion, LLC, d/b/a Avanti Health Care Services (“Avanti”) to assist ESCC in implementing a unique and professional Pharmacist Program. This Program will ensure that ESCC attracts talented and dedicated staff pharmacists that will incorporate best practices at the ESCC facilities and ensure the highest standards of operation and care for the Certified Patients.

This Pharmacist Program, which is attached to the Attachment J-Staffing Plan, will feature assistance and guidance to ESCC in recruitment, screening and training of the ESCC employee Pharmacists that will staff the dispensaries. It will provide for a management and consultative oversight resource for the pharmacist staff on an on-going basis. Finally, the Pharmacist Program provides for the development of process and procedures at the Manufacturing Facility for determining Quality and Testing Standards of practice, including Quality Control Policies and Procedures, in order to achieve and maintain a minimum USP (United States Pharmacopoeial Convention) Standard of Practice, with the potential to attain a cGMP (Current Good Manufacturing Practices) Standard of Practice.

Alexander Infusion LLC, was founded in New York State in 1993, and has evolved from a single retail Pharmacist in Manhattan to become one of the major integrated providers of comprehensive and ancillary health care services in the greater New York region.

The company was founded by [Name] and [Name] who are both [Title] and graduates of St. John’s University, School of Pharmacist. They currently serve as [Title] at [Name] and oversee a rotation of PharmD graduate students at the Avanti facility.

Since its inception, Avanti Health Care Services has been providing specialty Pharmacist services in the New York City region. It was during the AIDS epidemic of the late 1980’s when antiretroviral therapy was not yet available, that Avanti Health Care Services began providing Home Infusion Therapy services to patients afflicted with HIV and AIDS. In 1995, licensure was obtained from the New York State Department of Health to operate as a home care agency and over time with growth and expansion, we began contracting with certified agencies that needed access to highly skilled resources in order to provide high tech nursing and specialty Pharmacist services to their patients. While most other specialty infusion pharmacies were focusing on the private sector, Avanti experienced significant growth by fulfilling the needs of the Medicaid recipients and working collaboratively with many of the Certified Home Health Care Agencies (CHHA’s).
Avanti’s home care service is licensed with the New York State Department of Health and Avanti Health Care is accredited by the Joint Commission.

**Internet Availability**

As evidenced by Attachment “K” each of the manufacturing facility and the proposed dispensary facilities are located in an area with Internet connectivity which will be utilized to support security measures set forth in the Security Plan and the use of the New York State Department of Health selected Seed to Sale Solution approved by the department to record the registered organizations permitted activities.

**Seed to Sale Timeline**

ESCC has attached a timeline demonstrated the estimated time frame from growing marijuana to production of a final approved product which is labeled as Attachment L. ESCC will be ready to dispense medical marijuana to Certified Patients in December 2015. Once again, this time frame is not based upon conjecture, but rather based upon actual real-world experience in Colorado and New Jersey in growing, processing and packaging medical marijuana products.

ESCC’s affiliate Garden State Dispensary achieved a verified timeline from Licensure in NJ (8/7/13) to dispensing in NJ (11/22/13) -- **“3 months and 15 days”**. See, page 1 of the NJ Department of Health Medicinal Marijuana Program 2014 Annual Report (issued March 2015) attached as Attachment D – Operating Plan

Using a Perpetual Harvest Method, ESCC can maximize the amount of harvest produced annually to meet the future growing demand. ESCC will implement a nutrient regimen tailored specifically for each phase of the cultivation process to ensure production of the highest quality of medical marijuana which will be extracted from oil and infused into various delivery forms in compliance with New York State regulations.

**Compliance with Laws and Regulations**

In accordance with 10 NYCRR § 1004.5(b)(8), ESCC in Attachment M has attached a statement and supporting documentation that it can and will comply with all applicable state and local laws and regulations relating to the activities it intends to engage in under the registration.

ESCC’s affiliates have a proven track record of compliance with the state and local laws and regulations pertaining to the growth and dispensing of medical marijuana in both the States of Colorado and New Jersey. They have not only received initial licenses from both states, they have received renewals of the licenses. The renewals demonstrate the Affiliate’s actual compliance with the applicable laws and not merely hypothetical pledges or statements to comply in the future. See, Exhibit (IV) of Attachment M.
ESCC has provided a letter from Mayor John McCormac, Mayor of Woodbridge Township, New Jersey, home of ESCC’s New Jersey affiliate’s facility, recommending ESCC for a number of reasons, including ESCC’s ability to comply with local law.

The Mayor states as follows:

“In particular, I want to attest to the excellence of the operations run by this group in New Jersey, their status as good neighbors, and their impeccable track record of complying with local and state laws and regulations in New Jersey.” [...]"
"In addition to the dominant market share Garden State Dispensary quickly achieved, demonstrating industry experience, professionalism, and competence superior to competing cultivators, their track record of compliance and stringent security measures have also been superior to any other licensee in the state." [...] 

Also attached as Exhibit (V) to Attachment M is a report from Nelson, Pope & Voorhis, LLC, a leading New York State environmental firm, demonstrating that ESCC’s waste disposal procedure will comply with applicable regulatory requirements.

In addition to ESCC’s ability to demonstrate actual compliance with state and local laws and regulations, ESCC has selected Paul Higdon to be its Director of Security. Paul Higdon, currently the Director of Security for ESCC’s New Jersey affiliate, is a distinguished federal law enforcement and intelligence veteran. His 27-year career with the Drug Enforcement Administration (DEA) and its predecessor agency, Bureau of Narcotics and Dangerous Drugs (BNDD), included a rise from Special Agent to heading the agency’s Office of Inspections to being appointed the DEA’s Deputy Assistant Administrator in Charge of Foreign Operations (responsible for overseeing and directing the operations of 70 DEA offices in 51 countries). As Special Agent in Charge of a joint federal, state, and local task force, he worked closely with international agencies to identify and eliminate the infamous “French Connection.” After his DEA service, Mr. Higdon served as Director of Criminal Intelligence for INTERPOL.

Between its affiliates’ historical compliance with the laws of Colorado and New Jersey and the oversight of Mr. Higdon, ESCC can state with certainty that it will be able to comply with all New York State and local laws and regulations.

**Strategic Committee**

ESCC has formulated a unique “Strategic Committee” structure. In addition to the its corporate Board Members, ESCC has established a “Strategic Committee” that consists of highly credentialed, well-respected individuals who will bring their unique perspectives and insights to inform and assist ESCC’s Board and Officers in formulating their policies and conducting ESCC’s operations The Strategic Committee consists of:

- a. Michael Balboni, Esq., former Head of New York State Homeland Security;
- b. Edward Salzano, Prominent Businessman and Philanthropist;
- c. Anthony V. Curto, Esq., Prominent and Well-respected Attorney;
- d. Pietro Piacquadio, Prominent Pharmacist and [redacted].

A full Bio of each is attached as an Exhibit to Appendix A-Affidavits.
APPLICATION CRITERIA

The information provided in this Overview, the Application, Legal Disclosures, the Attachments, the Appendix and other supporting Exhibits, demonstrate that ESCC’s proposal meets, and in fact exceeds, the criteria set forth in PHL § 3365 and 10 NYCRR § 1004.6.

1. Proven Ability to Manufacture High-Quality Consistent Product

The principals of ESCC and their affiliates have established a proven track record that demonstrates their ability to manufacture approved medical marijuana products, each with a consistent cannabinoid profile (the concentration of total tetrahydrocannabinol (THC) and total cannabidiol (CBD) will define the brand), and each able to pass the required quality control testing as further described in 10 NYCRR § 1004.11:

- New Jersey and Colorado Operational Track Records;
- See, Attachment D--Operating Plan and attached Exhibit (a) thereto, Certification of Consistent Cannabinoid Profiles)
- 5 “Brands” set forth in Operating Plan that meet the requirements of the NYS Regulations;
- State-of-the-Art Extraction Equipment and Techniques using Carbon Dioxide that give ESCC great Precision and Control over Cannabinoid Profile.

2. Proven Ability to Produce Sufficient Quantities

The principals of ESCC and their affiliates have established a proven track record that demonstrates their ability to produce sufficient quantities of approved medical marijuana products, as further described in 10 NYCRR § 1004.11, as necessary to meet the needs of certified patients:

- New Jersey and Colorado Operational Track Records;
- Size and Capacity of the New Windsor Facility is More than Ample; Site contains over 250,000 square feet of additional existing greenhouses that are not part of ESCC’s initial planned use, but ESCC has the ability in the executed lease to utilize those areas if, as, and when the need for expansion arises.
- Use of “Perpetual Harvest Method” to ensure continuous harvesting cycles to promote consistent and steady flow and to reduce the down time in the cultivation process.
3. Proven Ability to Prevent Unlawful Diversion of Product

The principals of ESCC and their affiliates have established a proven track record that demonstrates their ability to maintain effective control against diversion of marijuana and medical marijuana products as further described in 10 NYCRR § 1004.13:

- Weisser Statement of Compliance Attachment M
- Renewals of Licenses in New Jersey and Colorado
- New Jersey and Colorado Operational Track Records;
- Top notch security Team and Plan
- Operating Plan Security Controls (Attachment D—Operating Plan)
- Systematic real time record keeping and monitoring of the entire process from seed-to-sale to ensure utmost measurement of control in management and prevention of diversion.

4. Proven Ability to Comply with Laws and Regulations

The principals of ESCC and their affiliates have established a proven track record that demonstrates their ability to comply with all applicable state and local laws and regulations:

- Renewals of Licenses in New Jersey and Colorado
- Attachment M
- Certification of Weisser
- June 1, 2015 letter from Dr. Poonam Alaigh, MD, MSHCPM, FACP, the former New Jersey Commissioner of Health under Governor Christie
- Letter of Mayor McCormac
- Paul Higdon as Director of Security
- Michael Balboni and Redland Strategies Security Team
- CO and NJ Licenses and Renewals
- New Jersey and Colorado Operational Track Records;
- Pharmacist Consultant

Exemplary Compliance with strict “medical model” New Jersey Regulatory Scheme which is similar to the strict medical model New York Regulatory Scheme.
5. **Proven Ability to Comply with 10 NYCRR Part 1004**

The principals of ESCC and their affiliates have established a proven track record that demonstrates that, if selected, the applicant is ready, willing, and able to properly carry on the activities set forth in 10 NYCRR Part 1004:

- New Jersey and Colorado Operational Track Records;
- Renewals of Licenses in New Jersey and Colorado
- **Attachment D—Operating Plan**
- **Attachment M**

6. **Identification and Securing of Real Property**

ESCC has possession of, or the right to use, sufficient real property, buildings, and equipment to properly carry on the activity described in its operating plan:

- As set forth in this Application Narrative, **Attachments A, C and Appendix B**.

7. **It is in the Public Interest to Designate ESCC as a Registered Organization**

The information presented in this Application Narrative and the Application and Attachments clearly demonstrates that it is in the public interest that ESCC be granted designation as a Registered Organization to the applicant:

- New Jersey and Colorado Track Record
- Patient testimonials
- Kevin Law Letter President of Long Island association Exhibit (V) of **Appendix A**
- 2015 letter from Dr. Poonam Alaigh, MD, MSHCPM, FACP, the former New Jersey Commissioner of Health under Governor Christie Exhibit M(IV) to **Attachment M**
- Mayor McCormac Letter

8. **Proposed Dispensing Facilities will be Geographically Distributed**

That the applicant’s four proposed dispensing facilities are geographically distributed. To be geographically distributed, the proposed dispensing facilities of an applicant must be located in multiple counties across New York State to best serve certified patients in the Medical Marijuana Program state-wide. ESCC has proposed Dispensary Facilities in Nassau County, New York County, Monroe County and Erie County.
Conclusion

ESCC has clearly demonstrated its superior qualifications and proven ability to grow, process and distribute approved medical marijuana products through a highly secure and professional "medical model" operation.

The team that has been assembled by ESCC for its operations, security, and public health team assembled by ESCC is of the highest quality in terms of credentials, ability and reputation.

Quite simply, the track record and professionalism of ESCC the Team cannot be matched.

The names and addresses of the shareholders as they appear on the stubs of the stock transfer book shall be conclusive evidence as to who are the shareholders of record and as such entitled to receive notice of the meetings of shareholders; to vote at such meetings; to examine the list of the shareholders entitled to vote at meetings; to receive dividends; and to own, enjoy
and exercise any other property rights deriving from such shares against the corporation. Each shareholder shall be responsible for notifying the Secretary in writing of any change in his name or address and failure to do so will relieve the corporation, its directors, officers and agents, from liability for failure to direct notices or other documents, or to pay over or transfer dividends or other property or rights, to a name and address other than the name and address appearing on the stub of the stock transfer book.

The Board of Directors may at its discretion, appoint instead of the Secretary of the corporation, one or more transfer agents, registrar and agents outside the corporation for making payment upon any class of stock, bond, debenture, or other security of the corporation. Such agents and registrar may be located either within or outside the State of Colorado. They shall have such rights and duties and shall be entitled to such compensation as may be agreed to.

Section 6. Treasury Shares. Treasury shares of stock shall be held by the corporation subject to the disposal of the Board of Directors and shall neither vote nor participate in dividends.

Section 7. Lien. The corporation shall have a first lien on all shares of its stock and upon all dividends declared upon same for any indebtedness of the respective holders thereof of the corporation.

Section 8. Lost Certificates. In cases of loss or destruction of a certificate of stock, no new certificates shall be issued in lieu thereof except upon satisfactory proof to the Board of Directors of such loss or destruction, and, at the election of a majority of the Board of Directors, upon giving satisfactory security by bond or otherwise, against loss to the corporation. Any such new certificate shall be plainly marked "Duplicate" on its face.

ARTICLE VII

Shareholders

Section 1. Annual Meeting. The regular meeting of the shareholders of the corporation shall be held at a time and place to be designated by the President or the Board of Directors, provided, however, that whenever such day shall fall upon a Sunday or a legal holiday, the meeting shall be held on the next succeeding business day. At the regular annual meeting of the shareholders, the directors for the ensuing year shall be elected. The officers of the corporation shall present their annual reports and the Secretary shall have on file for inspection and reference an authentic list of the stockholders, giving the amount of stock held by each as shown by the stock books of the corporation ten (10) days before the annual meeting.

Section 2. Special Meeting. Special meetings of the shareholders may be called at any time by the President, any member of the Board of Directors, or by the holders of not less than ten (10%) percent of all of the shares entitled to vote at said special meeting. The Board of Directors may designate any place as the place for any annual meeting or for any special meeting called by the Board of Directors. If a special meeting shall be called otherwise than by the Board of Directors, the place of meeting shall be the principal office of the corporation.
Section 3. Notice of Meetings. Written or printed notice stating the place, day and hour of the meeting, and in case of special meeting, the purpose or purposes for which the meeting is called, shall be delivered not less than ten (10) nor more than sixty (60) days before the date of the meeting, either personally, or by mail, by or at the discretion of the President, the Secretary, or the director or the person calling the meeting, to each stockholder of record entitled to vote at such meeting, except that if the authorized capital stock is to be increased, at least thirty (30) days notice shall be given. If mailed, such notice shall be deemed to be delivered when deposited in the U.S. Mails and addressed to the stockholder at his address as it appears on the stock transfer books of the corporation, with postage thereon prepaid.

Section 4. Closing Transfer Books. For the purpose of determining shareholders entitled to notice of or to vote at any meeting of shareholders or any adjournment thereof, or shareholders entitled to receive payment of any dividend, or in order to make a determination of shares for any other purpose, the Board of Directors may provide that the stock transfer books shall be closed for any stated period not exceeding seventy (70) days. If the stock transfer books shall be closed for the purposes of determining shareholders entitled to notice of or to vote at a meeting of shareholders, shall be closed for at least ten (10) days immediately preceding such meeting. In lieu of closing the stock transfer books, the Board of Directors may fix in advance a date as the record date for any such determination of such shareholders, such date in any case to be not more than seventy (70) days and in the case of a meeting of shareholders, not less than ten (10) days prior to the date on which the particular action, requiring such determination of shareholders, or shareholders entitled to receive payment of a dividend, the day on which notice of the meeting is mailed or the date on which the resolution of the Board of Directors declaring such dividend is adopted, as the case may be, shall be the record date for such determination of shareholders. When a determination of shareholders entitled to vote at any meeting of shareholders has been made as provided in this section, such a determination shall apply to any adjournment thereof. The officer or agent having charge of the stock transfer books for shares of the corporation shall make, at least ten (10) days before each meeting of shareholders, a complete list of shareholders entitled to vote at any such meeting, or any adjournment thereof, arranged in alphabetical order, with the address of and the number of shares held by each, which list for a period of ten (10) days prior to such meeting, shall be kept on file at the principal office of the corporation. The original stock transfer books shall be prima facie evidence as to who are the shareholders entitled to examine such list or transfer books or to vote at any meetings of shareholders.

Section 5. Election of Directors. At each annual meeting of the shareholders of the corporation, the directors shall be elected who shall serve until their successors are duly elected and qualified, unless they sooner resign. Election of directors shall be by such of the shareholders as attend the annual meeting, either in person or by proxy, provided that if the majority of stock is not presented, said meeting may be adjourned by the shareholders present for a period not exceeding sixty (60) days at any one adjournment. At each election of directors, cumulative voting shall not be allowed. In the election of directors, that number of candidates equaling the number of directors to be elected, having the highest number of votes cast in favor of their election, are elected to the Board of Directors.

Section 6. Quorum. One-third of the outstanding stock entitled to vote at the meeting
exclusive of treasury stock, shall be necessary to constitute a quorum at meetings of the shareholders. If a quorum is present at any meeting, a matter other than the election of directors shall be approved if the votes cast favoring the action exceed the votes cast opposing the action, unless a greater number is required by the Articles of Incorporation of the Company. In the absence of a quorum, those present may adjourn the meeting from day to day but not exceeding sixty (60) days.

Section 7. Proxies. Any shareholder entitled to vote may be represented at any regular or special meeting of the shareholders by a duly executed proxy.

ARTICLE VIII

Waiver of Notice

Section 1. Directors and Officers. Unless otherwise provided by law, whenever any notice is required to be given to any director or officer of the corporation under the provisions of these By-Laws or under the provisions of the Articles of Incorporation, a waiver thereof in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

Section 2. Shareholders. No notice of the time, place or purpose of any annual, regular or special meeting of the shareholders need be given if all shareholders of record on the date said meeting is held waive such notice in writing either before or after the regular or special meeting of the shareholders, such meeting shall be deemed to have been legally and duly called, noticed, held and conducted.

ARTICLE IX

Action Without a Meeting.

Section 1. Any action required or permitted by the Colorado Business Corporation Act, the Articles of Incorporation, or by these By-Laws, to be taken at a shareholders’ meeting may be taken without a meeting if (1) all of the shareholders entitled to vote thereon consent to such action in writing; or (2) the shareholders holding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all of the shares entitled to vote thereon were present and voted consent to such action in writing. If action is taken by the shareholders without a meeting with less than unanimous consent of all shareholders entitled to vote upon such action, the corporation or the shareholders taking the action shall, upon receipt by the corporation of all writings necessary to effect the action, give notice of the action to all shareholders who were entitled to vote upon the action but who have not consented to the action in the manner provided herein. The notice shall contain or be accompanied by the same material, if any, that would have been required under the Colorado Business Corporations Act to be given to shareholders in or with a notice of the meeting at which the action would have been submitted to the shareholders.

Section 2. Any action required or permitted by the Colorado Business Corporation Act,
the Articles of Incorporation, or by these By-laws to be taken at a Board of Directors' meeting may be taken without a meeting if all members of the Board consent to such action in writing. Action is taken under this section at the time the last director signs a writing describing the action taken, unless, before such time, any director has revoked the director's consent by a writing signed by the director and received by the secretary or any other person authorized by the By-Laws of the Board of Directors to receive such a revocation. Action under this section is effective at the time it is taken as provided hereinabove, unless the directors establish a different effective date. Action taken pursuant to this section has the same effect as action taken at a meeting of directors and may be described as such in any document.

Section 1. As used in this Article:

a. "Corporation" includes any domestic or foreign predecessor entity of the corporation in a merger, consolidation, or other transaction in which the predecessor's existence ceased upon consummation of the transaction.

b. "Director" means an individual who is or was a director of a corporation and an individual who, while a director of a corporation is or was serving as the corporation's request as a director, officer, partner, trustee, employee, or agent of any other foreign or domestic corporation or of any partnership, joint venture, other enterprise, or employee benefit plan. A director shall be considered to be serving an employee benefit plan at the corporation's request if his duties to the corporation also impose duties on or otherwise involve services by him to the plan or to participants in or beneficiaries of the plan.

c. "Expenses" includes attorneys fees.

d. "Liability" means the obligation to pay a judgment, settlement, penalty, fine (including an excise tax assessed with respect to an employee benefit plan), or reasonable expense incurred with respect to a proceeding.

e. "Official capacity," when used with respect to a director, means the office of director in the corporation, and, when used with respect to an individual other than a director, means the office in the corporation held by the officer or the employment or agency relationship undertaken by the employee or agent on behalf of the corporation. "Official capacity" does not include service for any other foreign or domestic corporation or for any partnership, joint venture, trust, other enterprise, or employee benefit plan.

f. "Party" includes an individual who was, is, or is threatened to be made a named defendant or respondent in a proceeding.

g. "Proceeding" means any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative and whether formal or informal.
Section 2.

a. Except as provided in Paragraph (d) of this Section 2, the corporation may indemnify against liability incurred in any proceeding an individual made a party to the proceeding because he is or was a director if:

(i) He conducted himself in good faith:

(ii) He reasonably believed:

A. In the case of conduct in his official capacity with the corporation, that his conduct was in the corporation's best interests; or

B. In all other cases, that his conduct was at least not opposed to the corporation’s best interests; and

(iii) In the case of any criminal proceeding, he had no reasonable cause to believe his conduct was unlawful.

b. A director's conduct with respect to an employee benefit plan for a purpose he reasonably believed to be in the interests of the participants in or beneficiaries of the plan is conduct that satisfies the requirements of sub-subparagraph (b) of subparagraph (ii) of paragraph (a) of this Section 2. A director's conduct with respect to an employee benefit plan for a purpose that he did not reasonably believe to be in the interests of the participants in or beneficiaries of the plan shall be deemed not to satisfy the requirements of subparagraph (i) of Paragraph (a) of Section 2.

c. The termination of any proceeding by judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, is not of itself determinative that the individual did not meet the standard of conduct set forth in paragraph (a) of this Section 2.

d. The corporation may not indemnify a director under this Section 2 either:

(i) In connection with a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation; or

(ii) In connection with any proceeding charging improper personal benefit to the director, whether or not involving action in his official capacity, in which he was adjudged liable on the basis that personal benefit was improperly received by him.

e. Indemnification permitted under this Section 2 in connection with a proceeding by or in the right of the corporation is limited to reasonable expenses incurred in connection with the proceeding.

Section 3. The corporation shall be required to indemnify a person who is or was a
director of the corporation and who was wholly successful, on the merits or otherwise, in defense of any proceeding to which he was a party, against reasonable expenses incurred by him in connection with the proceeding.

Section 4. A director who is or was a party to a proceeding may apply for indemnification to the court conducting the proceeding or to another court of competent jurisdiction. On receipt of an application, the court, after giving any notice the court considers necessary, may order indemnification in the following manner:

a. If it determines the director is entitled to mandatory indemnification under subsection (3) of this section, the court shall order indemnification in which case the court shall also order the corporation to pay the director’s reasonable expenses incurred to obtain court-ordered indemnification.

b. If it determines that the director is fairly and reasonable entitled to indemnification in view of all the relevant circumstances, whether or not he met the standard of conduct set forth in paragraph (a) of Section 2 of this Article or was adjudged liable in the circumstances described in paragraph (d) of Section 2 of this Article, the court may order such indemnification as the court deems proper; except that the indemnification with respect to any proceeding in which liability shall have been adjudged in the circumstances described in paragraph (d) of Section 2 of this Article is limited to reasonable expenses incurred.

Section 5. (a) The corporation may not indemnify a director under Section 2 of this Article unless authorized in the specific case after a determination has been made that indemnification of the director is permissible in the circumstances because he has met the standard of conduct set forth in paragraph (a) of said subsection.

b. The determination required to be made in Paragraph (a) of this Section 5 shall be made:

(I) By the Board of Directors by a majority vote of a quorum, which quorum shall consist of directors, not parties, to the proceeding; or

(II) If a quorum cannot be obtained, by a majority vote of a committee of the Board designated by the Board, which committee shall consist of two or more directors, not parties, to the proceeding; except that directors who are parties to the proceeding may participate in the designation of directors for the committee

c. If the quorum cannot be obtained or the committee cannot be established under paragraph (b) of this Section 5, or even if a quorum is obtained or a committee designated if such quorum or committee so directs, the determination required to be made by paragraph (a) of this Section 5 shall be made:

(I) By independent legal counsel selected by a vote of the Board of Directors or the committee in the manner specified in subparagraph (I) or (II) of
paragraph (b) of this Section 5 or, if a quorum of the full Board cannot be obtained and a committee cannot be established, by independent legal counsel selected by a majority vote of the full Board; or

(II) By the shareholders.

d. Authorization of indemnification and evaluation as to reasonableness of expenses shall be made in the same manner as the determination that indemnification is permissible; except that, if the determination that indemnification is permissible is made by independent legal counsel, authorization of indemnification and evaluation as to reasonableness of expenses shall be made by the body that selected said counsel.

Section 6. The corporation may pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding in advance of the final disposition of the proceeding if:

a. The director furnishes the corporation a written affirmation of his good-faith belief that he has met the standard of conduct described in subparagraph (I) of paragraph (a) of Section 2 of this Article;

b. The director furnishes the corporation a written undertaking, executed personally or on his behalf, to repay the advance if it is determined that he did not meet such standard of conduct; and

c. A determination is made that the facts then known to those making the determination would not preclude indemnification under this Section 6.

d. The undertaking required by paragraph (b) of this Section 6 shall be an unlimited general obligation of the director, but need not be secured and may be accepted without reference to financial ability to make repayment.

Section 7.

a. An officer of the corporation who is not a director is entitled to mandatory indemnification pursuant to Section 3 of this Article and is entitled to apply for court-ordered indemnification pursuant to Section 4 of this Article in each case to the same extent as a director;

b. The corporation may indemnify and advance expenses pursuant to Section 6 of this Article to an officer, employee or agent of the corporation who is not a director to the same extent as a director; and

c. The corporation may indemnify and advance expenses to an officer, employee or agent of the corporation who is not a director to a greater extent if consistent with law and if provided for by resolution of its shareholders or directors, or in a contract.

Section 8. The corporation may purchase and maintain insurance on behalf of an individual who is or was a director, officer, employee, fiduciary or agent of the corporation and
who, while a director, officer, employee, fiduciary or agent of the corporation is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, fiduciary or agent of any other foreign or domestic corporation or of any partnership, joint venture, trust, other enterprise, or employee benefit plan against any liability asserted against or incurred by him in any such capacity or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under the provisions of this Article.

Section 9. Any indemnification of or advance of expenses to a director in accordance with this Article, if arising out of a proceeding by or on behalf of the corporation, shall be reported in writing to the shareholders with or before the notice of the next shareholders' meeting.

Company funds will be invested or deposited with an institution, the accounts or deposits of which are insured or guaranteed by an agency of the United States government.

SECTION 8
TRANSFER OF MEMBERSHIP INTEREST

8.1 Sale or Encumbrance Prohibited. Except as otherwise permitted in this Agreement, no Member may voluntarily or involuntarily transfer, sell, convey, encumber, pledge, assign, or otherwise dispose of (collectively "Transfer") an interest in the Company without the prior written consent of a majority of the other non-transferring Members determined on a per capita basis.

8.2 Right of First Refusal. Notwithstanding Section 8.1, a Member may transfer all or any part of the Member's interest in the Company (the "Interest") as follows:

8.2.1 The Member desiring to transfer his or her Interest first must provide written notice (the "Notice") to the other Members, specifying the price and terms on which the Member is prepared to sell the Interest (the "Offer").

8.2.2 For a period of thirty (30) days after receipt of the Notice, the Members may acquire all, but not less than all, of the Interest at the price and under the terms specified in the Offer. If the other Members desiring to acquire the Interest cannot agree among themselves on the allocation of the Interest among them, the allocation will be proportional to the Ownership Interests of those Members desiring to acquire the Interest.

8.2.3 Closing of the sale of the Interest will occur as stated in the Offer; provided, however, that the closing will not be less than forty-five (45) days after expiration of the thirty (30) day notice period.
8.2.4 If the other Members fail or refuse to notify the transferring Member of their desire to acquire all of the Interest proposed to be transferred within the thirty (30) day period following receipt of the Notice, then the Members will be deemed to have waived their right to acquire the Interest on the terms described in the Offer, and the transferring Member may sell and convey the Interest consistent with the Offer to any other person or entity; provided, however, that notwithstanding anything in Section 8.2 to the contrary, should the sale to a third person be at a price or on terms that are more favorable to the purchaser than stated in the Offer, then the transferring Member must reoffer the sale of the Interest to the remaining Members at that other price or other terms; provided, further, that if the sale to a third person is not closed within six (6) months after the expiration of the thirty (30) day period describe above, then the provisions of Section 8.2 will again apply to the Interest proposed to be sold or conveyed.

8.2.5 Notwithstanding the foregoing provisions of Section 8.2, should the sole remaining Member be entitled to and elect to acquire all the Interests of the other Members of the Company in accordance with the provisions of Section 8.2, the acquiring Member may assign the right to acquire the Interests to a spouse, lineal descendent, or an affiliated entity if the assignment is reasonably believed to be necessary to continue the existence of the Company as a limited liability company.

8.3 Substituted Parties. Any transfer in which the Transferee becomes a fully substituted Member is not permitted unless and until:

(1) The transferor and assignee execute and deliver to the Company the documents and instruments of conveyance necessary or appropriate in the opinion of counsel to the Company to effect the transfer and to confirm the agreement of the permitted assignee to be bound by the provisions of this Agreement; and

(2) The transferor furnishes to the Company an opinion of counsel, satisfactory to the Company, that the transfer will not cause the Company to terminate for federal income tax purposes or that any termination is not adverse to the Company or the other Members.

8.4 Death, Incompetency, or Bankruptcy of Member. On the death, adjudicated incompetence, or bankruptcy of a Member, unless the Company exercises its rights under Section 8.5, the successor in interest to the Member (whether an estate, bankruptcy trustee, or otherwise) will receive only the economic right to receive distributions whenever made by the Company and the Member's allocable share of taxable income, gain, loss, deduction, and credit (the "Economic Rights") unless and until a majority of the other Members determined on a per capita basis admit the transferee as a fully substituted Member in accordance with the provisions of Section 8.3.
8.4.1 Any transfer of Economic Rights pursuant to Section 8.4 will not include any right to participate in management of the Company, including any right to vote, consent to, and will not include any right to information on the Company or its operations or financial condition. Following any transfer of only the Economic Rights of a Member’s Interest in the Company, the transferring Member’s power and right to vote or consent to any matter submitted to the Members will be eliminated, and the Ownership Interests of the remaining Members, for purposes only of such votes, consents, and participation in management, will be proportionately increased until such time, if any, as the transferee of the Economic Rights becomes a fully substituted Member.

8.5 Death Buy Out. Notwithstanding the foregoing provision of Section 8, the Members covenant and agree that on the death of any Member, the Company, at its option, by providing written notice to the estate of the deceased Member within one hundred eighty (180) days of the death of the Member, may purchase, acquire, and redeem the Interest of the deceased Member in the Company pursuant to the provision of Section 8.5.

8.5.1 The value of each Member’s Interest in the Company will be determined on the date this Agreement is signed, and the value will be endorsed on Schedule II attached and made a part of this Agreement. The value of each Member’s Interest will be re-determined unanimously by the Members annually, unless the Members unanimously decide to re-determine those values more frequently. The Members will use their best efforts to endorse those values on Schedule II. The purchase price for a deceasde Member’s interest conclusively is the value last determined before the death of such Member; provided, however, that if the latest valuation is more than two (2) years before the death of the deceased Member, the provisions of Section 8.5.2 will apply in determining the value of the Member’s Interest in the Company.

8.5.2 If the Members have failed to value the deceased Member’s Interest within the prior two-year period, the value of each Member’s Interest in the Company on the date of death, in the first instance, will be determined by mutual agreement of the surviving Members and the personal representative of the estate of the deceased Member. If the parties cannot reach an agreement on the value within thirty (30) days after the appointment of the personal representative of the deceased Member, then the surviving Members and the personal representative each must select a qualified appraiser within the next succeeding thirty (30) days. The appraisers so selected must attempt to determine the value of the Company Interest owned by the decedent at the time of death based solely on their appraisal of the total value of the Company’s assets and the amount the decedent would have received had the assets of the Company been sold at that time for an amount equal to their fair market value and the proceeds (after payment of all Company obligations) were distributed in the manner contemplated in Section 9. The appraisal may not consider and discount for the sale of a minority Interest in the Company. In the event the appraisers cannot agree on the value within thirty (30) days after being selected, the two appraisers must, within thirty (30) days, select a third appraiser. The value of the Interest of the decedent in the Company and the purchase price of it will be the average of the two appraisals nearest in amount to one another.
That amount will be final and binding on all parties and their respective successors, assigns, and representatives. The costs and expenses of the third appraiser and any costs and expenses of the appraiser retained but not paid for by the estate of the deceased Member will be offset against the purchase price paid for the deceased Member's Interest in the Company.

8.5.3 Closing of the sale of the deceased Member's Interest in the Company will be held at the office of the Company on a date designated by the Company, not be later than ninety (90) days after agreement with the personal representative of the deceased Member's estate on the fair market value of the deceased Member's Interest in the Company; provided, however, that if the purchase price are determined by appraisals as set forth in Section 8.5.2, the closing will be thirty (30) days after the final appraisal and purchase price are determined. If no personal representative has been appointed within sixty (60) days after the deceased Member's death, the surviving Members have the right to apply for and have a personal representative appointed.

8.5.4 At closing, the Company will pay the purchase price for the deceased Member's Interest in the Company. If the purchase price is less than $1,000.00, the purchase price will be paid in cash; if the purchase price is $10,000.00 or more, the purchase price will be paid as follows:

(1) $10,000.00 in cash, bank cashier's check, or certified funds;

(2) The balance of the purchase price by the Company executing and delivering its promissory note for the balance, with interest at the prime interest rate stated by primary banking institution utilized by the Company, its successors and assigns, at the time of the deceased Member's death. Interest will be payable monthly, with the principal sum being due and payable in three (3) equal annual installments. The promissory note will be unsecured and will contain provisions that the principal sum may be paid in whole or in part at any time, without penalty.

8.5.5 At the closing, the deceased Member's estate or personal representative must assign to the Company all of the deceased Member's Interest in the Company free and clear of all liens, claims, and encumbrances, and, at the request of the Company, the estate or personal representative must execute all other instruments as may reasonably be necessary to vest in the Company all of the deceased Member's right, title, and interest in the Company and its assets. If either the Company or the deceased Member's estate or personal representative fails or refuses to execute any instrument required by this Agreement, the other party is hereby granted the irrevocable power of attorney which, it is agreed, is coupled with an interest, to execute and deliver on behalf of the failing or refusing party all instruments required to be executed and delivered by the failing or refusing party.
8.5.6 On completion of the purchase of the deceased Member's Interest in the Company, the Ownership Interests of the remaining Members will increase proportionately to their then-existing Ownership Interests.

SECTION 9
DISSOLUTION AND WINDING UP OF THE COMPANY

9.1 Dissolution. The Company will be dissolved on the happening of any of the following events:

9.1.1 Sale, transfer, or other disposition of all or substantially all of the property of the Company;

9.1.2 The agreement of all of the Members;

9.1.3 By operation of law; or

9.1.4 The death, incompetence, expulsion, or bankruptcy of a Member, or the occurrence of any event that terminates the continued membership of a Member in the Company, unless there are then remaining at least the minimum number of Members required by law and all of the remaining Members, within one hundred twenty (120) days after the date of the event, elect to continue the business of the Company.

9.2 Winding Up. On the dissolution of the Company (if the Company is not continued), the Members must take full account of the Company's assets and liabilities, and the assets will be liquidated as promptly as is consistent with obtaining their fair value, and the proceeds, to the extent sufficient to pay the Company's obligations with respect to the liquidation, will be applied and distributed, after any gain or loss realized in connection with the liquidation has been allocated in accordance with Section 3 of this Agreement, and the Members' Capital Accounts have been adjusted to reflect the allocation and all other transactions through the date of the distribution, in the following order:

9.2.1 To payment and discharge of the expenses of liquidation and of all the Company's debts and liabilities to persons or organizations other than Members;

9.2.2 To the payment and discharge of any Company debts and liabilities owed to Members; and

9.2.3 To Members in the amount of their respective adjusted Capital Account balances on the date of distribution; provided, however, that any then-outstanding Default Advances (with interest and costs of collection) first must be repaid from distributions otherwise allocable to the Defaulting Member pursuant to Section 9.2.3.
SECTION 10
GENERAL PROVISIONS

10.1 Amendments. Amendments to this Agreement may be proposed by any Member. A proposed amendment will be adopted and become effective as an amendment only on the unanimous written approval of the Members.

10.2 Governing Law. This Agreement and the rights and obligations of the parties under it are governed by and interpreted in accordance with the laws of the State of Colorado (without regard to principles of conflicts of law).

10.3 Entire Agreement; Modification. This Agreement constitutes the entire understanding and agreement between the Members with respect to the subject matter of this Agreement. No agreements, understandings, restrictions, representations, or warranties exist between or among the members other than those in this Agreement or referred to or provided for in this Agreement. No modification or amendment of any provision of this Agreement will be binding on any Member unless in writing and signed by all the Members.

10.4 Attorney Fees. In the event of any suit or action to enforce or interpret any provision of this Agreement (or that is based on this Agreement), the prevailing party is entitled to recover, in addition to other costs, reasonable attorney fees in connection with the suit, action, or arbitration, and in any appeals. The determination of who is the prevailing party and the amount of reasonable attorney fees to be paid to the prevailing party will be decided by the court or courts, including any appellate courts, in which the matter is tried, heard, or decided.

10.5 Further Effect. The parties agree to execute other documents reasonably necessary to further effect and evidence the terms of this Agreement, as long as the terms and provisions of the other documents are fully consistent with the terms of this Agreement.

10.6 Severability. If any term or provision of this Agreement is held to be void or unenforceable, that term or provision will be severed from this Agreement, the balance of the Agreement will survive, and the balance of this Agreement will be reasonably construed to carry out the intent of the parties as evidenced by the terms of this Agreement.

10.7 Captions. The captions used in this Agreement are for the convenience of the parties only and will not be interpreted to enlarge, contract, or alter the terms and provisions of this Agreement.

10.8 Notices. All notices required to be given by this Agreement will be in writing and will be effective when actually delivered or, if mailed, when deposited as certified mail, postage prepaid, directed to the addresses first shown above for each Member or to

7.4 Banking. All funds of the Company will be deposited in a separate bank account or in an account or accounts of a savings and loan association in the name of the Company as determined by a Majority of the Members. Company funds will be invested or deposited with an institution, the accounts or deposits of which are insured or guaranteed by an agency of the United States government.
SECTION 8
TRANSFER OF MEMBERSHIP INTEREST

8.1 Sale or Encumbrance Prohibited. Except as otherwise permitted in this Agreement, no Member may voluntarily or involuntarily transfer, sell, convey, encumber, pledge, assign, or otherwise dispose of (collectively "Transfer") an interest in the Company without the prior written consent of a majority of the other non-transferring Members determined on a per capita basis.

8.2 Right of First Refusal. Notwithstanding Section 8.1, a Member may transfer all or any part of the Member's interest in the Company (the "Interest") as follows:

8.2.1 The Member desiring to transfer his or her Interest first must provide written notice (the "Notice") to the other Members, specifying the price and terms on which the Member is prepared to sell the Interest (the "Offer").

8.2.2 For a period of thirty (30) days after receipt of the Notice, the Members may acquire all, but not less than all, of the Interest at the price and under the terms specified in the Offer. If the other Members desiring to acquire the Interest cannot agree among themselves on the allocation of the Interest among them, the allocation will be proportional to the Ownership Interests of those Members desiring to acquire the Interest.

8.2.3 Closing of the sale of the Interest will occur as stated in the Offer; provided, however, that the closing will not be less than forty-five (45) days after expiration of the thirty (30) day notice period.

8.2.4 If the other Members fail or refuse to notify the transferring Member of their desire to acquire all of the Interest proposed to be transferred within the thirty (30) day period following receipt of the Notice, then the Members will be deemed to have waived their right to acquire the Interest on the terms described in the Offer, and the transferring Member may sell and convey the Interest consistent with the Offer to any other person or entity; provided, however, that notwithstanding anything in Section 8.2 to the contrary, should the sale to a third person be at a price or on terms that are more favorable to the purchaser than stated in the Offer, then the transferring Member must reoffer the sale of the Interest to the remaining Members at that other price or other terms; provided, further, that if the sale to a third person is not closed within six (6) months after the expiration of the thirty (30) day period describe above, then the provisions of Section 8.2 will again apply to the Interest proposed to be sold or conveyed.

8.2.5 Notwithstanding the foregoing provisions of Section 8.2, should the sole remaining Member be entitled to and elect to acquire all the Interests of the other Members of the Company in accordance with the provisions of Section 8.2, the acquiring Member may assign the right to acquire the Interests to a spouse, lineal
descendent, or an affiliated entity if the assignment is reasonably believed to be necessary to continue the existence of the Company as a limited liability company.

8.3 Substituted Parties. Any transfer in which the Transferee becomes a fully substituted Member is not permitted unless and until:

(1) The transferor and assignee execute and deliver to the Company the documents and instruments of conveyance necessary or appropriate in the opinion of counsel to the Company to effect the transfer and to confirm the agreement of the permitted assignee to be bound by the provisions of this Agreement; and

(2) The transferor furnishes to the Company an opinion of counsel, satisfactory to the Company, that the transfer will not cause the Company to terminate for federal income tax purposes or that any termination is not adverse to the Company or the other Members.

8.4 Death, Incompetency, or Bankruptcy of Member. On the death, adjudicated incompetence, or bankruptcy of a Member, unless the Company exercises its rights under Section 8.5, the successor in interest to the Member (whether an estate, bankruptcy trustee, or otherwise) will receive only the economic right to receive distributions whenever made by the Company and the Member's allocable share of taxable income, gain, loss, deduction, and credit (the "Economic Rights") unless and until a majority of the other Members determined on a per capita basis admit the transferee as a fully substituted Member in accordance with the provisions of Section 8.3.

8.4.1 Any transfer of Economic Rights pursuant to Section 8.4 will not include any right to participate in management of the Company, including any right to vote, consent to, and will not include any right to information on the Company or its operations or financial condition. Following any transfer of only the Economic Rights of a Member's Interest in the Company, the transferring Member's power and right to vote or consent to any matter submitted to the Members will be eliminated, and the Ownership Interests of the remaining Members, for purposes only of such votes, consents, and participation in management, will be proportionately increased until such time, if any, as the transferee of the Economic Rights becomes a fully substituted Member.

8.5 Death Buy Out. Notwithstanding the foregoing provision of Section 8, the Members covenant and agree that on the death of any Member, the Company, at its option, by providing written notice to the estate of the deceased Member within one hundred eighty (180) days of the death of the Member, may purchase, acquire, and redeem the Interest of the deceased Member in the Company pursuant to the provision of Section 8.5.

8.5.1 The value of each Member's Interest in the Company will be determined on the date this Agreement is signed, and the value will be endorsed on Schedule II attached and made a part of this Agreement. The value of each Member's Interest will be re-
determined unanimously by the Members annually, unless the Members unanimously decide to re-determine those values more frequently. The Members will use their best efforts to endorse those values on Schedule II. The purchase price for a decedent Member's interest conclusively is the value last determined before the death of such Member; provided, however, that if the latest valuation is more than two (2) years before the death of the deceased Member, the provisions of Section 8.5.2 will apply in determining the value of the Member's Interest in the Company.

8.5.2 If the Members have failed to value the deceased Member's Interest within the prior two-year period, the value of each Member's Interest in the Company on the date of death, in the first instance, will be determined by mutual agreement of the surviving Members and the personal representative of the estate of the deceased Member. If the parties cannot reach an agreement on the value within thirty (30) days after the appointment of the personal representative of the deceased Member, then the surviving Members and the personal representative each must select a qualified appraiser within the next succeeding thirty (30) days. The appraisers so selected must attempt to determine the value of the Company Interest owned by the decedent at the time of death based solely on their appraisal of the total value of the Company's assets and the amount the decedent would have received had the assets of the Company been sold at that time for an amount equal to their fair market value and the proceeds (after payment of all Company obligations) were distributed in the manner contemplated in Section 9. The appraisal may not consider and discount for the sale of a minority Interest in the Company. In the event the appraisers cannot agree on the value within thirty (30) days after being selected, the two appraisers must, within thirty (30) days, select a third appraiser. The value of the Interest of the decedent in the Company and the purchase price of it will be the average of the two appraisals nearest in amount to one another. That amount will be final and binding on all parties and their respective successors, assigns, and representatives. The costs and expenses of the third appraiser and any costs and expenses of the appraiser retained but not paid for by the estate of the deceased Member will be offset against the purchase price paid for the deceased Member's Interest in the Company.

8.5.3 Closing of the sale of the deceased Member's Interest in the Company will be held at the office of the Company on a date designated by the Company, not be later than ninety (90) days after agreement with the personal representative of the deceased Member's estate on the fair market value of the deceased Member's Interest in the Company; provided, however, that if the purchase price are determined by appraisals as set forth in Section 8.5.2, the closing will be thirty (30) days after the final appraisal and purchase price are determined. If no personal representative has been appointed within sixty (60) days after the deceased Member's death, the surviving Members have the right to apply for and have a personal representative appointed.

8.5.4 At closing, the Company will pay the purchase price for the deceased Member's Interest in the Company. If the purchase price is less than $1,000.00, the purchase
price will be paid in cash; if the purchase price is $10,000.00 or more, the purchase price will be paid as follows:

(1) $10,000.00 in cash, bank cashier's check, or certified funds;

(2) The balance of the purchase price by the Company executing and delivering its promissory note for the balance, with interest at the prime interest rate stated by primary banking institution utilized by the Company, its successors and assigns, at the time of the deceased Member’s death. Interest will be payable monthly, with the principal sum being due and payable in three (3) equal annual installments. The promissory note will be unsecured and will contain provisions that the principal sum may be paid in whole or in part at any time, without penalty.

8.5.5 At the closing, the deceased Member’s estate or personal representative must assign to the Company all of the deceased Member’s Interest in the Company free and clear of all liens, claims, and encumbrances, and, at the request of the Company, the estate or personal representative must execute all other instruments as may reasonably be necessary to vest in the Company all of the deceased Member’s right, title, and interest in the Company and its assets. If either the Company or the deceased Member’s estate or personal representative fails or refuses to execute any instrument required by this Agreement, the other party is hereby granted the irrevocable power of attorney which, it is agreed, is coupled with an interest, to execute and deliver on behalf of the failing or refusing party all instruments required to be executed and delivered by the failing or refusing party.

8.5.6 On completion of the purchase of the deceased Member’s Interest in the Company, the Ownership Interests of the remaining Members will increase proportionately to their then-existing Ownership Interests.

SECTION 9
DISSOLUTION AND WINDING UP OF THE COMPANY

9.1 Dissolution. The Company will be dissolved on the happening of any of the following events:

9.1.1 Sale, transfer, or other disposition of all or substantially all of the property of the Company;

9.1.2 The agreement of all of the Members;

9.1.3 By operation of law; or

9.1.4 The death, incompetence, expulsion, or bankruptcy of a Member, or the occurrence of any event that terminates the continued membership of a Member in the Company, unless there are then remaining at least the minimum number of Members
required by law and all of the remaining Members, within one hundred twenty (120) days after the date of the event, elect to continue the business of the Company.

9.2 **Winding Up.** On the dissolution of the Company (if the Company is not continued), the Members must take full account of the Company's assets and liabilities, and the assets will be liquidated as promptly as is consistent with obtaining their fair value, and the proceeds, to the extent sufficient to pay the Company's obligations with respect to the liquidation, will be applied and distributed, after any gain or loss realized in connection with the liquidation has been allocated in accordance with Section 3 of this Agreement, and the Members' Capital Accounts have been adjusted to reflect the allocation and all other transactions through the date of the distribution, in the following order:

9.2.1 To payment and discharge of the expenses of liquidation and of all the Company's debts and liabilities to persons or organizations other than Members;

9.2.2 To the payment and discharge of any Company debts and liabilities owed to Members; and

9.2.3 To Members in the amount of their respective adjusted Capital Account balances on the date of distribution; provided, however, that any then-outstanding Default Advances (with interest and costs of collection) first must be repaid from distributions otherwise allocable to the Defaulting Member pursuant to Section 9.2.3.

**SECTION 8**

**TRANSFER OF MEMBERSHIP INTEREST**

8.1 *Sale or Encumbrance Prohibited*. Except as otherwise permitted in this Agreement, no Member may voluntarily or involuntarily transfer, sell, convey, encumber, pledge, assign, or otherwise dispose of (collectively "Transfer") an interest in the Company without the prior written consent of a majority of the other non-transferring Members determined on a per capita basis.

8.2 *Right of First Refusal*. Notwithstanding Section 8.1, a Member may transfer all or any part of the Member's interest in the Company (the "Interest") as follows:

8.2.1 The Member desiring to transfer his or her Interest first must provide written notice (the "Notice") to the other Members, specifying the price and terms on which the Member is prepared to sell the Interest (the "Offer").

8.2.2 For a period of thirty (30) days after receipt of the Notice, the Members may acquire all, but not less than all, of the Interest at the price and under the terms specified in the Offer. If the other Members desiring to acquire the Interest cannot agree among themselves on the allocation of the Interest among them, the allocation will be proportional to the Ownership Interests of those Members desiring to acquire the Interest.

8.2.3 Closing of the sale of the Interest will occur as stated in the Offer; provided, however, that the closing will not be less than forty-five (45) days after expiration of the thirty (30) day notice period.
8.2.4 If the other Members fail or refuse to notify the transferring Member of their desire to acquire all of the Interest proposed to be transferred within the thirty (30) day period following receipt of the Notice, then the Members will be deemed to have waived their right to acquire the Interest on the terms described in the Offer, and the transferring Member may sell and convey the Interest consistent with the Offer to any other person or entity; provided, however, that notwithstanding anything in Section 8.2 to the contrary, should the sale to a third person be at a price or on terms that are more favorable to the purchaser than stated in the Offer, then the transferring Member must reoffer the sale of the Interest to the remaining Members at that other price or other terms; provided, further, that if the sale to a third person is not closed within six (6) months after the expiration of the thirty (30) day period described above, then the provisions of Section 8.2 will again apply to the Interest proposed to be sold or conveyed.

8.2.5 Notwithstanding the foregoing provisions of Section 8.2, should the sole remaining Member be entitled to and elect to acquire all the Interests of the other Members of the Company in accordance with the provisions of Section 8.2, the acquiring Member may assign the right to acquire the Interests to a spouse, lineal descendent, or an affiliated entity if the assignment is reasonably believed to be necessary to continue the existence of the Company as a limited liability company.

8.3 Substituted Parties. Any transfer in which the Transferee becomes a fully substituted Member is not permitted unless and until:

(1) The transferor and assignee execute and deliver to the Company the documents and instruments of conveyance necessary or appropriate in the opinion of counsel to the Company to effect the transfer and to confirm the agreement of the permitted assignee to be bound by the provisions of this Agreement; and

(2) The transferor furnishes to the Company an opinion of counsel, satisfactory to the Company, that the transfer will not cause the Company to terminate for federal income tax purposes or that any termination is not adverse to the Company or the other Members.

8.4 Death, Incompetency, or Bankruptcy of Member. On the death, adjudicated incompetence, or bankruptcy of a Member, unless the Company exercises its rights under Section 8.5, the successor in interest to the Member (whether an estate, bankruptcy trustee, or otherwise) will receive only the economic right to receive distributions whenever made by the Company and the Member's allocable share of taxable income, gain, loss, deduction, and credit (the "Economic Rights") unless and until a majority of the other Members determined on a per capita basis admit the transferee as a fully substituted Member in accordance with the provisions of Section 8.3.
8.4.1 Any transfer of Economic Rights pursuant to Section 8.4 will not include any right to participate in management of the Company, including any right to vote, consent to, and will not include any right to information on the Company or its operations or financial condition. Following any transfer of only the Economic Rights of a Member's Interest in the Company, the transferring Member's power and right to vote or consent to any matter submitted to the Members will be eliminated, and the Ownership Interests of the remaining Members, for purposes only of such votes, consents, and participation in management, will be proportionately increased until such time, if any, as the transferee of the Economic Rights becomes a fully substituted Member.

8.5 *Death Buy Out*. Notwithstanding the foregoing provision of Section 8, the Members covenant and agree that on the death of any Member, the Company, at its option, by providing written notice to the estate of the deceased Member within one hundred eighty (180) days of the death of the Member, may purchase, acquire, and redeem the Interest of the deceased Member in the Company pursuant to the provision of Section 8.5.

8.5.1 The value of each Member's Interest in the Company will be determined on the date this Agreement is signed, and the value will be endorsed on Schedule II attached and made a part of this Agreement. The value of each Member's Interest will be re-determined unanimously by the Members annually, unless the Members unanimously decide to re-determine those values more frequently. The Members will use their best efforts to endorse those values on Schedule II. The purchase price for a decedent Member's interest conclusively is the value last determined before the death of such Member; provided, however, that if the latest valuation is more than two (2) years before the death of the deceased Member, the provisions of Section 8.5.2 will apply in determining the value of the Member's Interest in the Company.

8.5.2 If the Members have failed to value the deceased Member's Interest within the prior two-year period, the value of each Member's Interest in the Company on the date of death, in the first instance, will be determined by mutual agreement of the surviving Members and the personal representative of the estate of the deceased Member. If the parties cannot reach an agreement on the value within thirty (30) days after the appointment of the personal representative of the deceased Member, then the surviving Members and the personal representative each must select a qualified appraiser within the next succeeding thirty (30) days. The appraisers so selected must attempt to determine the value of the Company Interest owned by the decedent at the time of death based solely on their appraisal of the total value of the Company's assets and the amount the decedent would have received had the assets of the Company been sold at that time for an amount equal to their fair market value and the proceeds (after payment of all Company obligations) were distributed in the manner contemplated in Section 9. The appraisal may not consider and discount for the sale of a minority Interest in the Company. In the event the appraisers cannot agree on the value within thirty (30) days after being selected, the two appraisers must, within thirty (30) days, select a third appraiser. The value of the Interest of the decedent in the Company and the purchase price of it will be the average of the two appraisals nearest in amount to one another.
That amount will be final and binding on all parties and their respective successors, assigns, and representatives. The costs and expenses of the third appraiser and any costs and expenses of the appraiser retained but not paid for by the estate of the deceased Member will be offset against the purchase price paid for the deceased Member's Interest in the Company.

8.5.3 Closing of the sale of the deceased Member's Interest in the Company will be held at the office of the Company on a date designated by the Company, not be later than ninety (90) days after agreement with the personal representative of the deceased Member's estate on the fair market value of the deceased Member's Interest in the Company; provided, however, that if the purchase price are determined by appraisals as set forth in Section 8.5.2, the closing will be thirty (30) days after the final appraisal and purchase price are determined. If no personal representative has been appointed within sixty (60) days after the deceased Member's death, the surviving Members have the right to apply for and have a personal representative appointed.

8.5.4 At closing, the Company will pay the purchase price for the deceased Member's Interest in the Company. If the purchase price is less than $1,000.00, the purchase price will be paid in cash; if the purchase price is $10,000.00 or more, the purchase price will be paid as follows:

(1) $10,000.00 in cash, bank cashier's check, or certified funds;

(2) The balance of the purchase price by the Company executing and delivering its promissory note for the balance, with interest at the prime interest rate stated by primary banking institution utilized by the Company, its successors and assigns, at the time of the deceased Member's death. Interest will be payable monthly, with the principal sum being due and payable in three (3) equal annual installments. The promissory note will be unsecured and will contain provisions that the principal sum may be paid in whole or in part at any time, without penalty.

8.5.5 At the closing, the deceased Member's estate or personal representative must assign to the Company all of the deceased Member's Interest in the Company free and clear of all liens, claims, and encumbrances, and, at the request of the Company, the estate or personal representative must execute all other instruments as may reasonably be necessary to vest in the Company all of the deceased Member's right, title, and interest in the Company and its assets. If either the Company or the deceased Member's estate or personal representative fails or refuses to execute any instrument required by this Agreement, the other party is hereby granted the irrevocable power of attorney which, it is agreed, is coupled with an interest, to execute and deliver on behalf of the failing or refusing party all instruments required to be executed and delivered by the failing or refusing party.
8.5.6 On completion of the purchase of the deceased Member's Interest in the Company, the Ownership Interests of the remaining Members will increase proportionately to their then-existing Ownership Interests.

SECTION 9
DISOLUTION AND WINDING UP OF THE COMPANY

9.1 Dissolution. The Company will be dissolved on the happening of any of the following events:

9.1.1 Sale, transfer, or other disposition of all or substantially all of the property of the Company;

9.1.2 The agreement of all of the Members;

9.1.3 By operation of law; or

9.1.4 The death, incompetence, expulsion, or bankruptcy of a Member, or the occurrence of any event that terminates the continued membership of a Member in the Company, unless there are then remaining at least the minimum number of Members required by law and all of the remaining Members, within one hundred twenty (120) days after the date of the event, elect to continue the business of the Company.

9.2 Winding Up. On the dissolution of the Company (if the Company is not continued), the Members must take full account of the Company's assets and liabilities, and the assets will be liquidated as promptly as is consistent with obtaining their fair value, and the proceeds, to the extent sufficient to pay the Company's obligations with respect to the liquidation, will be applied and distributed, after any gain or loss realized in connection with the liquidation has been allocated in accordance with Section 3 of this Agreement, and the Members' Capital Accounts have been adjusted to reflect the allocation and all other transactions through the date of the distribution, in the following order:

9.2.1 To payment and discharge of the expenses of liquidation and of all the Company's debts and liabilities to persons or organizations other than Members;

9.2.2 To the payment and discharge of any Company debts and liabilities owed to Members; and

9.2.3 To Members in the amount of their respective adjusted Capital Account balances on the date of distribution; provided, however, that any then-outstanding Default Advances (with interest and costs of collection) first must be repaid from distributions otherwise allocable to the Defaulting Member pursuant to Section 9.2.3.
SECTION 10
GENERAL PROVISIONS

10.1 Amendments. Amendments to this Agreement may be proposed by any Member. A proposed amendment will be adopted and become effective as an amendment only on the unanimous written approval of the Members.

10.2 Governing Law. This Agreement and the rights and obligations of the parties under it are governed by and interpreted in accordance with the laws of the State of Colorado (without regard to principles of conflicts of law).

10.3 Entire Agreement; Modification. This Agreement constitutes the entire understanding and agreement between the Members with respect to the subject matter of this Agreement. No agreements, understandings, restrictions, representations, or warranties exist between or among the members other than those in this Agreement or referred to or provided for in this Agreement. No modification or amendment of any provision of this Agreement will be binding on any Member unless in writing and signed by all the Members.

10.4 Attorney Fees. In the event of any suit or action to enforce or interpret any provision of this Agreement (or that is based on this Agreement), the prevailing party is entitled to recover, in addition to other costs, reasonable attorney fees in connection with the suit, action, or arbitration, and in any appeals. The determination of who is the prevailing party and the amount of reasonable attorney fees to be paid to the prevailing party will be decided by the court or courts, including any appellate courts, in which the matter is tried, heard, or decided.

10.5 Further Effect. The parties agree to execute other documents reasonably necessary to further effect and evidence the terms of this Agreement, as long as the terms and provisions of the other documents are fully consistent with the terms of this Agreement.

10.6 Severability. If any term or provision of this Agreement is held to be void or unenforceable, that term or provision will be severed from this Agreement, the balance of the Agreement will survive, and the balance of this Agreement will be reasonably construed to carry out the intent of the parties as evidenced by the terms of this Agreement.

10.7 Captions. The captions used in this Agreement are for the convenience of the parties only and will not be interpreted to enlarge, contract, or alter the terms and provisions of this Agreement.

10.8 Notices. All notices required to be given by this Agreement will be in writing and will be effective when actually delivered or, if mailed, when deposited as certified mail, postage prepaid, directed to the addresses first shown above for each Member or to

"Lease Term"
This Lease shall be a one year period commencing on June 1, 2015 and terminating on May 30, 2016.

Tenant's Option to Extend
Tenant shall have the right to extend this Lease for one year (12 months) on terms acceptable to the parties hereto.
LANDLORD'S RIGHT OF INSPECTION

Tenant shall permit Landlord and its agents or representatives to enter the Premises at all reasonable times and (except in an emergency when no prior notice shall be required) upon reasonable notice for the purpose of inspecting the same.

The Landlord acknowledges that its rights of reentry into the premises set forth in this lease do not confer on it the authority to manufacture and/or dispense on the premises medical marijuana in accordance with article 33 of the Public Health Law and agrees to provide the New York State Department of Health, Mayor Erastus Corning 2nd Tower, The Governor Nelson A. Rockefeller Empire State Plaza, Albany N.Y. 12237, with notification by certified mail of its intent to reenter the premises or to initiate dispossess proceedings or that the lease is due to expire, at least 30 days prior to the date on which the landlord intends to exercise a right or reentry or to initiate such proceedings or at least 60 days before the expiration of the lease.

Nothing in this Article or elsewhere in this Lease shall imply any duty or obligation upon the part of Landlord to do any work on the Premises and performance thereof by Landlord shall not constitute assumption of such a duty or obligation.

Tenant's Right Cancel If Denied License

Tenant shall have the right to cancel the Lease if it is not granted a New York Medical Marijuana License ("License") in calendar year 2015, however in no event does such cancellation release Tenant from its obligation to pay the Base Rent as set forth below through August, 2015. Any cancellation shall be upon 30 days written notice to Landlord at any time after August 30, 2015 and effective in the month following notice to Landlord.

Tenant’s Promise Not To Cancel If Tenant Is Awarded License

Tenant agrees that in the event it is successful in securing a License, it shall not cancel this Lease during the Lease Term for any purpose except the willful breach thereof by Landlord.

Liquidated Damages In The Event Of Breach If Tenant Is Awarded License

Tenant acknowledges that insofar as the Premises are an existing, operating aquaponics facility and "Turn Key" to Tenant therefore enabling Tenant to satisfy the New York State requirement that all licensed Medical Marijuana growing facilities be in production by January 1, 2016 and thereby a significant advantage to Tenant in the licensing process, and insofar as making the Premises available to Tenant to comply with such requirement will result in significant disruption of Landlord’s business operation on the Premises, the parties agree that Landlord shall be entitled to Liquidated Damages of
ONE MILLION ($1,000,000) DOLLARS in the event that Tenant cancels the Lease during the Lease Term for any purpose except Landlord's willful breach or Tenant's failure to secure a License as provided above.

Failure of Landlord to receive the Rental Commitment Fee shall constitute a material breach of this Agreement rendering it null and void.

**Additional Rent**

(a) Tenant shall pay, as Additional Rent, all real property taxes and assessments, water and sewer rents, rates and charges, levies, license and permit fees and other governmental charges, commencing in the month following the issuance to Tenant of a License to produce medical Marijuana.

(b) Tenant shall pay the Additional Rent to the Landlord within ten (10) days of receipt of the bill from the Landlord. If tenant shall fail to make the payment of any Additional, it shall be deemed an Event of Default. Any Additional Rent shall be absolutely net to Landlord without any abatement, deduction, counterclaim, set-off or offset whatsoever, so that this Lease shall yield, net to Landlord, the amounts payable as Base Rent and Additional Rent attributable to a period falling within the Term.

**Late Charges**

In the event that any payment of Base Rent or Additional Rent shall become overdue for thirty (30) days beyond the date on which it is due and payable pursuant to this Lease, a late charge on the sums so overdue equal to one and one-half (1 1/2%) percent per month, for the period from the due date to the date of actual payment.

42. **Security.**

   A. Tenant has deposited with the Owner the sum of $20,000.00 which shall be applied to total security deposit of $160,000.00, thereby leaving a balance due by August 7, 2015 of $140,000.00. Modifying paragraph 31 of the printed part of the lease and notwithstanding anything contained herein, Owner and Tenant agree that the security deposit shall be adjusted annually so that the security deposited with Owner shall always equal four times the current monthly base rent. On each anniversary date of the commencement of the term of this lease, tenant will deposit with Owner the additional sum as security required so that the total security deposit shall be equal to four times the then current monthly base rent.

   B. Notwithstanding paragraph 32 of this Lease, Landlord shall have sixty (60) days upon which to return Tenant's security deposit, or any portion remaining therein, upon Tenant's delivery of the Demised Premises to Landlord and its satisfactory compliance with the terms and conditions contained in this Lease.

   C. It is agreed and understood by the parties hereto that the Tenant has made application for one of five New York State medical marijuana licenses. The parties anticipate that the State of New York will render its decision as to the award of the licenses on or before August 7, 2015. In the event Tenant is not awarded one of the five medical marijuana licenses by the state, then the parties agree that the $20,000 good faith deposit that has been paid herewith shall be forfeited and this lease will become null and void and of no further force and effect and Tenant will have no further obligations to Landlord.

43. **Additional Rent; Late Charges.**

   A. As used in this lease, "Additional Rent" (whether capitalized or not) shall be and consist of all sums of money, costs, expenses, or charges of any kind or amount whatsoever (other than Base Annual Rent) which Tenant assumes or agrees to pay, or which become due and payable by Tenant to Owner pursuant to this lease. If Tenant fails to pay any Additional Rent, Owner shall have the same rights and remedies under this lease as in the case of non-payment of Base Annual Rent.

   B. Whenever Tenant is required by the terms of this lease and the Riders thereto to pay to Owner a sum of money and payment is not made within ten (10) days after the same becomes due, a late charge shall be imposed on said sum or so much thereof as shall be unpaid, from the date it becomes due until it is paid. Such late charge shall be equal to $25.00 or five (5%) percent of the sum of money that was not paid within the ten (10) days from the due date per month. In addition, in the event the Tenant owes the Landlord in excess of one month base rent, or in the event the Tenant has timely failed to comply with any nonmonetary obligation as provided for by this Lease, then the Owner shall, upon twenty (20) days written notice to cure to the Tenant, have the right to terminate this Lease and exercise its options set forth in paragraphs "17(1)" and "17(2)" herein, which said paragraphs the Tenant hereby acknowledges having read and being fully familiar with.

   C. Tenant will be charged $250.00 Dollars as additional rent, for service of a three (3) day Notice of Default. To save this fee, rent must be received prior to the 10th of each month.

   D. In the event Tenant's check is dishonored by Landlord's bank due to insufficient funds, Tenant shall be responsible for a $100.00 fee each time, which fee shall constitute additional rent. Landlord reserves the right to demand certified or bank funds in payment of rent if Tenant "bounces" three (3) checks in any rental year.

44. **Renovations, Alterations and Improvements.**

   A. If Tenant desires to perform any renovations, alterations, and improvements of any kind or nature in the premises during the term of this lease, as long as it affects the structural integrity of the Demised Premises or the building (hereinafter referred to as "Tenant's Work"), it will do so in accordance with Owners' written approval process which shall include among other things, an escrow to be deposited for the faithful performance and appropriate New York City agency sign-off of the work, and only in accordance with plans and specifications which are first submitted to and approved by Owner. Said approval shall not be deemed Owner's consent to any specific contractor or subcontractor to perform said work, as required by Section 3 of the lien law. Said approval will be given merely for the convenience of the Tenant. Owner shall provide Tenant with its comments on the proposed work no more than ten (10) business days after its receipt of Tenant's plans and Tenant shall provide Owner with revised plans, at least three (3) business days prior to the commencement of Tenant's Work. Incorporating Owner's comments. If Owner and Tenant cannot agree on the scope, nature and manner of Tenant's Work, Owner's
decision shall prevail. If Owner shall approve the plans and specifications for Tenant's Work, Tenant shall, before commencement thereof:

1. Obtain the necessary consents, authorizations, licenses and permits from all federal, state and/or municipal authorities having jurisdiction over such work;

2. Furnish to Owner a copy of the contract made by Tenant with the contractor and/or other person or persons who will perform Tenant's Work, which contract will provide among other things,

   (a) that the work will be done in accordance with the approved plans and specifications and the consents, authorizations and licenses obtained;

   (b) that the contractor or other persons performing the work will look solely to Tenant for payment and will hold Owner and the demised premises and the building containing the demised premises free from all liens and claims of all persons furnishing labor or materials therefor, or both;

   (c) that similar waivers of the right to file Mechanic's Liens shall be obtained from any and all contractors, subcontractors, suppliers and/or materialmen; and copies of said lien waivers given to Owner, prior to any work undertaken or materials fabricated and/or delivered to the building by any said contractor, subcontractor, supplier and/or material man; and

3. Furnish to Owner a certificate or certificates of Workmen's Compensation Insurance covering all persons who will perform Tenant's Work for Tenant or any contractors, subcontractor or any other person.

4. Furnish to Owner an original policy of public liability insurance covering Owner in limits of five hundred thousand ($500,000.00) dollars for injuries or damages to any one person, one million ($1,000,000.00) dollars in any one accident or disaster and one hundred thousand ($100,000.00) dollars with respect to property damage, with an insurance company approved by Owner. Such policy shall be maintained at all times during the progress of Tenant's Work and until completion thereof, and shall provide that no cancellation shall be effective unless ten (10) days' prior written notice has been given to Owner.

B. Tenant agrees to indemnify and save Owner harmless from and against any and all bills for labor performed and equipment, fixtures and materials, furnished to Tenant and from and against any and all liens, bills or claims there for or against the demised premises or the building containing the same and from and against all losses, damages, costs, expenses, suits and claims whatsoever in connection with Tenant's Work. The cost of Tenant's Work shall be paid for by Tenant in such a manner and at such times so that the demised premises and the building containing the same shall at all times be free of liens for labor and material supplied or claimed to have been supplied. Tenant may arrange for removal of any such liens by bonding with a reputable bonding company.

C. In case of any default or threatened default by Tenant under the provisions of this Article 47, Owner, in addition to any other rights and remedies it may have by reason thereof, shall be entitled to a decree specifically enforcing the provisions of this Article and enjoining Tenant from continuing or performing any installation or work which shall have created such default.

D. Notwithstanding any other term or provision in this Lease, Tenant may perform any interior and decor improvements of any kind or nature in the Demised Premises without required Owners consent provided that:

1. such action does not affect the structure or integrity of the Demised Premises:

2. such action complies with Articles 45 and 49 hereof.

45. Insurance.

A. Tenant shall obtain and keep in full force and effect during the term of this lease, or on and after the date in which Tenant receives a medical marijuana license from the State of New York, at its own cost and expense, comprehensive public liability and property damage insurance with a broad form contractual liability endorsement with a minimum limit of liability of $1,000,000.00 for injury or death and damages to any one person, $3,000,000.00 for injury or death arising out of any one occurrence, and $1,000,000.00 for damage to property, naming Owner and Tenant as insured against any and all claims for personal injury, death or property damage occurring in, upon, adjacent to, or connected with the demised premises or any part thereof. In the event that such insurance coverage is not available, then Tenant may substitute for the foregoing similar insurance coverage in the maximum amount obtainable, not to exceed the foregoing minimum limits. Said insurance is to be written by insurance companies of recognized standing, authorized to do business in the State of New York. Tenant shall pay all premiums and charges thereof and upon failure to do so Owner may, but shall not be obligated to make such payments, in which event Tenant agrees to pay the amount thereof to Owner on demand, as additional Rent. Such policies shall contain a provision that no act or omission of Tenant will affect or limit the obligation of the insurance company to pay the amount of any loss sustained and shall be non-cancelable except upon thirty (30) days' advance written notice to Owner. In the event Tenant shall fail to obtain such insurance, Owner may, but shall not be obligated to, obtain the same, in which event the amount of the premium paid shall be paid by Tenant to Owner upon demand as additional Rent. Owner shall have the right at any time and from time to time during the term of this lease on not less than fifteen (15) days' notice to Tenant to require that Tenant increase the amounts and/or types of coverage required to be maintained under this Article to the amounts and/or types of coverages then required of tenants entering into new leases for similar space and usage in the Chelsea area.

B. Each party hereby releases the other party with respect to any claim (including a claim for negligence) which it might otherwise have against the other party for loss, damage or destruction with respect to its property (including rental value or business interruption) occurring during the term of this lease to the extent to which such party is insured under a policy containing a waiver of subrogation or naming the other party as an additional insured, as provided in Article 9 of the printed part of this lease or in this Article 45. If, notwithstanding the recovery of insurance proceeds by either party for loss, damage or destruction of its property (or rental value or business
interruption) the other party is liable to the first party with respect thereto or is obligated under this Lease to make replacement, repair or restoration, then provided the first party’s right of full recovery under its insurance policies is not thereby prejudiced or otherwise adversely affected, the amount of the net proceeds of the first party’s insurance against such loss, damage or destruction shall be offset against the other party’s liability to the first party therefor, or shall be made available to the other party to pay for replacement, repair or restoration, as the case may be.

C. The waiver or subrogation referred to in Section B of this Article 45 shall extend to the agents and employees of each party and, in the case of Tenant, shall also extend to all other permitted occupants of the demised premises, but only if and to the extent that such waiver can be obtained without additional charge (unless such party shall pay such charge). Nothing contained in this Article 45 shall be deemed to relieve either party from any duty imposed elsewhere in this lease to repair, restore or rebuild or to nullify any abatement of Fixed Annual Rent provided for elsewhere in this lease.

D. Any employee of the Building to whom property shall be entrusted by or on behalf of Tenant shall be deemed to be acting as Tenant’s agent with respect to such property and neither Owner nor its agents shall be liable for any damage to such property nor for the loss of or damage to any property of Tenant by theft or otherwise.

E. Tenant shall deliver to Owner a duplicate original “Certificate of Insurance” within seven (7) days from the commencement date of the term of this Lease and a copy of the actual policy which demonstrates that the insurance company acknowledges that the Owner is in fact an additional insured. Failure to so provide Owner with these documents and maintain such insurance shall be deemed a MATERIAL DEFAULT.

46. Certificates by Tenant.

A. At any time and from time to time, Tenant, for the benefit of Owner and the holder of any fee mortgage covering the Land or the Land and Building containing the Demised Premises, on at least five (5) days prior written request by Owner, will deliver to Owner a statement, certifying that this Lease is not modified and is in full force and effect (or if there shall have been modifications that the same is in full force and effect as modified), and stating the modifications, the commencement and expiration dates thereof, the dates to which the Fixed Rent, Additional Rent and other charges have been paid, and whether or not, to the best knowledge of the signers of such statement, there are any then existing defaults on the part of either Owner or Tenant in the performance of any of the covenants and conditions of this Lease, and if so, specifying the default of which the signers of such statement has knowledge.

B. If any prospective mortgagee of the Land, Building or any leasehold interest therein requires, as a condition precedent to issuing its loan, the modification of this Lease in such manner as does not materially lessen Tenant’s rights or increase its obligations hereunder, Tenant shall not delay or withhold its consent to such modification and shall execute and deliver such confirming documents therefore as such mortgagee requires.

47. Holdover, Use and Occupancy.

A. Owner and Tenant acknowledge and agree that should Tenant hold over in possession after the expiration or sooner termination of the original term or of any extended term of this lease, such holding over shall not be deemed to extend the term or renew the lease, but such holding over thereafter shall continue upon the covenants and conditions herein set forth except that the charge for use and occupancy of such holding over for each calendar month or part thereof (even if such part shall be a small fraction of a calendar month) shall be the sum of:

a) 1/12 of the highest annual base rent rate set forth in this lease, times 2.5, plus,

b) 1/12 of all other items of both annual additional rent and miscellaneous additional rent which would have been payable monthly pursuant to this lease, had this lease not expired, which, total sum Tenant agrees to pay to Owner as consideration for Tenant’s use and occupation of the premises promptly upon demand, in full, without set off. Owner and Tenant further understand and agree that all of the foregoing charges for use and occupancy are fair and reasonable charges and shall not be deemed a penalty.

B. It is expressly agreed by Tenant that Tenant shall not have the right to occupy the premises for residential and/or living purposes. Tenant shall not have the right to install any furnishing, fixtures and/or appliances commonly used in residential units, including but not limited to any, beds, bureaus, wardrobes, clothes washers and/or dryers, tubs and/or showers.

C. Notwithstanding anything to the contrary contained in this lease, it is expressly understood and agreed by Tenant that in the event Owner has not received any payment due under this lease within fifteen (15) days from the due date, or in the event that Tenant fails to comply with any nonmonetary obligation set forth in this lease beyond all applicable grace periods, Owner, upon twenty (20) days written Notice To Cure to Tenant, shall have the right to discontinue any and all building services and/or utility services to the demised premises until tenant shall have either vacated the demised premises and surrendered possession thereof or fully complied with said Lease. In addition, Tenant expressly agrees not to commence any action or proceeding against Owner for any loss or damages claimed by Tenant in connection with Owner’s discontinuance of any building service and/or utility service in compliance with this paragraph.

D. It is further understood and expressly agreed by Tenant that if during the term of the lease, Tenant, its representatives, agents, employees and/or invitees and/or the demised premises sustains any injury or damage not caused by the actions and/or inactions of Owner, including but not limited to water damage to the demised premises caused by the actions and/or inactions of other occupants of the building, neither Tenant nor its representatives, agents and/or insurers shall be held liable in any way for any such loss, damage or injury. In addition, Tenant agrees to indemnify and hold harmless Owner, and Owner’s employees, representatives, agents and insurers from and against any and all claims against Owner or its employees, representatives, agents or insurers of whatever nature arising from injury or damage to the Tenant and/or the demised premises, including all legal fees and other litigation costs, provided said injury or damage was not caused by actions and/or inactions of Owner.
E. All of Tenant's agreements contained in this paragraph shall survive the expiration of the lease or sooner termination.

F. Any breach of any of Tenant's obligations referred to in this paragraph shall be an event of substantial default under this Lease and the Owner shall have the remedies provided herein together with any other remedy under law or equity. Owner shall have the remedies provided herein.

48. Condition of Demised Premises. Tenant shall take possession of the demised premises "as is" condition.

49. Taxes. A copy of the Tax Bill shall be deemed sufficient evidence to warrant this charge. The Tenant shall not be entitled to commence on behalf of the Owner any proceeding to reduce such taxes. Such annual increases shall be payable pro rata in 1/12th monthly payments. Owners failure to bill the Tenant for such additional rent charges shall not in any way be deemed as a waiver of the Tenants obligations herein described.

50. Use of the Demised Premises.

A. Tenant agrees to use, occupy, operate and maintain the demised premises throughout the term of this lease solely as a Medical Marijuana Dispensary and Related Activities and in a manner which shall not detract from the reputation of the Building. No material alterations to the storefront whatsoever may be made at any time during the term of this lease without Owner's prior written consent.

G. Tenant, at Tenant's expense, shall keep the Demised Premises in good order, shall cause the Demised Premises and the foyer, store front, the entrance doors and all glass surfaces (interior and exterior) and any service entrance area to be cleaned at regular intervals (but not less frequently than once a day), shall at all times keep the sidewalk directly in front of the Demised Premises and the area eighteen inches into the street, clean and free of all trash rubbish garbage, dirt, refuse, snow and ice. In addition, Tenant, at Tenant's expense shall not at any time sweep any refuse, rubbish or dirt into the gutters or streets, shall cause Tenant's refuse and rubbish to be removed regularly and before it becomes a nuisance, by a private garbage collection company at Tenant's expense. Tenant shall cause the removal of such refuse and rubbish and shall comply with any and all regulations and requirements as, in Owner's reasonable judgment, are necessary for the proper maintenance operation of the building. In the event the Tenant or Owner are issued a violation for rubbish outside the demised Premises by the New York City Department of Sanitation or other New York City agency having jurisdiction thereunder. Tenant shall be solely responsible to answer said violation and pay any applicable fines or penalties that may be due. In the event
Owner is forced to pay fine due to Tenant's default. Tenant shall be responsible for the fine plus an administrative charge of $250.00, both of which shall constitute additional rent.

H. Tenant shall not do or permit any act or thing to be done in the Demised Premises which would subject Owner to any liability or responsibility for injury or damages to persons or property or to any liability by reason of any violation of law or of any legal requirement of public authority, but shall exercise such control over the Demised Premises as to protect Owner against any such liability. Tenant agrees to indemnify and save harmless Owner from and against: (a) all claims of whatever nature against Owner arising from any act on the part of Tenant, its contractors, agents, licensees, invitees, employees; and (b) any breach by Tenant of any act required to be fulfilled herein or any act Tenant is refrained from committing herein. This indemnity shall include all liability, fines, suits, demands, and costs and expenses of same, including but not limited to all costs to discharge and vacate any and all mechanic's liens which may be filed against the Building by persons employed by Tenant, and to any and all attorney's fees.

I. In the event any air-conditioning equipment is, or becomes installed in the Demised Premises, whether window type or otherwise, Tenant agrees that, in either making, servicing, repairing, or maintaining such installation, Tenant will comply with all applicable laws, ordinances, regulations, orders and/or requirements of any governmental party asserting jurisdiction, as well as all requirements of the New York Board of Fire Underwriters. Tenant will pay any and all taxes and fees that may be payable by either Owner or Tenant in connection with the installation, regular servicing and repair maintenance and/or use of such air conditioning equipment. Tenant will install, service, repair, maintain and remove said equipment at its own cost and expense and will repair any and all damage caused by such installation, maintenance or removal. Additionally, Tenant agrees to hold Owner harmless and indemnify Owner from any claim, demand, loss, damage or expense which may be made against or imposed upon Owner by any third party by reason of Tenant's installation, maintenance, misuse or removal of such air conditioning equipment.

J. Tenant shall not obstruct the sidewalk or curbs abutting the Building or other entrances to the Building or any loading areas.

51. **Operation of Business.** Tenant agrees to be open for business and to operate in the demised premises during the entire term of this lease, and to conduct its business at all times in a reputable, respectful manner with due regard to the nature of the business and medical necessity for its patrons in New York County, maintaining at all times a reasonable staff of employees and a reasonable stock of merchandise. Failure by Tenant to be open for business and to operate shall entitle Owner in addition to other remedies provided in this lease, to mandatory injunctive relief. Tenant, at Tenant's expense, shall promptly comply with all present and future laws, ordinances, orders, rules, regulations and requirements of all governmental authorities having jurisdiction, affecting or applicable to the demised premises or the cleanliness, safety, occupancy and use of the same, whether or not any such law, ordinance, order, rule, regulation or requirement is substantial, or foreseen or unforeseen, or ordinary or extraordinary, provided, however, that nothing herein shall require Tenant to make structural repairs or alterations unless Tenant has by its manner of use of the demised premises or method of operation therein violated any such laws, ordinances, orders, rules, regulations and requirements. If compliance therewith would materially interfere with the use and enjoyment of the demised premises, then Tenant may terminate this lease upon thirty (30) days' notice to Owner. Tenant shall not do or permit anything to be done in or about the demised premises, or bring anything therein, which will in any way conflict with any such present or future law, ordinance, order, rule, regulation or requirement affecting the occupancy or use of the demised premises or the Building which is or may thereafter be enacted or promulgated by governmental authorities or in any way obstruct or interfere with the rights of Owner, its agents, licensees and invitees. No auction, liquidation, going out of business, fire or bankruptcy sales relating to the business conducted by Tenant on the demised premises, may be conducted or advertised by sign or otherwise in the demised premises. Tenant agrees that it will conduct its business in good faith, and will not do any act prohibited by the terms of this lease which would injure the reputation of the Building as reasonably determined by Owner. Tenant shall not permit noise or odors in the demised premises which, taking into account Tenant's use of the demised premises, are reasonably objected to by Owner or by any tenant or occupant of the Building and, upon notice from Owner, Tenant shall immediately cease and desist from causing such unreasonable noise or odor (as more fully detailed in Articles 46C and 65 herein), and failing of which Owner may deem the same a material breach of this lease. Tenant shall not store anything in service or exit corridors. Tenant agrees that all receiving and delivery of goods and merchandise, and all removal of merchandise, supplies, equipment, trash and garbage, and all storage of trash and garbage, shall be made only by way of or in the areas provided therefor by Owner. Tenant shall not use or permit the use of any portion of the demised premises as sleeping quarters, lodging rooms, or for any unlawful purposes. Tenant shall not install any radio or television or other similar device exterior to the demised premises and shall not erect any aerial on the roof or exterior walls of the Building unless consented to by Owner, which consent shall not be unreasonably withheld or delayed.

52. **Events.** In the event Tenant wishes to host an event at its premises for persons in excess of 25 (excluding regular full or part-time employees of Tenant), Tenant must secure the permission from Landlord to host such an event, and fill-out the necessary form(s) to be provided by Landlord and to be returned to Landlord prior to said event. Among required items, if applicable, Tenant shall be obligated to provide a security person at the site to ensure the safety of Tenant's guests as well as the premises and building.

53. **Pets.** No dogs or cats shall be permitted in the premises at any time, except by express permission of the Landlord, which permission may be granted or revoked at any time and for whatever reason. Service animals, as defined by the Americans With Disability Act shall be permitted. The harboring of an animal in the premises, without express permission, shall constitute a nuisance and material breach of Lease.

54. **Extermination.** It shall be the responsibility of Tenant to exterminate at their own cost and expense, maintain their premises in a clean, orderly fashion to control and/or eliminate all rodents, insects, roaches, etc. Notwithstanding, Landlord shall be responsible for common area extermination. Landlord shall have the right to require reasonable pest eradication treatments, as necessary under the circumstances, to ensure control or eradication of the infestation to protect Tenant's space as well as other tenants in the building. Failure to adhere to an extermination request by the Landlord shall constitute a nuisance and material breach of this lease.

55. **Termination.** On or after April 1, 2018, Tenant has the right to cancel this agreement with one hundred and eighty (180) days prior written notice to Owner.

56. **Third Party.** The Tenant acknowledges that the demised Premises are currently occupied by third-parties and that the Landlord may not be able to deliver possession of the Premises to the Tenant on the Lease commencement date in which case the terms of the paragraph "24" of the Lease shall govern.
57. **Square Footage.** Tenant acknowledges and understands that the square footage quoted by the Owner for the subject premises is a reasonable approximation of same. Furthermore, this figure includes Tenant's pro-rata share of the common areas of the floor on which the subject premises are located, if any, and Tenant has a duty to measure and investigate same. Tenant further understands that by signing this Lease it waives any objections to alleged miscalculations or misrepresentations of the square footage by Owner.

58. **Electricity.** Tenant agrees and understands that Tenant shall contract directly with and pay directly to Con Edison for the utility service (i.e., gas and electricity) consumed by the demised premises.

59. **Garbage.** Tenant agrees that it will contract for their trash removal with an independent carter. Tenant may not throw their refuse in hallway or building trash containers or containers belonging to other tenants. Landlord reserves the right to request from Tenant their contract or other satisfactory evidence to Landlord that Tenant's trash is being removed. If satisfactory proof is not provided to Landlord within five (5) days of Landlord's request, Landlord shall have the right to contract with a carrier on Tenant's behalf and bill tenant the cost of trash removal, plus a $35.00 per month administrative fee, both of which shall constitute additional rent. If any citations or violations are issued due to Tenant's use, Tenant agrees that they are responsible for all fines and fees assessed.

60. **Air Conditioning.** In the event any air conditioner equipment is, or becomes installed in the Demised Premises, whether window type or otherwise, Tenant agrees that, in either making or maintaining such installation, Tenant will comply with all applicable laws, ordinances, regulations, orders and/or requirements of any governmental party asserting jurisdiction, as well as all requirements of the New York Board of Fire Underwriters. Tenant will pay any and all taxes and fees that may be payable by either Owner or Tenant in connection with the installation, maintenance and/or use of such air conditioning equipment. Tenant will install, maintain and remove said equipment at its own cost and expense and will repair any damage caused by such installation, maintenance or removal. Additionally, Tenant agrees to hold Owner harmless and indemnify Owner from any claim, demand, loss, damage or expense which may be made against or imposed upon Owner by any third party by reason of Tenant's installation, maintenance, misuse or removal of such air conditioning equipment.

61. **Tax Identification.** The Tenant's Federal Tax Identification Number or Social Security Number (s) is (are) 46-5011058.

62. **Documentation.** Upon written request from Landlord, Tenant shall promptly provide to Landlord copies of all licenses, permits, certificates, Department of the Buildings approved plans, and Certificates of Insurance issued to or on behalf of the tenant by any governmental agency or insurance or indemnity company.

63. **Smoking on Premises.** In accordance with Par. 36 herein, Par. 13 of the Rules and Regulations and the rules and regulations of the New York City Fire Department, NO smoking shall be permitted in the premises or within the building at anytime whatsoever. Smoking will only be allowed outside the building on the street. In the event a Tenant, or its employee, agent or servant is found to be smoking in the premises or building, Tenant shall be responsible for a penalty of $250.00 for the initial time, which amount Tenant agrees to pay as additional rent. Tenant agrees to pay $500.00 as additional rent for each infraction thereafter. In addition to the imposition of the aforementioned penalties, Landlord reserves its right under this Lease to take any and all other appropriate action.

64. **Access to Basement.** Tenant understands that located within the basement of the Demised Premises is equipment which is critical to the operation of other businesses located in the building. Tenant hereby agrees to provide service personnel designated by the Owner unfettered access to the basement area of the demised premises containing the aforesaid equipment during normal business hours and as required in case of emergencies. Failure to comply with such access requirements shall be deemed a substantial breach of the covenants of the Lease between the parties.

65. **Right of Access.** Tenant shall not cause or permit any materials to be stored in such manner as to delay or prevent access to said, service elevator, service passage and stairway by anyone having right to such access.

66. **Noise & Vibration.** Tenant agrees to maintain acceptable and reasonable levels of noise or vibration usually associated with the use and occupancy of the building. Tenant agrees to soundproof the demised premises to maintain said levels. Tenant agrees that Tenant shall not permit said noise or vibration to emanate from the premises. If Owner or any other Tenant or occupant or neighbor reasonably objects to said noise or vibration then, upon written or verbal notice by Owner, Tenant shall either cease and desist from allowing said noise or vibration from emanating from the premises or shall promptly install additional sufficient soundproofing to cause a cessation of the emanation of noise or vibration from the premises. Tenant understands and agrees that failure to comply with this provision is a substantial material breach of this Lease.

67. **Trademark Infringement Activities.** Tenant acknowledges and understands that any use of the subject premises for the purposes of trademark counterfeiting, as defined by New York Penal Law Section 165-71 shall be deemed a material default under this Lease, which will be grounds for the termination of the Lease and eviction of the Tenant.

68. **Notices.** Any notices given under this lease shall be deemed sufficiently given or rendered if in writing, and sent either (a) by personal delivery against written receipt, (b) by Federal Express or other nationally recognized overnight courier service providing evidence of delivery, or (c) by registered or certified mail, return receipt requested, addressed (i) to Owner at Owner's address set forth on the first page of this lease, with a copy to: Howard Dubs, Esq., 89 Fifth Avenue, 10th Floor, New York, New York 10003-3054 or (ii) if to Tenant at Tenant's address set forth on the first page of this Lease, with a copy to, or (iii) to such other address or addresses as either Owner or Tenant may designate as its new address for such purpose by notice given to the others in accordance with the provisions of this Article 44. Any such notice shall be deemed to have been rendered or given either on the date when it shall have been personally delivered against written receipt, one (1) day after the date when it shall have been sent by Federal Express or after the date when it shall have been mailed by registered or certified mail, return receipt requested. The terms of this Paragraph do not apply to rent reminders.

69. **Limitation of Liability.**

A. Tenant shall look only to the Building's Owner's Estate and interest in the building for the satisfaction of any judgment in the event of any default by Owner under this lease, and no other property or assets of Owner shall be subject to levy, execution or other enforcement procedure for the satisfaction of same. The partners, principals and any individual person or persons comprising Owner shall not be liable for the performance of Owner's obligations under this lease.
B. Owner, its agents and employees shall not be liable for any loss, damage, injuries, or other casualty of whatsoever kind or by whomsoever caused, to the person or property of anyone (including Tenant) on or off the demised premises, arising out of or resulting from Tenant's use, possession or operation thereof, or from the installation, existence, use, maintenance, condition, repair, alteration or removal of any equipment thereon, whether due in whole or in part to negligent acts or omissions of Owner, its agents or employees; and Tenant for himself, his heirs, executors, administrators, successors and assigns, hereby agrees to indemnify and hold Owner, its agents and employees, harmless from and against all claims for such loss, damage, injury or other casualty but the terms hereof shall not apply in the event of Owners or Owners' agents' negligence, bad faith or misconduct.

70. Compliance with Laws. Supplementing the provisions of Article 6 of the printed part of this lease hereof, Tenant shall give prompt notice to Owner of any notice it receives of the violation of any law or requirement of any public authority with respect to the demised premises or the use or occupation thereof. Tenant shall promptly comply with all present and future laws, orders and regulations of all state, municipal and local governments, departments, commissions and boards of any direction of any public officer pursuant to law, and all orders rules and regulations of the New York Board of Fire Underwriters, Department of Buildings, Environmental Control Board, or any similar body which shall impose any violation, order or duty upon Owner or Tenant with respect to the demised premises (in which event Tenant shall effect such compliance at its sole cost and expense) or the building (in which event, notwithstanding anything herein to the contrary, Owner shall effect such compliance but Tenant shall promptly pay Tenant's percentage of the cost thereof).

71. Particular Covenants of the Parties.

A. Notwithstanding Article 9 of the printed part of this lease, Owner, in the event of destruction of the Demised Premises as a result of fire or other casualty, shall restore the Demised Premises. Owner need not comply with this duty to restore to the extent that any insurance proceeds received by Owner as a result of such fire or other casualty shall not be sufficient to pay for the reasonable cost of restoration of all damage or destruction to the building in which the demised premises are located.

B. Notwithstanding Article 36 of the printed part of the lease, Tenant shall promptly replace, at its sole cost and expense, all plate and other glass damaged or broken from any cause whatsoever in or about the premises.

72. Brokerage. Owner and Tenant represent and warrant to the other that they have dealt with no brokers in connection with this lease, and Owner and Tenant do hereby agree to indemnify and hold the other harmless of and from any and all loss, costs, damage or expense (including, without limitation, reasonable attorney's fees and disbursements) incurred by the other by reason of a breach of the foregoing representation.

73. Indemnification of Owner. Tenant shall indemnify and save harmless Owner and Owner's agents against and from (i) any and all claims against Owner or such agents of whatever nature arising from any act, omission or negligence of Tenant, its contractors, licensees, agents, servants, employees, invitees or visitors; (ii) any claims against Owner or such agents arising from any accident, injury or damage whatsoever caused to any person or to the property of any person and occurring during the terms of this Lease in or about the demised premises, or occurring outside of the demised premises but anywhere within or about the Land or the Building, where such accident, injury or damage results or is claimed to have resulted from any act, omission or negligence of Tenant or Tenant's agents, employees, invitees or visitors; (iii) any breach, violation or non-performance of any covenant, condition or agreement in this Lease set forth and contained on the part of Tenant to be fulfilled, kept, observed and performed; and (iv) any cost, liability or responsibility for the payment of any sales tax with respect to any installations, furniture, furnishings, fixtures or other improvements located, installed or constructed in the demised premises, or the filing of any tax return in connection therewith (although Owner agrees to execute any such return if required by law) regardless of whether such tax is imposed upon Owner or Tenant. This indemnity and hold harmless agreement shall include indemnity from and against any and all liability, fines, suits, demands, costs and expenses of any kind or nature incurred in or in connection with any such claim or proceeding brought thereon, and the defense thereof; and shall not apply in the event of Owner's or Owner's Agent's negligence, bad faith or misconduct.

74. Liens. Notwithstanding any other provision in the Lease regarding the Tenant's rights, privileges or obligations, if any, to make any alterations, additions, improvements or repairs the Tenant expressly acknowledges and agrees that the demised premises shall not be subject to liens for non-trade fixtures and improvements made by Tenant, and Tenant shall have no authority to create any liens for labor, materials or equipment upon the Owner's interest in the demised premises, but only upon its own personality. In the event that any labor, materials or equipment are furnished to the Tenant on the demised premises for which any mechanic's lien might otherwise be filed against the demised premises or the Owner's interest hereon, the Tenant agrees:

(a) To notify a contractor furnishing labor of materials for any improvements or repairs that the interest of the Owner is not subject to mechanic's liens;

(b) To take appropriate action prior to the furnishing of any labor or materials to assure that no such lien shall be filed;

(c) To pay, when due, all sums of money which may be due any contractor, subcontractor, mechanic, laborer or materials for any labor or materials; to cause any lien or purported lien to be fully discharged and released promptly upon receiving notice thereof; and to indemnify the Owner against all legal costs and charges, including attorney fees reasonably incurred in and about the defense of any suit in discharging the demised premises or any part thereof from any lien, judgments, encumbrances or costs caused by the Tenant or anyone acting on the Tenant's behalf; and

(d) The Owner reserves the right before approving any structural improvements, changes, additions, or alterations to require the Tenant to furnish a good and sufficient bond conditioned that the Tenant will save the Owner harmless from the payment of any claims either in law or equity by way of damages or mechanic's liens, foreclosure actions or otherwise, including all reasonable attorney fees and costs. The Owner's reservation of the absolute right to require such a bond in no way shall be construed as a waiver allowing the demised premises to be subject of mechanic's or other liens. The Tenant, as well as all contractors, laborers and materialmen who may furnish any labor, materials or otherwise contribute to the improvement of the subject property shall be estopped to deny that any and all mechanic's liens or other liens are prohibited and shall not attached to the interest(s) of the Owner. The Tenant consents to
the recording, in the public records of the county in which the demised premises are located of the language of this paragraph in any form permitted by New York Law and further agrees to execute, when requested, any shortened or modified form of lease showing in substance the provisions of this paragraph. All persons, whether contractors, subcontractors, mechanics, materialmen, or others, who contract with the Tenant for the destruction or removal of any building or for the erection, installation, alteration or repair of any building or other improvements upon the demised premises are hereby charge with notice that they must look to the Tenant and the Tenant’s interest only in the above-described property to secure the payment for work performed or material furnished during the term of this lease.

75. **Owner Representation.** Owner represents upon which warranty and representation the Tenant has relied in the execution of this lease, that (i) the Owner has the full right and lawful authority to execute this lease for the term, in the manner and upon the conditions and provisions herein contained and the no consent to same is required and (ii) there is no default existing on the subject premises or, on the part of any of the parties hereto.

76. **Tenant Access.** The Tenant shall have access to and the right to use any existing drains, vents, water and sewer and waste lines and facilities and existing ducts, chimneys, stacks, flues, signs and sign structures, air conditioning and exhaust facilities and the like which may, in whole or in part, service the demised premises as long as Tenant maintains such.

77. **Forms, Applications and Permits.** The Owner agrees that it shall fully cooperate with the Tenant and execute all forms, applications and permits that the Tenant shall request the Owner to sign in order that the Tenant may operate its business at the premises as it intends.

78. **Assignment/Sublet.**

A. Tenant shall have the right to assign the Lease to a corporation or other legal entity with the Owner’s prior written consent, which shall not be unreasonably withheld or denied so long as Tenant shall be a majority shareholder or owner in said corporation or entity subject to the terms and conditions as stated below. In the event the assignment is to an entity in which Tenant is not a majority shareholder or owner, Tenant agrees that all monies including “Key money” received from the assignee in excess of the Base Monthly Rent due under the Lease, shall be divided equally with the Owner. Each and every assignment shall be documented by an Assignment instrument in a form acceptable to Owner, or shall be prepared by Owner in conformity with the terms and conditions as stated in subsection (E) and (J) below. In each instance of an assignment, Tenant shall be subject to a review and/or document preparation fee of $250.00. Said fee shall be due owner regardless of whether or not assignment ultimately occurs.

B. Tenant expressly covenants and agrees that (i) if Tenant is a corporation, a transfer of more than fifty percent (50%) at any one time or, in the aggregate from time to time of the shares of any class of the issued and outstanding stock of Tenant, its successors or assigns, or the issuance of additional shares of any class of its stock to the extent of more than 50% of the number of shares of said class of stock issued and outstanding at the time that it became the tenant hereunder or (ii) if Tenant is a partnership, limited liability company, unincorporated association of other entity, the sale or transfer of more than 50% of the partnership, membership, joint venture, unincorporated association interests or other form of beneficial interests of Tenant, its successor or assigns, shall constitute an assignment of this lease and, unless in each instance the prior written consent of Owner has been obtained, shall constitute a default under this lease and shall entitle Owner to exercise all rights and remedies provided for herein in the case of default. Notwithstanding the foregoing provision of this Section, transfer of stock in a corporation whose shares are traded in the “over-the-counter” market or any unrecognized national securities exchange shall not constitute an assignment for purposes of this lease, provided that the principal purpose of such transfer or transfer is not to avoid restrictions on assignment otherwise applicable under this section.

C. If Tenant is a corporation, limited liability company, partnership or similar entity, Owner’s consent shall not be unreasonably withheld with respect to an assignment of the lease to an Affiliate of Tenant, provided that (1) Owner be provided with the names of the principals of the assignee, including any information necessary for Owner to conduct a credit check, (2) the assignee is a reputable entity of good character, (3) a duplicate original instrument of assignment in form and substance reasonably satisfactory to Owner, duly executed by Tenant, shall have been delivered to Owner or at least ten (10) days prior to the effective date of any such assignment, (4) an instrument in form and substance satisfactory to Owner, duly executed by the assignee, in which such assignee assumes (as of the Commencement Date) observance and performance of, and agrees to be personally bound by, all of the terms, covenants and conditions of this lease on Tenant’s part to be performed and observed shall have been delivered to Owner not more than ten (10) days after the effective date of such assignment, (5) such assignment is for legitimate business purpose and not principally for the purpose of avoiding the restrictions on assignment otherwise applicable under this section, (6) such assignee has a net worth computed in accordance with generally accepted accounting principles at least equal to the greater of the net worth of Tenant on the date of this Lease and the net worth of Tenant immediately prior to such assignment and (7) the principals of the assignee agree to execute a guarantee for the payment of Fixed Base Monthly Rent and Additional Rent containing the same language contained in Tenant’s lease. For the purposes of this Article: an “affiliate” of Tenant named herein shall mean any corporation, partnership or other business entity (i) which controls or is controlled by, or is under common control with Tenant or (ii) the stock or other ownership interests of which are at least owned fifty (50%) percent by principals of EMPIRE STATE COMPASSIONATE CARE, INC.

D. If this lease be assigned, whether or not in violation of the provisions of this lease, Owner may collect rent from the assignee. If the Demised Premises are sublet or used or occupied by anybody other than Tenant, whether or not in violation of this lease, Owner may collect rent from the subtenant or occupant. In either event, Owner may apply the net amount collected to the Fixed Rent and Additional Charges herein reserved, but no such assignment, subletting, occupancy or collection shall be deemed a waiver of any of the provision of this section or the acceptance of the assignee, subtenant or occupant as tenant, or a release of Tenant from the performance by Tenant of Tenant’s obligation under this lease. The consent by Owner to a particular assignment, mortgaging, subletting or use or occupancy by others shall in any way be considered a consent by Owner to any other or further assignment, mortgaging or subletting or use or occupancy by others not expressly permitted by this Article 40. References in this lease to use or occupancy by others (that is, anyone other than Tenant) shall not be
construed as limited to subtenants and those claiming under or through subtenants but shall also include licensees and others claiming under or through Tenant, immediately or remotely.

E. Any assignment or transfer, whether made with or without Owner's consent shall be made only if, and shall not be effective until, the assignee shall execute, acknowledge and deliver to Owner and agreement in form and substance reasonably satisfactory to Owner whereby the assignee shall assume the obligations of this lease on the part of Tenant to be performed or observed and whereby the assignee shall agree that the provisions in this paragraph subsection A shall, notwithstanding such assignment or transfer, continue to be binding upon it in respect of all future assignments and transfers. The original named Tenant covenants that, notwithstanding any assignment or transfer, whether or not in violation of the provisions of this lease, and notwithstanding the acceptance of Fixed Rent and/or Additional Charges by Owner from an assignee, transferee, or any other party, the original named Tenant shall remain fully liable for the payment of the Fixed Rent and Additional Charges and for the other obligations of this lease on the part of Tenant to be performed or observed.

F. The joint and several liability of Tenant and any immediate or remote successor in interest of Tenant and the due performance of the obligations of this lease on Tenant's part to be performed or observed shall not be discharged, released or impaired in any respect by any agreement or stipulation made by Owner extending the time of, or modifying any of the obligations of, this lease or by any waiver or failure of Owner to enforce any of the obligations of this lease.

G. The listing of any name other than that of Tenant, whether on the doors of the Demised Premises or the Building directory, or otherwise, shall not operate to vest any right or interest in this lease or in the Demised Premises, nor shall it be deemed to be the consent of Owner to any assignment or transfer of this lease or to any sublease of the Demised Premises or to the use or occupancy thereof by others.

H. Notwithstanding anything to the contrary contained in this Section, if Tenant shall at any time or times during the term of this lease desire to assign this lease, Tenant shall give notice thereof to Owner, which notice shall be accompanied by (i) a conforming or photostatic copy of the proposed assignment, or a term sheet therefor, the effective or commencement date of which shall be at least 30 days after giving such notice, (ii) a statement setting forth in reasonable detail the identity of the proposed assignee, the nature of its business and its proposed use of the Demised Premises, and (iii) current financial information with respect to the proposed assignee, including, without limitation, its most recent certified financial statements, if such financial statements are certified (or, if not certified by the chief financial officer of the proposed assignee as being true and correct), the past two (2) years of Federal tax returns and appropriate information for Owner to obtain a credit report. Such notice shall be deemed an offer from Tenant to Owner whereby Owner (or Owner's designee) may, at its option, terminate this lease (if the proposed transaction is an assignment). Said option may be exercised by Owner by notice to Tenant at any time within 30 days after such notice has been given by Tenant to Owner; and during such 30-day period Tenant shall not assign this lease to any person or entity.

I. If Owner exercises its option to terminate this lease in the case where Tenant desires to assign this lease, then this lease shall end and expire on the date that such assignment was to be effective or commence, as the case may be, the Fixed Rent and Additional Charges shall be paid and apportioned to such date and Owner shall return to Tenant the Security, or any portion thereof remaining in Owner's possession to Tenant in accordance with the provisions of this section.

J. In the event Tenant shall have complied with the provisions of this Section and Owner does not exercise its options to terminate this lease, and provided that Tenant is not in default in any of Tenant's obligations under this lease beyond the expiration of any applicable notice and/or cure period, either at the time Owner's consent to such assignment is requested or on the effective date of any such assignment, Owner's consent (which must be in writing and in form satisfactory to Owner) to the proposed assignment shall not be unreasonably withheld, provided and upon conditions that:

(i) In Owner's judgment the proposed assignee is engaged in a business and the Demised Premises will be used in a manner which is limited to the use expressly permitted under the Use section of this Lease;

(ii) The proposed assignee is a reputable person of good character whose tenancy shall comport with the first class character of the Building, having a net worth satisfactory to Owner considering the responsibility involved;

(iii) Neither (A) the proposed assignee nor (B) any person which, directly or indirectly, controls, is controlled by, or is under common control with, the proposed assignee or any person who controls the proposed assignee, is (x) then an occupant of any part if the Building or (y) a person with whom Owner is then negotiating to lease space in the Building;

K. In the event that (i) Owner fails to exercise any of its options under this paragraph subsection H, and consents to a proposed assignment, and (ii) Tenant fails to execute and deliver the assignment to which Owner consented within 45 days after the giving of such consent, then, Tenant shall again comply with all of the provisions and conditions under this paragraph subsection H before assigning this lease or subletting all or part of the Demised Premises.

L. It is agreed that the Tenant may sublet the premises or a portion of same with the prior written consent of the Owner. In the event any sub-lease is approved by Owner, Tenant agrees that all monies including "key money" received from the sub-tenant in excess of the base monthly rent due under the Lease shall be split equally with Owner. Each and every sublet shall be documented by a Sublet instrument in a form acceptable to Owner, or shall be prepared by Owner. In each instance of a sublet, Tenant shall be subject to a review and/or document preparation fee of $250.00. Said fee shall be due owner regardless of whether or not sublet ultimately occurs.

79. Miscellaneous

A. Sales: Tenant may not conduct any sales, marketing or promotional activities on the sidewalks or street adjacent to the Premises and/or building, including the use of "street hawkers" or the distribution of flyers without first
obtaining the prior written consent of the Landlord. Said consent shall be at the sole and absolute discretion of the Landlord, which consent may be withheld for any reason or no reason whatsoever. If Tenant uses or suffers the use of the Premises for a prohibited purpose, Tenant acknowledges that Landlord will incur an actual and substantial detriment if a deviation in use occurs. Tenant shall promptly discontinue such use upon notice by the Landlord. In the event of a breach by Tenant which remains uncured for two (2) days after notice, Landlord may remove at any time, without further notice to Tenant or any other party and may charge the expense incurred by Landlord for such removal to Tenant, which payment shall constitute additional rent and become due and payable to Landlord upon demand.

Modifying paragraph 31 of the printed part of the lease and notwithstanding anything contained herein, Owner and Tenant agree that the security deposit shall be adjusted annually so that the security deposited with Owner shall always equal four times the current monthly base rent. On each anniversary date of the commencement of the term of this lease, tenant will deposit with Owner the additional sum as security required so that the total security deposit shall be equal to four times the then current monthly base rent.

   B. Notwithstanding paragraph 32 of this Lease, Landlord shall have sixty (60) days upon which to return Tenant’s security deposit, or any portion remaining therein, upon Tenant’s delivery of the Demised Premises to Landlord and its satisfactory compliance with the terms and conditions contained in this Lease.

   C. It is agreed and understood by the parties hereto that the Tenant has made application for one of five New York State medical marijuana licenses. The parties anticipate that the State of New York will render its decision as to the award of the licenses on or before August 7, 2015. In the event Tenant is not awarded one of the five medical marijuana licenses by the state, then the parties agree that the $20,000 good faith deposit that has been paid heretofore shall be forfeited and this lease will become null and void and of no further force and effect and Tenant will have no further obligations to Landlord.

43. Additional Rent: Late Charges.
   A. As used in this lease, “Additional Rent” (whether capitalized or not) shall be and consist of all sums of money, costs, expenses, or charges of any kind or amount whatsoever (other than Base Annual Rent) which Tenant assumes or agrees to pay, or which become due and payable by Tenant to Owner pursuant to this lease. If Tenant fails to pay any Additional Rent, Owner shall have the same rights and remedies under this lease as in the case of non-payment of Base Annual Rent.

   B. Whenever Tenant is required by the terms of this lease and the Riders thereto to pay to Owner a sum of money and payment is not made within ten (10) days after the same becomes due, a late charge shall be imposed on said sum or so much thereof as shall be unpaid, from the date it becomes due until it is paid. Such late charge shall be equal to $250.00 or five (5%) percent of the sum of money that was not paid within the ten (10) days from the due date per month. In addition, in the event the Tenant owes the Landlord in excess of one month base rent, or in the event the tenant has timely failed to comply with any nonmonitory obligation as provided for by this lease, then the Owner shall, upon twenty (20) days written notice to cure to the Tenant, have the right to terminate this lease and exercise its options set forth in paragraphs “17(1)” and “17(2)” herein, which said paragraphs the Tenant hereby acknowledges having read and being fully familiar with.

   A. If Tenant desires to perform any renovations, alterations, and improvements of any kind or nature in the premises during the term of this lease, as long as it affects the structural integrity of the Demised Premises or the building (hereinafter referred to as “Tenant’s Work”), it will do so in accordance with Owners’ written approval process which shall include among other things, an escrow to be deposited for the faithful performance and appropriate New York City agency sign-off of the work, and only in accordance with plans and specifications which are first submitted to and approved by Owner. Said approval shall not be deemed Owner’s consent to any specific contractor or subcontractor to perform said work, as required by Section 3 of the lien law. Said approval will be given merely for the convenience of the Tenant. Owner shall provide Tenant with its comments on the proposed work no more than ten (10) business days after its receipt of Tenant’s plans and Tenant shall provide Owner with revised plans, at least three (3) business days prior to the commencement of Tenant’s Work, incorporating Owner’s comments. Such policy shall be maintained at all times during the progress of Tenant's Work and until completion thereof, and shall provide that no cancellation shall be effective unless ten (10) days prior written notice has been given to Owner.

B. Tenant agrees to indemnify and save Owner harmless from and against any and all bills for labor performed and equipment, fixtures and materials, furnished to Tenant and from and against any and all liens, bills or claims there for or against the demised premises or the building containing the same and from and against all losses, damages, costs, expenses, suits and claims whatsoever in connection with Tenant's Work. In the event Tenant shall fail to obtain such insurance, Owner may, but shall not be obligated to, obtain the same, in which event the amount of the premium paid shall be paid by Tenant to Owner upon demand as additional Rent. Owner shall have the right at any time and from time to time during the term of this lease on not less than fifteen (15) days' notice to Tenant to require that Tenant increase the amounts and/or types of coverage required to be maintained under this Article to the amounts and/or types of coverages then required of tenants entering into new leases for similar space and usage in the Chelsea area.

D. If, notwithstanding the recovery of insurance proceeds by either party for loss, damage or destruction of its property (or rental value or business
interruption) the other party is liable to the first party with respect thereto or is obligated under this lease to make replacement, repair or restoration, then provided the first party's right of full recondition under its insurance polices is not thereby prejudiced or otherwise adversely affected, the amount of the net proceeds of the first party's insurance against such loss, damage or destruction shall be offset against the other party's liability to the first party therefor, or shall be made available to the other party to pay for replacement, repair or restoration, as the case may be.

C. The waiver of subrogation referred to in Section B of this Article 45 shall extend to the agents and employees of each party and, in the case of Tenant, shall also extend to all other permitted occupants of the demised premises, but only if and to the extent that such waiver can be obtained without additional charge (unless such party shall pay such charge). A. Owner and Tenant acknowledge and agree that should Tenant hold over in possession after the expiration or sooner termination of the original term or of any extended term of this lease, such holding over shall not be deemed to extend the term or renew the lease, but such holding over thereafter shall continue upon the covenants and conditions herein set forth except that the charge for use and occupancy of such holding over for each calendar month or part thereof (even if such part shall be a small fraction of a calendar month) shall be the sum of:

In addition, Tenant expressly agrees not to commence any action or proceeding against Owner for any loss or damages claimed by Tenant in connection with Owner's discontinuance of any building service and/or utility service in compliance with this paragraph.

A copy of the Tax Bill shall be deemed sufficient evidence to warrant this charge. The Tenant shall not be entitled to commence on behalf of the Owner any proceeding to reduce such taxes. Such annual increases shall be payable pro rata in 1/12th monthly payments. Tenant agrees to soundproof the demised premises to maintain said levels. Tenant agrees that Tenant shall not permit said noise or vibration to emanate from the premises. If Owner or any other Tenant or occupant or neighbor reasonably objects to said noise or vibration then, upon written or verbal notice by Owner, Tenant shall either cease and desist from allowing said noise or vibration and/or emanating from the premises or shall promptly install additional sufficient soundproofing to cause a cessation of the emanation of noise or vibration from the premises. Tenant understands and agrees that failure to comply with this provision is a substantial and material breach of this Lease.

66. **Trademark Infringement Activities.** Tenant acknowledges and understands that any use of the subject premises for the purposes of trademark counterfeiting, as defined by New York Penal Law Section 165-71 shall be deemed a material default under this Lease, which will be grounds for the termination of the Lease and eviction of the Tenant.

Any such notice shall be deemed to have been rendered or given either on the date when it shall have been personally delivered against written receipt, one (1) day after the date when it shall have been sent by Federal Express or after the date when it shall have been mailed by registered or certified mail, return receipt requested. The terms of this Paragraph do not apply to rent reminders.

70. Particular Covenants of the Parties.

A. Notwithstanding Article 9 of the printed part of this lease, Owner, in the event of destruction of the Demised Premises as a result of fire or other casualty, shall restore the Demised Premises. Owner need not comply with this duty to restore to the extent that any insurance proceeds received by Owner as a result of such fire or other casualty shall not be sufficient to pay for the reasonable cost of restoration of all damage or destruction to the building in which the demised premises are located.

B. Notwithstanding Article 36 of the printed part of the lease, Tenant shall promptly replace, at its sole cost and expense, all plate and other glass damaged or broken from any cause whatsoever in or about the premises.

71. Brokerage. This indemnity and hold harmless agreement shall include indemnity from and against any and all liability, fines, suits, demands, costs and expenses of any kind or nature incurred in or in connection with any such claim or proceeding brought thereon, and the defense thereof; but shall not apply in the event of Owner's or Owner's Agent's negligence, bad faith or misconduct.

73. Leases. Notwithstanding any other provision in the Lease regarding the Tenant's rights, privileges or obligations, if any, to make any alterations, additions, improvements or repairs the Tenant expressly acknowledges and agrees that the demised premises shall not be subject to liens for non-trade fixtures and improvements made by Tenant, and Tenant shall not have any authority to create any liens for labor or material upon the Owner's interest in the demised premises, but only upon its own personality. In the event that any labor, materials or equipment are furnished to the Tenant on the demised premises for which any mechanic's lien might otherwise be filed against the demised premises or the Owner's interest therein, the Tenant agrees to notify a contractor furnishing labor of materials for any improvements or repairs that the interest of the Owner is not subject to mechanic's liens.

(a) To notify a contractor furnishing labor of materials for any improvements or repairs that the interest of the Owner is not subject to mechanic's liens,

(b) To take appropriate action prior to the furnishing of any labor or materials to assure that no such lien shall be filed,

(c) To pay, when due, all sums of money which may be due any contractor, subcontractor, mechanic, laborer or materials for any labor or materials; to cause any lien or purported lien to be fully discharged and released promptly upon receiving notice thereof; and to indemnify the Owner against all legal costs and charges, including attorney fees reasonably incurred in and about the defense of any suit in discharging the demised premises or any part thereof from any lien, judgments, encumbrances or costs caused by the Tenant or anyone acting on the Tenant's behalf; and

(d) The Owner reserves the right before approving any structural improvements, changes, additions, or alterations to require the Tenant to furnish a good and sufficient bond conditioned that the Owner will save the Owner harmless from the payment of any claims either in law or equity by way of damages or mechanic's liens, foreclosures or otherwise. Including all reasonable attorney fees and costs. The Owner's reservation of the absolute right to require such a bond in no way shall be construed as a waiver allowing the demised premises to be subject of mechanic's or other liens. The Tenant, as well as all contractors, laborers and materialmen who may furnish any labor, materials or otherwise contribute to the improvement of the subject property shall be enjoined to enter into any and all mechanic's liens or other liens are prohibited and shall not attached to the interest(s) of the Owner. The Tenant consents to the recording, in the public records of the county in which the demised premises are located of the language of this paragraph in any form permitted by New York Law and further agrees to execute, when requested, any shortened or modified form of lease showing in substance the provisions of this paragraph. All persons, whether contractors, subcontractors, mechanics, laborers, materialmen, or others.
74. **Owner Representation.** Owner represents upon which warranty and representation the Tenant has relied in the execution of this lease, that (i) the Owner has the full right and lawful authority to execute this lease for the term, in the manner and upon the conditions and provisions herein contained and the no consent to same is required and (ii) there is no default existing on the subject premises or, on the part of any of the parties hereto.

75. **Tenant Access.** The Tenant shall have access to and the right to use any existing drains, vents, water and sewer and waste lines and facilities and existing ducts, chimneys, stacks, flues, signs and sign structures, air conditioning and exhaust facilities and the like which may, in whole or in part, serve the demised premises as long as Tenant maintains such.

76. **Forms, Applications and Permits.** The Owner agrees that it shall fully cooperate with the Tenant and execute all forms, applications and permits that the Tenant shall request the Owner to sign in order that the Tenant may operate its business at the premises as it intends.

77. **Assignment/Sublet.**

A. Tenant shall have the right to assign the Lease to a corporation or other legal entity with the Owner’s prior written consent, which shall not be unreasonably withheld or denied so long as Tenant shall be a majority shareholder or owner in said corporation or entity subject to the terms and conditions as stated below. In the event the assignment is to an entity in which Tenant is not a majority shareholder or owner, Tenant agrees that all monies including “key money” received from the assignee in excess of the Base Monthly Rent due under the Lease, shall be divided equally with the Owner. Each and every assignment shall be documented by an Assignment instrument in a form acceptable to Owner, or shall be prepared by Owner in conformity with the terms and conditions as stated in subsection (E) and (J) below. In each instance of an assignment, Tenant shall be subject to a review and/or document preparation fee of $250.00. Said fee shall be due owner regardless of whether or not assignment ultimately occurs.

B. Tenant expressly covenants and agrees that (i) if Tenant is a corporation, a transfer of more than fifty percent (50%) of the common stock or, in the aggregate from time to time, of any shares of any class of the issued and outstanding stock of Tenant, its successors or assigns, or the issuance of additional shares of any class of its stock to the extent of more than fifty percent of the number of shares of said class of stock issued and outstanding at the time that it became the tenant hereunder or (ii) if Tenant is a partnership, limited liability company, unincorporated association or other entity, the sale or transfer of more than fifty percent (50%) of the partnership, membership, joint venture, unincorporated association interests or other form of beneficial interests of Tenant, its successor or assigns, shall constitute an assignment of this lease and, unless in each instance the prior written consent of Owner has been obtained, shall constitute a default under this lease and shall entitle Owner to exercise all rights and remedies provided for herein in the case of default. Notwithstanding the foregoing provision of this Section, transfer of stock in a corporation whose shares are traded in the “over-the-counter” market or any unrecognized national securities exchange shall not constitute an assignment for purposes of this lease, provided that the principal purpose of such transfer or transfer is not to avoid restrictions on assignment otherwise applicable under this section.

C. If Tenant is a corporation, limited liability company, partnership or similar entity, Owner’s consent shall not be unreasonably withheld with respect to an assignment of the lease to an Affiliate of Tenant, provided that (1) Owner be provided with the names of the principals of the assignee, including any information necessary for Owner to conduct a credit check, (2) the assignee is a reputable entity of good character, (3) a duplicate original instrument of assignment in form and substance reasonably satisfactory to Owner, duly executed by Tenant, shall have been delivered to Owner or at least ten (10) days prior to the effective date of any such assignment, (4) the instrument in form and substance satisfactory to Owner, duly executed by the assignee, in which such assignee assumes (as of the Commencement Date) observance and performance of, and agrees to be personally bound by, all of the terms, covenants and conditions of this lease on Tenant's part to be performed and observed shall have been delivered to Owner not more than ten (10) days after the effective date of such assignment, (5) such assignment is for legitimate business purpose and not principally for the purpose of avoiding the restrictions on assignment otherwise applicable under this section, (6) such assignee has a net worth computed in accordance with generally accepted accounting principles at least equal to the greater of the net worth of Tenant on the date of this Lease and the net worth of Tenant immediately prior to such assignment and (7) the principals of the assignee agree to execute a guarantee for the payment of Fixed Base Monthly Rent and Additional Rent containing the same language contained in Tenant’s lease. For the purposes of this Article: an “affiliate” of Tenant named herein shall mean any corporation, partnership or other business entity (1) which controls or is controlled by, or is under common control with, Tenant or (ii) the stock or other ownership interests of which are at least owned fifty percent (50%) by principals of EMPIRE STATE COMPASSIONATE CARE, INC.

D. If this lease be assigned, whether or not in violation of the provisions of this lease, Owner may collect rent from the assignee. If the Demised Premises are sublet or used or occupied by anybody other than Tenant, whether or not in violation of this lease, Owner may collect rent from the subtenant or occupant. In either event, Owner may apply the net amount collected to the Fixed Rent and Additional Charges herein reserved, but no such assignment, subletting, occupancy or collection shall be deemed a waiver of any of the provision of this section or the acceptance of the assignee, subtenant or occupant as tenant, or a release of Tenant from the performance by the Tenant of Tenant’s obligations under this lease. The consent by Owner to a particular assignment, mortgaging, subletting or use or occupancy by others shall not in any way be considered a consent by Owner to any other or further assignment, mortgaging or subletting or use or occupancy by others not expressly permitted by this Article 40. References in this lease to use or occupancy by others (that is anyone other than Tenant) shall not be construed as limited to subtenants and those claiming under or through subtenants but shall also include licensees and others claiming under or through Tenant, immediately or remotely.
E. Any assignment or transfer, whether made with or without Owner’s consent shall be made only if, and shall not be effective until, the assignee shall execute, acknowledge and deliver to Owner and agreement in form and substance reasonably satisfactory to Owner whereby the assignee shall assume the obligations of this lease on the part of Tenant to be performed or observed and whereby the assignee shall agree that the provisions in this paragraph subsection A shall, notwithstanding such assignment or transfer, continue to be binding upon it in respect of all future assignments and transfers. The original named Tenant covenants that, notwithstanding any assignment or transfer, whether or not in violation of the provisions of this lease, and notwithstanding the acceptance of Fixed Rent and Additional Charges by Owner from an assignee, transferee, or any other party, the original named Tenant shall remain fully liable for the payment of the Fixed Rent and Additional Charges and for the other obligations of this lease on the part of Tenant to be performed or observed.

F. The joint and several liability of Tenant and any immediate or remote successor in interest of Tenant and the due performance of the obligations of this lease on Tenant’s part to be performed or observed shall not be discharged, released or impaired in any respect by any agreement or stipulation made by Owner extending the time of, or modifying any of the obligations of, this lease or by any waiver or failure of Owner to enforce any of the obligations of this lease.

G. The listing of any name other than that of Tenant, whether on the doors of the Demised Premises or the Building directory, or otherwise, shall not operate to vest any right or interest in this lease or in the Demised Premises, nor shall it be deemed to be the consent of Owner to any assignment or transfer of this lease or to any sublease of the Demised Premises or to the use or occupancy thereof by others.

H. Notwithstanding anything to the contrary contained in this Section, if Tenant shall at any time or times during the term of this lease desire to assign this lease, Tenant shall give notice thereof to Owner, which notice shall be accompanied by (i) a certified or photostatic copy of the proposed assignee’s name, (ii) a statement setting forth in reasonable detail the identity of the proposed assignee, the nature of its business and its proposed use of the Demised Premises, and (iii) current financial information with respect to the proposed assignee, including, without limitation, its most recent certified financial statements, if such financial statements are certified (or, if not certified by the chief financial officer of the proposed assignee as being true and correct), the past two (2) years of Federal tax returns and appropriate information for Owner to obtain a credit report. Such notice shall be deemed an offer from Tenant to Owner whereby Owner (or Owner’s designee) may, at its option, terminate this lease (if the proposed transaction is an assignment) said option may be exercised by Owner by notice to Tenant at any time within 30 days after such notice has been given by Tenant to Owner, and during such 30-day period Tenant shall not assign this lease to any person or entity.

I. If Owner exercises its option to terminate this lease in the case where Tenant desires to assign this lease, then this lease shall end and expire on the date that such assignment was to be effective or commence, as the case may be, the Fixed Rent and Additional Charges shall be paid and apportioned to such date and Owner shall return to Tenant the Security, or any portion thereof remaining in Owner’s possession to Tenant in accordance with the provisions of this section.

J. In the event Tenant shall have complied with the provisions of this Section and Owner does not exercise its options to terminate this lease, and provided that Tenant is not in default in any of Tenant’s obligations under this lease beyond the expiration of any applicable notice and/or cure period, either at the time Owner’s consent to such assignment is requested or on the effective date of any such assignment, Owner’s consent (which must be in writing and in form satisfactory to Owner) to the proposed assignment shall not be unreasonably withheld, provided and upon conditions that:
   (i) In Owner’s judgment the proposed assignee is engaged in a business and the Demised Premises will be used in a manner which is limited to the use expressly permitted under the Use section of this Lease;
   (ii) The proposed assignee is a reputable person of good character whose tenancy shall comport with the first class character of the Building, having a net worth satisfactory to Owner considering the responsibility involved;
   (iii) Neither (A) the proposed assignee nor (B) any person which, directly or indirectly, controls, is controlled by, or is under common control with, the proposed assignee or any person who controls the proposed assignee, is (x) an occupant of any part if the Building or (y) a person with whom Owner is then negotiating to lease space in the Building;

K. In the event that (i) Owner fails to exercise any of its options under this paragraph subsection I, and consents to a proposed assignment, and (ii) Tenant fails to execute and deliver the assignment to which Owner consented within 45 days after the giving of such consent, then, Tenant shall again comply with all of the provisions and conditions under this paragraph subsection I before assigning this lease or subletting all or part of the Demised Premises.

L. It is agreed that the Tenant may sublet the premises or a portion of same with the prior written consent of the Owner. In the event any sub-lease is approved by Owner, Tenant agrees that all monies including "key money" received from the sub-tenant in excess of the base monthly rent due under the Lease shall be split equally with Owner. Each and every sublet shall be documented by a Sublet instrument in a form acceptable to Owner, or shall be prepared by Owner. In each instance of a sublet, Tenant shall be subject to a review and/or document preparation fee of $250.00. Said fee shall be due owner regardless of whether or not sublet ultimately occurs.

78. Miscellaneous.

A. Sales: Tenant may not conduct any sales, marketing or promotional activities on the sidewalks or street adjacent to the Premises and/or building, including the use of "street hawkers" or the distribution of flyers without first obtaining the prior written consent of the Landlord. Said consent shall be at the sole and absolute discretion of the Landlord, which consent may be withheld for any reason or no reason whatsoever. If Tenant uses or suffers the use of the Premises for a prohibited purpose, Tenant acknowledges that Landlord will incur an actual and substantial detriment if a deviation in use occurs. Tenant shall promptly discontinue such use upon notice by the
Landlord: In the event of a breach by Tenant which remains uncured for two (2) days after notice, Landlord may remove at any time, without further notice to Tenant or any other party and may charge the expense incurred by Landlord for such removal to Tenant, which payment shall constitute additional rent and become due and payable to Landlord upon demand.

C. This lease may not be executed, renewed, terminated or otherwise modified except by an instrument in writing signed by the party against whom enforcement of any such modification is sought.

D. Tenant agrees that the value of the demised premises and the reputation of the Owner will be seriously injured if the premises are used for any obscene or pornographic purposes or any sort of commercial sex establishment. Tenant agrees that Tenant will not hang or permit any obscene or pornographic material on the premises, and shall not permit or condone any obscene, nude, or semi-nude live performances on the premises, nor permit the premises for nude modeling, strip shows, or as a so-called rabbit punch shops, or as a sex club of any sort, or as a "massage parlor". Tenant agrees further that tenant will not permit any of these uses by any sublessee or assignee of the premises. This Article shall directly bind any successor in interest to the Tenant. Tenant agrees that if at any time Tenant violates any of the provisions of this Article, such violation shall be deemed a breach of a substantial obligation of the terms of this lease and subsequent conduct. F. Facsimile or emulated signatures of this document are to be considered original documents and can be used in any necessary form.

IN WITNESS WHEREOF, the parties hereto have executed this lease as of the day and year first above written.

This paragraph shall survive Closing or other termination of this Contract.

6. **No Survival.** Except as otherwise expressly provided herein, no agreement, representation or warranty made in this Contract by or on behalf of either party, or in any instrument delivered pursuant hereto or in connection herewith, shall survive the Closing and the consummation of the transactions provided for herein.

(a) Prior to the Inspection Deadline, Purchaser shall at its own expense, obtain and cause to be delivered to Seller or Seller's attorney from a reputable title insurance company selected by Purchaser and licensed in the State of New York an owner's title commitment to insure title to the Premises, together with copies of any documents constituting exceptions to title as listed in such title commitment (the "Title Report"). Purchaser shall give specific written notice to Seller or to Seller's attorney of its objection to any such Title Defects ("Purchaser's Objection Notice"), together with delivery of the Title Report, on or before the Inspection Deadline. The failure by Purchaser to deliver to Seller or Seller's attorney the Purchaser's Objection Notice on or before the Inspection Deadline shall constitute a waiver by Purchaser of any and all title matters of record as of the Inspection Deadline; such title matters of record shall automatically become Permitted Exceptions and Purchaser shall purchase the Premises subject to such Permitted Exceptions.

(b) Seller may, but shall not be required to, cure at or prior to the Closing any Title Defect as to which Purchaser properly and timely objected to in Purchaser's Objection
Notice. Seller may, if it so elects, adjourn the closing for a period or periods not to exceed 60 days in the aggregate for such purpose.

(c) If Seller shall be unable to convey title, subject to and in accordance with the provisions of this Contract, then, except as hereinafter provided, either party may terminate this Contract by notice, delivered to the other on or after the contract closing date or any adjourned closing date, in which event the sole obligation of Seller shall be to refund the Deposit and, upon the making of such refund, this Contract shall wholly cease and terminate and neither party shall have any further claim against the other by reason of this Contract, and the lien, if any, of the Purchaser against the Premises shall wholly cease, except that the provisions contained herein which provide that they shall survive such termination will so survive.

(d) Notwithstanding anything to the contrary contained herein, Purchaser may accept such title as Seller may be able to convey, without reduction of the purchase price or any credit or allowance against the same and without any other liability on the part of Seller and if Purchaser elects to do so, Seller shall have no right to terminate this Contract as hereinafove provided. The acceptance of a deed by Purchaser shall be deemed to be a full performance and discharge of every agreement and obligation on the part of Seller to be performed pursuant to the provisions of this Contract, except those, if any, which are herein specifically stated to survive the delivery of the deed.

(e) Seller shall give and Purchaser shall accept such title as Purchaser's title insurance company will be willing to approve and insure subject only to the exceptions set forth in this Agreement.

In the event that the Purchaser is not satisfied with the results of the Inspection or Purchaser is not awarded the Medical Marijuana License, the Purchaser shall be entitled to terminate this Agreement by delivery of written notice thereof (the "Inspection Notice") to the Seller no later than August 4, 2015 (the "Inspection Deadline"). Purchaser acknowledges that Seller has no obligation whatsoever to undertake any corrective or remedial work as a result of matters disclosed by the Inspection. Purchaser agrees that in the course of making the Inspection, it will not interfere with the Seller's use of the Premises. This condition will be deemed waived if the Inspection Notice is not received by or before the Inspection Deadline.

Purchaser shall indemnify and hold harmless Seller from and against loss, harm, damage, claims, liabilities and any costs of any nature, including without limitation reasonable attorneys and expert fees, arising out of or in connection with the Inspection. Purchaser releases Seller from any liability for any loss, harm, damage, claims, liabilities and any costs of any nature, including without limitation, reasonable attorneys and expert fees, arising out of or in connection with the Inspection. The provisions of this paragraph shall survive any termination of the License or this Agreement.

In the event Purchaser does not terminate this Agreement on or before the Inspection Deadline as provided above, then the Deposit and Additional Deposit shall become immediately non-refundable, but shall be credited towards the Purchase Price at Closing. However, should the Closing not occur due to Seller’s breach or failure to perform under this Agreement, then the Deposit and Additional Deposit shall be returned to Purchaser.

11. **Seller’s Default.** If any of Seller’s representations and warranties are not true and correct or Seller’s covenants are not fulfilled, or Seller fails to perform any obligation under the terms and conditions of this Agreement or is otherwise in default under this Agreement, then Purchaser, at Purchaser’s sole option, may elect to (i) waive the default or failure and close “as is”, or (ii) cancel this Agreement by written notice to Seller given on or before the Closing Date, in which event the Deposit shall be returned to Purchaser; upon such return, both parties shall be released from all further obligations under this Agreement except that the provisions contained herein which provide that they shall survive such termination will so survive; or (iii) seek specific performance of Seller’s obligations under this Agreement.

11. **Installment Assessment.** If at the time of CLOSING the PREMISES are affected by an assessment which is or may become payable in annual installments, and the first installment

As an alternative, SELLER may deposit money with the title insurance company employed by PURCHASER and require it to assure its discharge; but only if the title insurance company will insure PURCHASER'S title clear of the matter or insure against its enforcement out of the PREMISES. Upon request, made within a reasonable time before CLOSING, the PURCHASER agrees to provide separate certified checks as requested to assist in clearing up these matters.

16. **Affidavit as to Judgments, Bankruptcies, etc.** If a title examination discloses judgments, bankruptcies or other returns against persons having names the same as or similar to SELLER, SELLER shall deliver a satisfactory detailed affidavit at CLOSING showing that they are not against SELLER.

25. **Permitted Encumbrances.** Supplementing Paragraph 4 of this Contract, Purchaser shall take the Premises subject to the following:

   E. Any state of facts that an accurate survey or visual inspection of the Premises would show, provided same does not render title unmarketable.

   B. Covenants, restrictions, easements, agreements, consents and landmark designations of record, provided same are not violated by the existing structures or the use thereof.

   C. Rights and easements, if any, in favor of any public utility, relating to the construction, maintenance and/or operation of lines, pipes, wires, cables, poles, conduits, distribution boxes and appurtenances on, in, under, over or across the Premises.

   D. Building and zoning regulations and ordinances and all variances issued thereunder of the city, town or village in which the Premises lie, provided are not violated by the existing structures or the use thereof.

   E. Unpaid real estate taxes, water charges and sewer rents which accrued prior to the Closing, subject to apportionment pursuant to this Contract.

   F. Variations of no more than 18 inches between the tax map and record lines of title.

   G. Financing statements, chattel mortgages and liens on personality filed more than five (5) years prior to the Closing and not renewed, or filed against property or equipment no longer located on the Premises or owned by tenants provided Purchaser’s title company will omit same as an objection to title.
The items set forth in Paragraph 25 of this Contract and items A through G above shall be collectively referred to herein as “Permitted Encumbrances”.

26. **Title.** Purchaser, promptly after execution of this Contract, shall order an examination of title and shall cause a copy of the title report to be forwarded to Seller’s attorney upon receipt. Supplementing Paragraph 20 of this Contract, in the event that the Seller shall be unable to convey title to the Premises subject only to Permitted Encumbrances, Seller shall expend up to the sum of $10,000 to cure such title defects. In the event the cost of curing such defects shall exceed the sum of $10,000, the Seller shall have the option to either remove the same in accordance with the provisions of this Contract, or refuse to remove the same. In the event that the Seller refuses to remove same, then Purchaser as its sole and exclusive remedy, at its election, shall have the right either:

(i) to accept such title and the Premises therein in such condition as the Seller is able to convey, with a credit in the sum of $10,000 and without any other claim on the part of the Purchaser for abatement, credit or offset for defects, misrepresentations, objections or otherwise; or

(ii) to reject title and rescind this Contract. Except as otherwise set forth herein, nothing herein contained shall require the Seller to commence any action or proceeding or incur any expense in order to render the Premises or its title thereto marketable or otherwise to perform its obligations as provided herein.

27. **Violations, Condition of Premises.** Notwithstanding anything to the contrary contained herein, in the event the aggregate cost of removal of any violations which the Seller may be required to remove hereunder or to deliver the Premises substantially in the condition as provided herein or shall otherwise be unable to convey the Premises and comply with its obligations in accordance with the terms of this Contract, shall exceed the sum of $10,000.00, the Seller shall have the option to either remove the same in accordance with the provisions of this Contract, or refuse to remove the same. In the event that the Seller refuses to remove the same, then the Purchaser as its sole and exclusive remedy, at its election, shall have the right either (i) to take title subject to such violations, in which event the Purchaser shall receive an allowance of $10,000.00 in reduction of the purchase price; or (ii) to reject title and rescind this Contract. As an alternative, Seller may deposit a sum of money satisfactory to the title company employed by Purchaser in order to assure the discharge of any violations, but only if the title insurance company will insure Purchaser’s title free and clear of any such violations or insure against its enforcement and collection out of the premises.

28. **FIRPTA.** Seller represents that it is not a foreign person as defined in Section 1445 of the Internal Revenue code and shall deliver a certification to that effect at the Closing.

29. **Merger.** The acceptance of a deed by the Purchaser herein or permitted assigns shall be deemed full compliance by the Seller and merger of all the terms, covenants, and conditions of this Contract on the part of the Seller to be performed, and except as specifically provided herein, no claims against the Seller or representations or warranties, express or implied, of Seller shall survive
the Closing.

30. **Liquidated Damages; Limitation of Liability.** In the event that Purchaser fails to close title in accordance with the terms of this Contract, or otherwise defaults in its obligations hereunder and the Contract is terminated, Seller may, as Seller's sole remedy, retain the Downpayment and any interest accrued thereon as liquidated damages, it being agreed that Seller's damages in the event of such default by Purchaser would be difficult, if not impossible, to ascertain and that said sum constitutes fair and reasonable damages under the circumstances. Notwithstanding anything to the contrary contained herein, Seller shall not be liable for any damages in the event of any breach by Seller of this Contract other than the return of the Downpayment, except in the event of Seller's willful default in which event Purchaser shall be entitled to seek specific performance and/or remedies at law.

31. **Notices.** All notices under this Contract shall be in writing and shall be delivered personally or shall be sent by registered, certified or express mail, return receipt requested, or by recognized overnight courier addressed to the respective parties at the addresses first written above and shall be deemed served on the date of delivery, if by personal service, or on the next business day after mailing or deposit with the courier if said notices are sent through the postal authorities or overnight courier, as the case may be. Notices signed by the respective attorneys shall be deemed sufficient within the meaning of this Paragraph without the signature of the parties themselves. Copies of notices to the Purchaser shall be simultaneously sent to Purchaser's attorney at the address set forth in this Contract and copies of notices to the Seller shall be simultaneously sent to Seller's attorney at the address set forth in this Contract. Notwithstanding anything contained in this paragraph to the contrary, notice may be sent by telex to the attorneys for the respective parties at the telephone numbers listed below, and such notice shall be effective as of the date of the transmission of such notice, provided that same is followed up with another acceptable form of notice. Any notice so sent and received after 6:00 p.m. shall be deemed sent as of the next business day. Notices to Escrow Agent shall be delivered in the same manner as other notices as described above to BERMAN & FREEDMAN, P.C., 6900 Jericho Tpk. Suite 100W Syosset, New York, Attention: Donald E. Freedman, Esq.

32. **Downpayment.** In the event that the check given as the Downpayment is dishonored for any reason by the bank upon which it is drawn, then the Seller, in addition to any other rights and remedies which it may have, may at Seller's option elect to cancel this Contract and thereupon Seller shall be relieved and released from all obligations hereunder, provided however, nothing contained herein shall be construed to relieve Purchaser from any claim which Seller may have based upon such dishonored check.

33. **Escrow.** The Downpayment and the Additional Payment paid by the Purchaser pursuant to Section 1(a) of this Contract (the "Escrow Fund"), shall be held in escrow by BERMAN & FREEDMAN (the "Escrow Agent") upon the terms and conditions hereinafter set forth:

(a) The Escrow Agent shall place the Escrow Fund in a non-interest bearing IOLA
account at Signature Bank, 1225 Franklin Avenue, Garden City, New York 11530.

(b) Upon the closing, the Escrow Agent shall disburse the Escrow Fund to the Seller. If this Contract is terminated, the Escrow Agent shall disburse the Escrow Fund to the party entitled thereto in accordance with the provisions of this Contract and as provided by law.

(c) It is agreed that the duties of the Escrow Agent are only as herein specifically provided, are purely ministerial in nature, and that the Escrow Agent shall incur no liability whatsoever except for willful misconduct. The Seller and the Purchaser hereby release the Escrow Agent from any act done in performance of its duties hereunder. If requested, at closing, the Seller and the Purchaser shall execute and deliver general releases to the Escrow Agent.

(d) The Escrow Agent shall have the right to act in reliance upon any document, instrument or signature believed by it to be genuine and to assume that any party to this Contract purporting to give any notice or instrument in accordance with the provisions hereof has been duly authorized to do so.

(e) In the event that the Escrow Agent shall be uncertain as to its duties or rights hereunder or shall receive instructions, claims or demands from any of the parties hereto with respect to the Escrow Fund held hereunder, which, in its opinion, are in conflict with any provision of this Contract, it shall be entitled to refrain from taking any action other than to keep safely said property until it shall be directed otherwise in writing by all the parties hereto or by a final order or judgment of a Court of competent jurisdiction.

(f) In the event of litigation between the parties hereto, the Escrow Agent may deposit the Escrow Fund with the Clerk of the Court in which said litigation is pending or the Escrow Agent may take such affirmative steps as the Escrow Agent may, at the Escrow Agent's option, elect in order to terminate the Escrow Agent's duties as Escrow Agent, including, but not limited to, depositing the Escrow Fund in Court and commencing an action for interpleader. The Escrow Agent shall be entitled to represent the Seller in any dispute with respect to the Escrow Fund, or otherwise.

(g) The other parties hereto shall be jointly and severally obligated to indemnify the Escrow Agent and hold it harmless against any claim asserted against it or any liability, loss or damage incurred by it in connection herewith (including, but not limited to, legal fees either paid to retained attorneys or representing the fair value of legal services rendered by Escrow Agent on behalf of itself).

(h) Notwithstanding anything to the contrary herein contained, the parties authorize and direct the Escrow Agent to release the Escrow Fund to the Seller ten (10) days following the giving of any notice by Seller to the Escrow Agent and Purchaser alleging a default by Purchaser and terminating this Contract. The Escrow Fund shall not be released to Seller if, within said 10-day period, Purchaser commences an action or proceeding for the return of the Escrow Fund and serves
the Escrow Agent with a copy of the summons and complaint. The parties irrevocably agree that a
letter or any other form of communication to the Escrow Agent, other than a court order, directing or
advising the Escrow Agent not to release the Escrow Fund, shall not be binding and shall not prevent
the Escrow Agent from releasing the Escrow Fund to the Seller as set forth above.

(i) The Escrow Agent will not be bound by any modification, cancellation or
rescission of this Paragraph 33 unless in writing and signed by the Escrow Agent. The provisions of
this Paragraph 33 shall survive the Closing or earlier termination of this Contract.

PURCHASER EXPRESSLY AGREES THAT SELLER IS NOT LIABLE OR Bound IN ANY MANNER BY ANY VERBAL OR WRITTEN STATEMENTS, REPRESENTATIONS OR INFORMATION PERTAINING TO THE PREMISES FURNISHED BY ANY REAL ESTATE BROKER, AGENT, EMPLOYEE OR OTHER PERSON, UNLESS THE SAME ARE SPECIFICALLY SET FORTH OR REFERRED TO HEREIN. PURCHASER, ON BEHALF OF ITSELF, ITS SUCCESSORS AND PERMITTED ASSIGNS, SPECIFICALLY ACKNOWLEDGES AND AGREES THAT UPON CLOSING THIS TRANSACTION, IT FOREVER WAIVES, RELEASES AND DISCHARGES ANY CLAIM IT HAS, MIGHT HAVE HAD OR MAY HAVE AGAINST THE SELLER, OR ANY OFFICER, DIRECTOR, EMPLOYEE, AGENT OR AFFILIATE OF SELLER, WITH RESPECT TO THE CONDITION OF THE PREMISES, EITHER PATENT OR LATENT, SELLER’S ABILITY OR INABILITY TO OBTAIN OR MAINTAIN BUILDING PERMITS, TEMPORARY OR FINAL CERTIFICATES OF OCCUPANCY OR OTHER LICENSES FOR THE USE OR OPERATION OF THE PREMISES, AND/OR CERTIFICATES OF COMPLIANCE FOR THE PREMISES, THE ACTUAL OR POTENTIAL INCOME OR PROFITS TO BE DERIVED FROM THE PREMISES, THE REAL ESTATE TAXES OR ASSESSMENTS NOW OR HEREAFTER PAYABLE THEREON, THE COMPLIANCE WITH ANY ENVIRONMENTAL OR OCCUPATIONAL PROTECTION, POLLUTION, SUBDIVISION OR LAND USE LAWS, RULES, REGULATIONS OR REQUIREMENTS OR LIABILITY FOR VIOLATIONS THEREOF, AND ANY OTHER STATE OF FACT WHICH EXIST WITH RESPECT TO THE PREMISES. ALL OF THE PROVISIONS OF THIS PARAGRAPH SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT, OR THE DELIVERY OF THE DEED FOR THE PREMISES ON THE CLOSING DATE.

NOTWITHSTANDING THE FOREGOING, SELLER REPRESENTS THAT TO THE BEST OF SELLER’S KNOWLEDGE WITHOUT INQUIRY, THERE HAS BEEN NO GENERATION, STORAGE, TREATMENT OR DISPOSAL OF “HAZARDOUS MATERIALS” OR “HAZARDOUS WASTES” (AS THOSE TERMS ARE DEFINED UNDER ANY APPLICABLE FEDERAL, STATE OR LOCAL STATUTE, LAW, CODE, OR ORDINANCE) OR USE OF THE PREMISES FOR THE STORAGE OF HAZARDOUS MATERIALS OR HAZARDOUS WASTES OTHER THAN AS PERMITTED BY APPLICABLE LAW, AND THERE HAS BEEN NO CLAIM ASSERTED AGAINST SELLER FOR INJURY TO PERSON OR PROPERTY RELATING TO THE ENVIRONMENTAL CONDITION OF THE PROPERTY.

35. **Binding Effect.** The submission of this Contract to Purchaser does not constitute an offer to Purchaser or an acceptance by Seller of any offer made by Purchaser and this Contract shall not be binding upon Seller, unless and until it is executed by Seller and a fully executed counterpart of the Contract is delivered to Purchaser or its attorney.

36. **Assignment.** At Closing, Purchaser may assign this Contract to a corporation,
limited liability company, limited partnership, other entity or person.

37. **Counterparts.** This Contract may be executed in one or more counterparts, all of which shall be considered but one and the same agreement, and shall become effective when one or more such counterparts have been signed by each of the parties and delivered to the other party. Facsimile, electronic and/or PDF signatures shall be deemed original and binding for purposes of this contract.

38. **Non-Waiver.** No term or provision hereof shall be deemed waived and no breach excused, unless such waiver or excuse shall be in writing and signed by the party claimed to have waived or excused. Any consent by any party to, or waiver of, a breach by the other, shall not be deemed a consent to or waiver of any different or subsequent breach. The failure of either party to enforce any of its rights or remedies hereunder on any one occasion shall not be deemed a waiver of the right to enforce any other right or remedy for the same or a different occasion.

39. **Choice of Law.** All questions concerning the construction, validity and interpretation of this Contract will be governed by the laws of the State of New York without giving effect to principles of conflicts of law.

40. **Brokers.** The Seller and Purchaser each represent that no broker other than DOUGLAS ELLIMAN brought about this transaction and Seller and Purchaser, as applicable, each agree to indemnify and save the other party harmless from any loss, cost, or expense, including reasonable legal fees, incurred by such other party arising out of any demand, claim, action or proceeding for brokerage commissions or finders’ fees by any broker other than DOUGLAS ELLIMAN claiming to have dealt with the indemnifying party in connection with this transaction. Seller agrees to pay all commission due DOUGLAS ELLIMAN pursuant to a separate agreement. This provision shall survive the Closing or earlier termination of this Contract.

41. **Downpayment.** NOTWITHSTANDING ANYTHING ELSEWHERE CONTAINED IN THIS CONTRACT, THE SUM OF $25,000 OF THE DOWNPAYMENT SHALL BE NON-REFUNDABLE IN THE EVENT PURCHASER TERMINATES THIS CONTRACT AT THE END OF THE DUE DILIGENCE PERIOD. IN THE EVENT PURCHASER EXERCISES ITS RIGHT TO EXTEND THE DUE DILIGENCE PERIOD, THEN THE ADDITIONAL SUM OF $15,000 OF THE DOWNPAYMENT SHALL BE NON-REFUNDABLE. THE PARTIES AGREE THAT THE AFORESAID SUMS OF $25,000 AND $15,000 OF THE DOWNPAYMENT ARE CONSIDERATION TO THE SELLER FOR REMOVING THE PROPERTY FROM THE MARKET DURING THE DUE DILIGENCE PERIOD AND THE DUE DILIGENCE EXTENSION PERIOD. ACCORDINGLY, IN THE EVENT PURCHASER DOES NOT ELECT TO TERMINATE THIS CONTRACT PURCHASER SHALL RECEIVE A CREDIT FOR THE FULL AMOUNT OF THE DOWNPAYMENT AT CLOSING.

42. **Tax Certiorari Proceedings.** In the event that any proceedings have heretofore been commenced for the reduction of real property taxes or assessments affecting the premises,
and in the event that a refund of taxes is received by the Purchaser subsequent to the closing of title for any period prior to the closing of title, or in the event that a refund of taxes is received by the Seller subsequent to the closing of title for any period after the closing of title, then and in such event, the Seller and Purchaser hereby agree that any such refund shall be apportioned in the same manner as real estate taxes are being apportioned pursuant to the terms of this Contract, i.e.; the portion of the net refund representing the period prior to closing of title shall belong to the Seller and the portion of the net refund for the period subsequent to the closing of title shall belong to the Purchaser. The term “net refund” as hereinbefore used, shall mean the amount of the refund received after payment of all fees, costs and disbursements. Seller and Purchaser agree that each shall bear the proportionate amount of the fees, costs and disbursements based upon the apportionment of taxes as described in this paragraph. The provision of this paragraph shall survive the closing of title and the delivery of the deed hereunder.

43. DUE DILIGENCE CONTINGENCY

43.01. PURCHASER’S obligations to purchase hereunder are conditioned upon PURCHASER, at its sole cost and expense, within sixty (60) days from the date hereof (the “Initial Due Diligence Period”), conducting such inspections and studies as the PURCHASER may deem necessary (collectively the “Due Diligence Review”). Subject to the conditions set forth in paragraph “41” of this Agreement, Purchaser shall have the right upon notice to Seller to extend the Due Diligence Period for an additional 30 days (the “Due Diligence Extension Period”). During the Due Diligence Period and if applicable, during the Due Diligence Extension Period, the , the PURCHASER and his agents shall be entitled to enter upon the premises at reasonable times, during business hours and without interference or interruption to SELLER’S business upon reasonable advance notice to SELLER, to examine the premises. PURCHASER shall indemnify and hold SELLER harmless from all loss, damage or injury to person or property by reason of PURCHASER’S entry upon the premises, including the reasonable attorney’s fees expended by SELLER in the defense of such claims. At its sole expense, PURCHASER shall repair any damage to the premises and its improvements which result from PURCHASER’S exercise of the rights granted to it herein. By this Agreement, PURCHASER agrees not to reveal or disclose to any third party (except PURCHASER’S attorneys, accountants, investors and lenders) any physical or other conditions respecting the premises to the extent that such non-disclosure does not constitute a violation of law. At the conclusion of the Due Diligence Period or, if applicable, the Due diligence Extension Period, PURCHASER may terminate this Agreement for any reason or for no reason, by giving written notice of termination to SELLER no less than forty-eight (48) hours prior to the expiration of the Due Diligence Period or Due Diligence Extension Period, if applicable, time being of the essence with respect to such notice.

43.02. PURCHASER acknowledges that SELLER has no obligation to expend any sums of money or perform any repairs to the Premises as a result of PURCHASER’S Due Diligence Investigation. SELLER hereby states that it will not expend any such sums of money or perform any such repairs.

43.03 Purchaser agrees that, in making any physical or environmental inspections of
the premises, Purchaser shall carry or cause all of Purchaser's agents entering onto the premises to carry not less than Three Million ($3,000,000.00) Dollars commercial general liability insurance with a company licensed to do business in the state where the premises is located insuring all activity and conduct of Purchaser and such representatives while exercising such right of access. Seller shall be named as additional insured on such commercial general liability policy. Purchaser represents and warrants that it carries or will cause to be carried not less than Three Million ($3,000,000.00) Dollars commercial general liability insurance with contractual liability endorsement which insures Purchaser's indemnity obligations and will provide Seller with written evidence of same.

43.04 All information provided by Seller to Purchaser or obtained by Purchaser relating to the premises in the course of Purchaser's review, whether before or after the date hereof, including, without limitation, any environmental assessment or audit, if any (collectively, the "Reports") shall be treated as confidential information by Purchaser and Purchaser shall instruct all of its employees, agents, representatives, contractors, equity investors and lenders (collectively, "Purchaser Representatives") as to the confidentiality of all such information. In the event that this transaction is not closed for any reason, then Purchaser shall maintain the confidentiality of such information, and shall use good faith efforts to require Purchaser Representatives not to disclose any such information to any other party.

43.05 Except as may be specifically provided elsewhere in this Agreement, Seller makes no representations or warranties as to the truth, accuracy, completeness, methodology of preparation or otherwise concerning any engineering or environmental reports or audits or any other materials, data or other information supplied to Purchaser in connection with Purchaser's inspection of the premises (e.g., that such materials are complete, accurate or the final version thereof, or that such materials are all of such materials as are in Seller's Possession). It is the parties' express understanding and agreement that such materials are provided only for Purchaser's convenience in making its own examination and determination prior to the expiration of the Inspection Period as to whether it wishes to purchase the premises, and, in doing so, Purchaser shall rely exclusively on its own independent investigation and evaluation of every aspect of the premises and not on any materials supplied by Seller. Purchaser expressly disclaims any intent to rely on any such materials provided to it by Seller in connection with its inspection and agrees that it shall rely solely on its own independently developed or verified information. Except with respect to any obligations which specifically survive the closing of title, Purchaser hereby releases Seller and its agents, representatives, and employees from and all claims, demands, and causes of action, past, present, and future that Purchaser may have relating to (i) the condition of the premises at any time, before or after the closing, including, without limitation, the presence of any hazardous materials, or (ii) any other matter pertaining to the premises. This release shall survive the closing or the termination of this Agreement, as applicable.

43.06 Purchaser shall restore the premises as nearly as possible to its condition existing immediately prior to Purchaser's inspection, testing, investigation and survey thereof. Purchaser shall be liable for all damage or injury to any person or property resulting from, relating to or arising out of any such inspection, testing, investigation or survey, whether occasioned by the acts of
Purchaser or any of its employees, agents, representatives or contractors and Purchaser shall promptly satisfy any lien which may arise or be filed against Seller or the premises in connection with any such inspection, testing, investigation or survey. Purchaser shall indemnify, defend and hold harmless Seller and its agents, employees, officers, directors, affiliates, advisors and asset managers from any loss, liability or damage resulting from any such inspection, testing, investigation, survey or lien filed against Seller or the premises in connection therewith. This indemnification by Purchaser shall survive the closing or the termination of this contract, as applicable.

44. **Tax Deferred Exchange.** Notwithstanding anything herein contained to the contrary, Seller shall have the right, at its sole option and expense, to effect an exchange of real property of like kind so that this transaction shall qualify as an exchange for income tax purposes under Section 1031 of the Internal Revenue Code of 1986 (or such substitute or successor provisions of law as may be in effect at the time of the closing of title hereunder), and in furtherance thereof, to designate one or more parcels of real property of Seller's sole choosing as exchange property (the "Exchange Property"), to be acquired by the Purchaser and to be exchanged with and conveyed to the Seller for the premises to be conveyed hereunder. It is understood and agreed that the selection of the Seller of the foregoing exchange is not a condition to Seller's obligations under this contract. The Purchaser hereunder agrees to cooperate with the Seller/exchanger at no additional cost or expense to the Purchaser so as to effectuate the said tax-deferred exchange and the Purchaser agrees to execute any and all documents which may be reasonably required to effectuate said tax-deferred exchange. In addition, such cooperation by the Purchaser may include restructuring this agreement as an option to buy, purchasing the premises from a third party, entering into an arrangement which qualifies under the safe harbor rules contained in the Treasury Regulations promulgated under Section 1031 or other similar arrangements which would effectuate a qualifying exchange. Seller expressly reserves the right to assign its rights, but not its obligations hereunder, to a Qualified Intermediary as provided in IRC Reg. 1.1031(k)-1(g)(4) on or before the closing date. The Seller/exchanger shall indemnify and hold harmless the Purchaser from any and all liability, costs or expenses arising by reason of Purchaser's participation in the exchange transaction. This paragraph shall survive the closing of title and delivery of the deed hereunder.

45. **Recording of Contract.** Purchaser agrees that it shall not record this Contract or any memorandum hereof. If Purchaser shall violate the provisions of the preceding sentence, Seller, at its sole option, may terminate this Contract, receive as liquidated damages the Deposit whereupon the obligations hereunder shall terminate except those expressly stated to survive termination hereof, it being understood that actual damages sustained by the Seller in the event of such a default are difficult if not impossible to ascertain. Notwithstanding whether or not Seller has received the Deposit, Purchaser shall cause all such recordings to be duly removed of record promptly, at its sole cost and expense. The provisions of this section shall survive termination of this Contract.

46. **Merger.** All prior understandings, agreements, representations and warranties, oral or written, between Seller and Purchaser are merged in this Contract; it completely expresses their full agreement and has been entered into after full investigation, neither party relying upon any statement
IN WITNESS WHEREOF, this contract has been duly executed by the parties hereto.

Arbor Text is not clearly legible and contains unclear or incorrect words. The text appears to be a lease agreement between a landlord (Owner) and a tenant (Tenant). The lease contains provisions about the responsibilities of both parties, such as the tenant's obligation to maintain the premises and the landlord's responsibility to provide a habitable living environment. The lease also includes clauses for the resolution of disputes, such as mediation or arbitration, and specifies that the tenant is responsible for any damage to the property.

The document includes a statement by the landlord and a witness for the landlord, confirming the execution of the lease. The lease is signed by the landlord and a notary public, indicating its legal validity and enforceability.

The document is a standard lease agreement, typical of those used in residential or commercial properties, outlining the rights and responsibilities of both the landlord and the tenant.

C. New Jersey Department of Health Medical Marijuana Program -- 2014 Annual Report
This document reports the current status of the New Jersey Department of Health (DOH), Medicinal Marijuana Program’s (MMP) progress in the implementation of the New Jersey Compassionate Use Medical Marijuana Act (the Act), N.J.S.A. 24:6I-1 et seq. This report will offer an update of program developments in calendar year 2014 on the status of the Alternative Treatment Centers; the patient, caregiver, and physician registries; laboratory testing; the regulatory process; and, conclude with calendar year 2014 statistics.

**Alternative Treatment Centers (ATCs)**

**Greenleaf Compassion Center (GCC) in Montclair, Essex County,** was issued a permit to cultivate on April 16, 2012, and issued a final permit on October 15, 2012. GCC began dispensing medicinal marijuana to patients on December 6, 2012. Since its initial permitting, 462 patients have been served, 2,226 transactions completed, and 80 pounds of product dispensed. From January 1, 2014 through December 31, 2014, 361 patients were served, 1,747 transactions completed, and 55.3 pounds of product dispensed. GCC dispensed product on 78 days in 2014. The Department maintains 24/7 video surveillance of the ATC operation and access to its internal inventory management system. GCC was re-permitted on January 1, 2014.

**Compassionate Care Foundation (CCF) in Egg Harbor, Atlantic County,** was issued a permit to cultivate on June 6, 2013, and issued a final permit on October 3, 2013. CCF began dispensing medicinal marijuana to patients on October 28, 2013. Since its initial permitting, 983 patients have been served, 4,968 transactions completed, and 212 pounds of product dispensed. From January 1, 2014 through December 31, 2014, 583 patients were served, 4,420 transactions completed, and 185 pounds of product dispensed. CCF dispensed product on 216 days in 2014. The Department maintains 24/7 video surveillance of the ATC operation and access to its internal inventory management system.

**Garden State Dispensary (GSD) in Woodbridge, Middlesex County,** was issued a permit to cultivate on August 7, 2013, and issued a final permit on November 20, 2013. GSD began dispensing medicinal marijuana to patients on November 22, 2013. Since its initial permitting, 2,165 patients have been served, 13,020 transactions completed, and 515 pounds of product dispensed. From January 1, 2014 through December 31, 2014, 1,682 patients were served, 12,051 transactions completed, and 493 pounds of product dispensed. GSD dispensed product on 346 days in 2014. The Department maintains 24/7 video surveillance of the ATC operation and access to its internal inventory management system.
Breakwater ATC (Breakwater) in Cranbury, Middlesex County, was issued a temporary permit to cultivate on November 20, 2014. Breakwater has initiated cultivation of eight strains of medicinal marijuana and has an inventory of 540 plants. Breakwater has advised the Department that they expect to be fully operational in the summer of 2015. The Department maintains 24/7 video surveillance of the ATC operation and access to its internal inventory management system.

Compassionate Science ATC (CSATC) has secured a host community in Bellmawr, Camden County. The examination of its principals, corporate structure and funding source was initiated on December 14, 2012, and is expected to be completed during the second quarter of 2015. CSATC has completed the construction of its cultivation facility. Final inspection of the facility will be conducted following the completion of the examination process.

Foundation Harmony (Harmony) has secured a host community in Secaucus, Hudson County. The examination of Harmony principals, corporate structure, and funding source was initiated on December 2, 2014, and is ongoing. The Department is working with Harmony to achieve regulatory compliance during the examination process.

**Medicinal Marijuana Cultivation**

As a result of amendments to P.L.2009, c.307, ATCs are not limited in the number of strains of medicinal marijuana cultivated. The chart below outlines the number of medicinal marijuana strains cultivated by permitted ATCs since the inception of the program. The laboratory results of strains available are contained in the MMP Strain Library. The Strain Library is described further on page five of this report.

ATC Examinations

The Department executed a Memorandum of Agreement with the Department of Law and Public Safety (LPS) on January 12, 2012. LPS agreed to assist DOH with obtaining credible and relevant criminal, financial, and other information; as well as provide legal expertise in the examination of the ATCs’ principals and business structure to assist the Department in making informed decisions regarding ATC permitting.

Greenleaf Compassion Center (GCC) – Examination of GCC principals and business structure was initiated on December 15, 2011. Examination was completed on April 16, 2012. MMP issued the ATC permit upon review of the examination.

Compassionate Care Foundation (CCF) – Examination of CCF principals was initiated on February 13, 2012. Examination was completed on March 18, 2013. MMP issued the ATC permit upon review of the examination.

Garden State Dispensary (GSD) – Examination of GSD principals was initiated on September 4, 2012. Examination was completed on April 24, 2013. MMP issued the ATC permit upon review of the examination.

Breakwater ATC (Breakwater) – Examination of Breakwater principals was initiated on August 24, 2012. Examination was completed on December 13, 2013. The MMP is assisting them in attaining full regulatory compliance.

Compassionate Science ATC (CSATC) – The examination of CSATC principals, corporate structure, and funding source was initiated on February 12, 2013, and is ongoing.

Foundation Harmony (Harmony) – The examination of Harmony principals, corporate structure, and funding source was initiated on December 2, 2014, and is ongoing.

Examination timeframes are impacted by a number of factors including the complexity of the ATC business structure, their contractual agreements and their responsiveness to requests for information.
Patients/Caregiver Registry

The MMP developed an electronic patient and caregiver registration and payment process (the registry). The registry is an encrypted, public-facing web application that provides end-to-end security of personal, medical and financial information of the applicant. This registry opened on August 9, 2012. Since the registry opened, 3,727 qualifying patients and 501 caregivers have been registered with the program. From January 1, 2014 through December 31, 2014, 2,057 qualifying patients and 304 caregivers registered with the program. The MMP has issued identification cards to 4,228 qualifying applicants completing the registration process. Additionally, all authorized debilitating illnesses are represented in the present patient population.

On August 18, 2014 the MMP initiated the patient and caregiver registration renewal process. A prorated registration fee is provided to patients who paid an initial registration fee but did not receive medicinal marijuana for a period of time after receiving their initial MMP ID card. The prorated fee is applied at the time of registration renewal and deducts for the time period a patient did not receive medicinal marijuana from an Alternative Treatment Center.

The patient and caregiver registration fee is $200.00 for two years. Patients and caregivers that receive New Jersey Medicaid, Supplemental Nutrition Assistance Program benefits, New Jersey Temporary Disability Insurance benefits, Supplemental Security Income (SSI) benefits or Social Security Disability (SSD) benefits, receive a reduced registration fee of $20.00. Approximately 48 percent of registered patients and caregivers receive the reduced application fee of $20.00.

Physician Registry

Since the inception of the program, 371 physicians have registered with the program; of those physicians registered, 325 are active, 42 requested to be inactivated, and four were disapproved. From January 1, 2014 through December 31, 2014, 77 new physicians registered with the program. Of active physicians, 70 percent are currently authorizing patients for the program. All registered physicians are listed on the MMP website. Patients may ask their primary physician to register with the MMP or they may locate a participating physician on the website by county and/or medical specialty.

Participating physicians must hold an active New Jersey medical license in good standing issued by the NJ Board of Medical Examiners, possess an
active controlled dangerous substances registration issued by the NJ Division of Consumer Affairs that is not subject to limitation, and practice within the State of New Jersey.

**Outreach & Communication**

The MMP developed a Customer Service Unit (CSU) for physicians, patients, caregivers, ATCs and the public. The CSU has responded to 25,091 public inquiries via telephone and e-mail. The CSU has also taken a hands-on approach with patients and caregivers to provide assistance through the registration process.

The MMP communicates with ATCs in the examination process to facilitate the review of submissions. Additionally, the MMP communicates daily with operational ATCs to monitor activity, obtain status reports, and resolve any programmatic issues to ensure compliance with the Act and applicable regulations.

**Education**

The MMP has partnered with the New Jersey Board of Medical Examiners, the Medical Society of New Jersey, and the Drug Policy Alliance to provide an electronic library of scholarly articles and research materials, which are available on the MMP website.

The MMP has developed a Medicinal Marijuana Strain Library available to registered physicians and patients through the MMP registry. The library contains laboratory testing results of available strains of medicinal marijuana cultivated by the ATCs. As of December 31, 2014, there were 33 distinct strains available and posted on the library site. The library is designed to assist physicians and patients in making informed decisions regarding medicinal marijuana use.

**Marijuana Testing**

The MMP worked with several State agencies to develop marijuana sampling and testing protocols that ensure compliance with labeling standards and the quality of the product. Furthermore, the Department’s Public Health Environmental Laboratory (PHEL) established additional, scientific protocols for product sampling and testing.
The Department of Health
Medicinal Marijuana Program
2014 Annual Report

The PHEL worked with the Department of Agriculture to develop protocols related to testing for molds and pesticides. The MMP sampling and testing process was developed after researching marijuana testing protocols in the United States, Canada, and Europe. Product testing is necessary to establish cannabinoid profiles and screen the product for mold and other contaminants that can be dangerous for patients with compromised immune systems. The PHEL has developed a testing protocol for the detection of pesticides. Additionally, ATCs have provided the MMP with certification that no chemical pesticides are used in the cultivation of medicinal marijuana.

As of December 31, 2014, the MMP has conducted laboratory testing on 36 distinct strains of medicinal marijuana cultivated by operating ATCs.

Regulatory Process

The Department and LPS established a permitting process to thoroughly review the financial and personal backgrounds of the principals associated with the ATCs. The permitting process is modeled after protocols and procedures for reviewing the background and finances of casino operators undertaken by the Division of Gaming Enforcement, within LPS. Additionally, the MMP has developed an:

- Online registration process for patients, caregivers and ATC employees. Successful applicants are issued an identification card specific to their role within the program;
- Identification card system with various security features that mitigate counterfeiting and which can be validated by law enforcement through an online search; and
- ATC Monitoring Unit that conducts on-site inspections, monitors the ATCs by video in real time, and remotely accesses the ATC internal inventory management systems.

The DOH has collaborated with several State and private entities to implement the Act, including, but not limited to, LPS, including the Office of the Attorney General, the Boards of Medical Examiners and Pharmacy, and the Division of Gaming Enforcement; the Departments of Agriculture, Environmental Protection, Labor and Workforce Development, and Treasury; the Motor Vehicle Commission; Rutgers University; the University of Mississippi; the Drug Policy Alliance; the Medical Society of New Jersey; and the Coalition for Medical
Marijuana New Jersey. Each has lent expertise to program implementation and operation.

**Budget**

The FY15 MMP budget consists of an appropriation of $1,607,000 and a carry forward from FY14 of $250,677 for a total overall budget of $1,857,677. Revenue generated from July 1, 2014 to December 31, 2014 from the issuance of patient and caregiver identification cards and ATC permitting is $206,176. This revenue is used to help offset the operation cost of the program.

A. Certificate of Frank Bianco (Director of Science & Production in Colorado) and Independent Lab Reports Regarding Consistent Cannabinoid Profiles
CERTIFICATION OF CONSISTENT CANNABINOID PROFILE

The undersigned is the Director of Science and Production for Compassionate Care Giver’s, Inc. ("CCG") and the other Colorado affiliates of Empire State Compassionate Care, Inc. ("ESCC"). I have collaborated closely with David Weisser, President of CCG and ESCC, in the scientific development, cultivation, processing (including extracting and infusing of “oils”), and testing of ready for delivery medical marijuana products.

Annexed to this certification are independent laboratory test results which were conducted on marijuana products produced by ESCC’s Colorado affiliate, Compassionate Care Giver’s, Inc.

Although edibles will not be implemented in New York, for purposes of demonstrating “Consistent Cannabinoid Profile”, the lab results from testing conducted on hard candy edible products have significance in that they show consistency and homogeneity of the cannabinoid profile of the “oils” that are infused into said products.

Edibles use oil extract as the only source of active cannabinoid. Consistency and homogeneity of the cannabinoid profile of oil is the determinative factor in producing finished product with consistent cannabinoid profiles. Thus, demonstrated cannabinoid profile consistency of the edible products show (1) the product itself has a consistent cannabinoid profile, and (2) the oil extract used to create edible product also had a consistent cannabinoid profile.

Annexed are sample independent laboratory test results of selections of hard candy edibles made from the same “strain”, but from 6 different batches made and tested on 6 different dates. The results show the following cannabinoid profiles:

```
#1. 8.94 Total Milligrams: 8.65 mg THC, 0.10 mg CBD, 0.07 mg CBN, 0.12 mg CBG;
#2. 8.71 Total Milligrams: 8.37 mg THC, 0.11 mg CBD, 0.10 mg CBN, 0.10 mg CBG, 0.03 mg CBD-A;
#3. 8.13 Total Milligrams: 7.86 mg THC, 0.09 mg CBD, 0.07 mg CBN, 0.11 mg CBG;
#4. 8.61 Total Milligrams: 8.20 mg THC, 0.09 mg CBD, 0.07 mg CBN, 0.09 mg CBG, 0.16 mg THC-A;
#5. 8.89 Total Milligrams: 8.60 mg THC, 0.10 mg CBD, 0.07 mg CBN, 0.12 mg CBG;
#6. 8.11 Total Milligrams: 7.84 mg THC, 0.09 mg CBD, 0.07 mg CBN, 0.11 mg CBG.
```

The above analytic results show that 6 samples from 6 different dates and batches have a similar active cannabinoid profile. Importantly, variations between the 6 samples on the THC contents were only 0.81 mg and on CBD contents were only 0.02 mg. Thus, the independent lab results prove the uniformity and consistency of the cannabinoid profile of the oil extract throughout all 6 samples from different batches on different dates.

These sample lab results demonstrate two significant findings:

(1) the oil extracts infused into these different batches of a particular type of end-product (hard candy edibles) had an insignificant level of variation in the cannabinoid profiles among the different batches; and, as such,
(2) the cultivation and processing methodology utilized by CCG on these batches were effective in producing consistent quality marijuana plants that in turn produced marijuana products with consistent cannabinoid profiles.
Although the consistency of the finished oil extract and the infused end product will be more important in New York State, another example of CCG’s (and by extension ESCC’s) ability to produce consistent cannabinoid profiles, is demonstrated in the attached 4 sets independent laboratory results conducted on our product in a “flower form”. These samples were selected from four different batches of the same “strain” or “brand” and were tested by two separate laboratories on two different dates:

A-1. 20.45% THCA; A-2. 19.50% THCA;  
B-1. 23.97% THCA; B-2. 24.18% THCA;  
C-1. 16.00% THCA; C-2. 15.44% THCA;  
D-1. 17.91% THCA; D-2. 17.75% THCA.

ESCC will be implementing similar methodologies of cultivation and extraction in New York State as described in ESCC’s application to become a Registered Organization and, as such, we have every confidence that ESCC will similarly produce high-quality medical marijuana products with consistent cannabinoid profiles.

All cannabinoids in their acid forms (those ending in "-A") can be converted to their non-acid forms through a process called decarboxylation when the sample is heated. The molecules lose mass through this process, and thus to find the total theoretical active cannabinoids you must multiply the acid forms by 87.7%.

For example, THC-A can be converted to active THC using the formula:  
THC-A x 0.877 = THC  
And so the Max THC for the sample is:  
Max THC = (THC-A x 0.877) + THC

This method has been validated according to the principles of the International Conference on Harmonisation.

All cannabinoids in their acid forms (those ending in "-A") can be converted to their non-acid forms through a process called decarboxylation when the sample is heated. The molecules lose mass through this process, and thus to find the total theoretical active cannabinoids you must multiply the acid forms by 0.877.

For example, THC-A can be converted to active THC using the formula: THC-A x 0.877 = THC
And so the Max THC for the sample is: Max THC = (THC-A x 0.877) + THC

This method has been validated according to the principles of the International Conference on Harmonisation.

Dear Commissioner Zucker:

Dealing with [REDACTED] has been a [REDACTED], making performing the most routine tasks, that many people take for granted, a challenge and having an [REDACTED] on my [REDACTED].

Over the course of my diagnosis and dealing with [REDACTED] doctors have tried a [REDACTED] to help [REDACTED]. I went to see a [REDACTED] expert who could help figure out the best way for me to receive treatment. After receiving many different treatments all of which had [REDACTED] I needed to find something new to try.

It turns out that [REDACTED] and I was referred to the Garden State Dispensary in Woodbridge. From the first time I walked into the Garden State Dispensary I noticed an environment that was compassionate and understanding about my condition and they were willing to work with me to develop a plan of care that would help [REDACTED] the [REDACTED] that I was experiencing [REDACTED] that had become a [REDACTED].

Medical marijuana has [REDACTED] and enabled me to [REDACTED]. The guidance provided by the counselors enabled me to build the confidence in their options of treatment that have improved my quality of life.

From the first time I entered the Garden State Dispensary I have been able to say that they have made a meaningful impact and improved the quality of my life. The care that patients receive here should be replicated in New York State. I hope that people who are suffering the same way I am get the opportunity to be comforted and assisted by these owners like I was.
I would encourage you to grant an application to Empire State Compassionate Care (Garden State Dispensary in NJ) so that people, who are afflicted with debilitating diseases, like mine, get the care they need and rightfully deserve.

If you would like to discuss further with me, please do not hesitate to contact me at [redacted]. Thank you for your attention in this matter.

Dear Commissioner Zucker:

My name is Janet Snyder Capello and I have been living with [redacted] for the past [redacted] years. It has been a [redacted], however, thanks to the great people at the Garden State Dispensary (applying in New York under Empire State Compassionate Care) I can honestly say, I am coming back.

For the past [redacted], I have been a patient there and the progress I am making is nothing [redacted]. Upon beginning my treatment, the staff provided me with a consultation that was kind, approachable and gentle. They were upbeat and remain a source of great energy for me. They are always available to me if I have any questions and remain in touch to ensure progress is being made.

Turning to medical marijuana wasn't easy and there are stigmas associated with it and I [redacted]. However, in the past [redacted], my [redacted].

My [redacted], who just completed her first year at Rutgers Law School, has noticed the difference also and she recently said, "your [redacted] and [redacted]."

While it may not seem like much to some, I went to a picnic this past weekend and saw friends that I hadn't seen in years. The people at the Garden State Dispensary have made that possible.

I wholeheartedly support Empire State Compassionate Care's record of caring, excellence and its expertise in helping people like me afflicted with HIV/AIDS. I hope that you will offer the people of New York the same quality, compassionate care I have been provided.

I am much happier today and strengthened by the fact that these people will help me share in the day when [redacted] graduates Rutgers Law to become an attorney.

If you have any questions, please do not hesitate to contact me at [redacted].
Sincerely,

Dear Commissioner Zucker:

My name is [redacted] and I want you to know that I support Empire State Compassionate Care's application to grow and dispense medical marijuana. This support comes from my personal experience that their New Jersey Company, Garden State Dispensary, has improved my life and the way to measure their success is by the success I have reclaimed in my life.

Growing up I always envisioned that one day I would be able to be a [redacted] and help people in my community. Unfortunately, I may never realize that dream - but the alternative for me was far worse until I found the Garden State Dispensary.

When I was [redacted] years old I would often [redacted] and tell my [redacted] that I [redacted] with [redacted] and suffered from [redacted]. At [redacted] I was [redacted] suffered and after only one year at Rutgers, I was [redacted].

Doctors prescribed many different medications to try to control my [redacted] but they just didn’t work. I was suffering anywhere from [redacted] or [redacted] per [redacted] and over [redacted] With what seemed to be no end in sight I needed to find additional ways to help improve my condition. As a result of the [redacted] I was [redacted] and went from [redacted]

I spoke to my doctor and we began to research if medical marijuana would be a good option for my care. After a disappointing encounter at another medical marijuana facility I decided to give it one final shot and drove for over an hour and a half to the Garden State Dispensary.

It was here I was greeted with first class care and dealt with a counselor who was able to understand my condition and help me out. I still make the [redacted] trip because the results I
have encountered at Garden State Dispensary have proven invaluable to reclaiming my life. The results have been remarkable.

I have experienced an [redacted] and began to [redacted] and suddenly I [redacted]. My [redacted] noticed my new found motivation and together we are making plans for me to go back to college. Further, after being [redacted] for a long period of time, I now have a [redacted] Most importantly, I haven’t had a [redacted] in [redacted].

If it wasn’t for the help I received at the Garden State Dispensary, I would not be in the position where I am today. I stand here today as a [redacted]-year-old man who suddenly has the motivation and vision to do something with his life.

I hope that in New York State they open the same type of high quality facility there that can provide the help and assistance that they have given me here.

If you have any further questions, please don’t hesitate to contact me at the above number.

Dear Commissioner Zucker:

First and foremost I’d like to thank you for your time, hello my name is Marta Portugaluex. As an activist in New Jersey who was supportive of the passage of medicinal cannabis, I want to congratulate you and Governor Cuomo for your vision and courage in helping to make medical cannabis a reality in New York State.

To understand the magnitude of why I’m so passionate about this subject let me tell you how I became an activist in the first place. About [redacted] years ago my health took a [redacted] and prevented me from continuing my career. The [redacted] to do basic things such as [redacted] was no longer possible. It was sudden and to make matters worse no one could tell me what happened or what was wrong. After numerous amounts of testing I was diagnosed with [redacted] and [redacted] among other disorders. Attending [redacted] or even [redacted] was an [redacted]. While my [redacted] became a thing of the past my [redacted]

In 2010 I had the pleasure of being part of history. I took part in helping The Compassionate Act become state law. With countless amounts of research I knew this was something that had to become part of my treatment. This journey was not only personal but necessary. I wanted to fight for others like myself living with [redacted], give them hope, like no one had done for me.

Upon being accepted into the program, the dispensary I was assigned was not the right fit and the waiting period was too much. After what seemed like forever, the search finally ended with the Garden State Dispensary. The professionalism, dignity and respect the Weissler family has shown me since I became a patient make them uniquely qualified to operate as a growing dispensary operator in New York State (under Empire State Compassionate Care). I hope they have the ability to help people in need in New York much to the same way that they have been able to help me and others across New Jersey. The staff is exceptional and I cannot thank them enough for being attentive, knowledgeable, and always compassionate.

I’m happy to announce for the first time in over [redacted], [redacted] went on a [redacted]. While that may not sound like much, my life has improved since becoming a medicinal cannabis patient. I am making huge strides towards [redacted] and with my new found hope I know my life will only improve from here.
Sincerely,

Dear Commissioner Zucker:

Growing up, I participated with great enthusiasm in [redacted] and competed in the [redacted] while suffering from [redacted] and [redacted]. However, after being diagnosed with [redacted] and [redacted], I became [redacted] and then [redacted]. My doctors prescribed a number of [redacted] but they only caused more health issues. The side effects of the prescription drugs resulted in my [redacted] and [redacted]. I would [redacted].

After being referred to the Garden State Dispensary, my life has taken a 180 degree turn for the better. There are many misconceptions about medical marijuana, but the Garden State Dispensary is staffed with friendly, warm and knowledgeable people who prescribed a treatment plan to address my issues. The results, for me, remain quite amazing - I haven't had a [redacted] or a [redacted] in over [redacted].

After not [redacted], for many years, I [redacted] my [redacted] which is experiencing success in the early stages. More importantly, I have started working with [redacted] and me [redacted] in all [redacted].

The life lesson of getting right back on a [redacted] after you've [redacted] is appropriate for me. The people at Garden State Dispensary gave me a hand to do just that. The staff helps me continue on my journey while life still presents me challenges. While I may not have all I need to try my dream of participating in the [redacted], I can help a [redacted] realize theirs - whether it's competing in the [redacted] or [redacted].

That's why, I am thrilled to support their bid to receive an application in New York State under Empire State Compassionate Care. I am happy to speak to anyone should there be questions. You can reach me at [redacted].

Dear Commissioner Zucker:

In the year at age 65 I received some [redacted] news from my doctor. I had [redacted]. It left me [redacted]. The method of treatment prescribed by my doctor at the time included the placement of [redacted] behind my [redacted].

ARTICLE I

OFFICES

1.1. Principal Office - The principal office of the Corporation shall be as set forth in its Certificate of Incorporation.

1.2. Additional Offices - The Corporation may have such additional offices at such other place within or without the State of New York as the Board of Directors may from time to time determine or as the business of the Corporation may require.

ARTICLE II

SHAREHOLDERS' MEETING

2.1. Annual Meeting - An annual meeting of shareholders shall be held within five (5) months after the close of the fiscal year of the Corporation on such date and at the time and place (either within or without the State of New York) as shall be fixed by the Board of Directors. At the annual meeting the shareholders shall elect Directors and transact such other business as may properly be brought before the meeting.

2.2. Special Meeting - A special meeting of shareholders may be called at any time by the President and shall be called by the President at the request in writing of a majority of the Board of Directors then in office or at the request in writing filed with the Secretary by the holders of a majority of the issued and outstanding shares of the capital stock of the Corporation entitled to vote at such meeting. Any such request shall state the purpose or purposes of the proposed meeting. Business transacted at any special meeting of shareholders shall be confined to the purposes set forth in the notice thereof.

2.3. Notice of Meetings - Notice of the time, place and purpose of every meeting of shareholders (and, if other than an annual meeting, the person or persons at whose discretion the meeting is being called), shall be given by the President, a Vice-President or by the Secretary to each shareholder of record entitled to vote at such meeting, not less than ten nor more than sixty days prior to the date set for the meeting. Notice of any meeting of shareholders may be written or electronic. If mailed, such notice is given when deposited in the United States mail, with first
class postage prepaid, directed to the shareholder at his address appearing on the stock book of the Corporation or at such other address supplied by him in writing to the Secretary of the Corporation for the purpose of receiving notice. If transmitted electronically, such notice is given when directed to the shareholder’s electronic mail address as supplied by the shareholder to the Secretary of the Corporation or as otherwise directed pursuant to the shareholder’s authorization or instructions.

A waiver of notice setting forth the purposes of the meeting for which notice is waived, whether before or after the time of the meeting stated therein, shall be deemed equivalent to the giving of such notice, signed by the person or persons entitled to such notice. Waiver of notice may be written or electronic. If written the notice must be signed by the shareholder or the shareholder’s authorized Officer, Director, employee or agent by signing such waiver or causing his or her signature to be affixed to such waiver by any reasonable means, including, but not limited to, facsimile signature. If electronic, the transmission of the waiver must either set forth or be submitted with information from which it can reasonably be determined that the transmission was authorized by the shareholder. The attendance by a shareholder at a meeting either in person or by proxy without protesting the lack of notice thereof shall constitute a waiver of notice of such shareholder.

All notice given with respect to an original meeting shall extend to any and all adjournments thereof and such business as might have been transacted at the original meeting may be transacted at any adjournment thereof; no notice of any adjourned meeting need be given if an announcement of the time and place of the adjourned meeting is made at the original meeting.

2.4. **Quorum** - The holders of a majority of the votes of shares of stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall be requisite and shall constitute a quorum at all meetings of shareholders except as otherwise provided by statute or the Certificate of Incorporation. If, however, a quorum shall not be present or represented at any meeting of shareholders, the shareholders entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified. When a quorum is once present to organize a meeting, such quorum is not deemed broken by the subsequent withdrawal of any shareholders.

2.5. **Voting** - Every shareholder entitled to vote at any meeting shall be entitled to one vote for each share of stock entitled to vote and held by him of record on the date fixed as the record date for said meeting and may so vote in person or by proxy. Any corporate action, other than the election of Directors, shall be authorized by a majority of the votes cast in favor of or against such action by the holders of shares entitled to vote thereon except as may otherwise be provided by statute or the Certificate of Incorporation. An abstention shall not count as a vote cast.

2.6. **Proxies** - Every proxy shall be valid only if filed with the Secretary of the Corporation or with the Secretary of the meeting prior to the commencement of voting on the
matter in regard to which said proxy is to be voted. No proxy shall be valid after the expiration of eleven months from the date of its execution unless otherwise expressly provided in the proxy. Every proxy shall be revocable at the pleasure of the person executing it except as otherwise provided by Section 609 of the Business Corporation Law. Unless the proxy by its terms provides for a specific revocation date and except as otherwise provided by statute, revocation of a proxy shall not be effective unless and until such revocation is executed in writing by the shareholder who executed such proxy and the revocation is filed with the Secretary of the Corporation or with the Secretary of the Meeting prior to the voting of the proxy.

A shareholder may execute a writing authorizing another person or persons to act for him as proxy. Execution may be accomplished by the shareholder or its authorized Officer, Director, employee or agent signing such writing or causing his or her signature to be affixed to such writing by any reasonable means including, but not limited to, by facsimile signature. A shareholder may authorize another person or persons to act for the shareholder as proxy by electronic transmission to the person who will be the holder of the proxy or to an agent duly authorized by the proxyholder to receive such transmission. Any such electronic transmission must set forth or be submitted with sufficient information from which it can be reasonably determined that the electronic transmission was authorized by the shareholder. The information relied upon by the inspectors or other persons making the determination shall be specified.

Any copy, facsimile or other reliable reproduction of the writing or transmission created pursuant to this section may be substituted or used in lieu of the original writing or transmission for any and all purposes for which the original writing or transmission could be used, provided that such copy, facsimile or other reproduction shall be a complete reproduction of the original document.

2.7. **Shareholders' List** - A list of shareholders as of the record date, certified by the Secretary of the Corporation or by a transfer agent appointed by the Board of Directors shall be prepared for every meeting of shareholders and shall be produced by the Secretary or some other Officer of the Corporation thereat.

2.8. **Inspectors at Meetings** - In advance of any shareholders' meeting, the Board of Directors may appoint one or more inspectors to act at the meeting or at any adjournment thereof and if not so appointed or if the persons so appointed are unable to act, the person presiding at any such meeting may appoint one or more inspectors. Each inspector, before entering upon the discharge of his duties as set forth in Section 611 of the Business Corporation Law, shall take and sign an oath faithfully to execute the duties of inspector at such meeting with strict impartiality and according to the best of his ability.

2.9. **Conduct of Meeting** - All meetings of shareholders shall be presided over by the President, or if he is not present, by a Vice-President, or if neither the President nor any Vice-President is present, by a chairman thereby chosen by the shareholders at the meeting. The Secretary of the Corporation, or in his absence, an Assistant Secretary, shall act as secretary of every meeting but if neither the Secretary nor the Assistant Secretary is present, the chairman of the meeting shall appoint any person present to act as secretary of the meeting.
2.10. **Action Without Meeting** - Any action required or permitted to be taken by the Shareholders thereof may be taken without a meeting if all Shareholders entitled to vote thereon consent in writing to the adoption of a resolution authorizing the action except as otherwise permitted by the Certificate of Incorporation.

No written consent shall be effective to take the corporate action referred to therein unless, within sixty days of the earliest dated consent delivered in the manner required by this paragraph to the Corporation, written consents signed by a sufficient number of holders to take action are delivered to the Corporation by delivery to, its registered office in this state, its principal place of business, or an Officer or agent of the Corporation having custody of the book in which proceedings of meetings of shareholders are recorded. Delivery made to the Corporation’s registered office shall be by hand or by certified or registered mail, return receipt requested.

**ARTICLE III**

**BOARD OF DIRECTORS**

3.1. **Function and Definition** - The business and property of the Corporation shall be managed by its Board of Directors who may exercise all the powers of the Corporation and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these By-Laws directed or required to be exercised or done by the shareholders.

3.2. **Number and Qualification** - The number of Directors constituting the entire Board shall be five (5) or as may be fixed by resolution of the Board of Directors or by the shareholders entitled to vote for the election of Directors, provided that any such action of the Board shall require the vote of a majority of the entire Board. The phrase "Entire Board" as used herein means the total number of Directors which the Corporation would have if there were no vacancies. The term of any incumbent Director shall not be shortened by any such action by the Board of Directors or by the shareholders.

Each Director shall be at least eighteen years of age. A Director need not be a shareholder, a citizen of the United States or a resident of the State of New York.

3.3. **Election Term and Vacancies** - Except as otherwise provided in this Section, all Directors shall be elected at the annual meeting of shareholders and all Directors who are so elected or who are elected in the interim to fill vacancies and newly created directorships, shall hold office until the next annual meeting of shareholders and until their respective successors have been elected and qualified.

The members of the Board of Directors shall be elected by a majority of the votes cast at a meeting of shareholders, by the holders of shares entitled to vote, except as otherwise provided in the Certificate of Incorporation.
In the interim between annual meetings of shareholders, newly created directorships resulting from an increase in the number of Directors or from vacancies occurring in the Board, but not, except as hereinafter provided, in the case of a vacancy occurring by reason of removal of a Director by the shareholders, may be filled by the vote of a majority of the Directors, then remaining in office, although less than a quorum may exist.

In the case of a vacancy occurring in the Board of Directors by reason of the removal of one or more Directors by action of the shareholders, such vacancy may be filled by the shareholders at a special meeting duly called for such purpose.

In the event a vacancy is not filled by such election by shareholders, whether or not the vacancy resulted from the removal of a Director with or without cause, a majority of the Directors then remaining in office, although less than a quorum, may fill any such vacancy.

3.4. **Removal** - The Board of Directors may, at any time, with cause, remove any Director.

The shareholders entitled to vote for the election of Directors may, at any time, remove any or all of the Directors with or without cause.

3.5. **Meetings** - The annual meeting of the Board of Directors for the election of Officers and the transaction of such other business as may come before the meeting, shall be held, without notice, immediately following the annual meeting of shareholders, at the same place at which such shareholders' meeting is held.

Regular meetings of the Board of Directors shall be held at such time and place, within or outside the State of New York as shall be fixed by resolution of the Board, and when so fixed no further notice thereof need be given. Regular meetings not fixed by resolution of the Board may be held on notice at such time and place as shall be determined by the Board.

Special meetings of the Board of Directors may be called on notice at any time by the President, and shall be called by the President at the written request of a majority of the Directors then in office.

3.6. **Notice of Meetings** - In the case of all special meetings and of regular meetings not fixed by resolution of the Board, written notice of the time and place of each such meeting shall be mailed to each Director, addressed to his residence or usual place of business, not less than five days before the date on which such meeting is to be held, or shall be sent to such address by telegram, or be given personally, or by telephone, not less than one day before the date on which such meeting is to be held. The notice of the meeting need not specify the purpose of the meeting.

Any meeting of the Board of Directors for which notice is required by these By-Laws or by statute need not be given to any Director who submits a signed Waiver of Notice whether before or after the meeting, or who attends the meeting without protesting prior thereto or at its
3.7. **Conduct of Meetings** - The President, if present, shall preside at all meetings of Directors. At all meetings at which the President is not present any other Director chosen by the Board shall preside.

3.8. **Quorum, Adjournment, Voting** - Except as otherwise provided by the Certificate of Incorporation, a majority of the entire Board shall be requisite and shall constitute a quorum at all meetings of the Board of Directors for the transaction of business. Where a vacancy or vacancies prevents such majority, a majority of the Directors then in office shall constitute a quorum.

A majority of the Directors present at any meeting, whether or not a quorum is present, may adjourn the meeting to another time and place without further notice other than an announcement at the meeting.

Except as otherwise provided by the Certificate of Incorporation, when a quorum is present at any meeting, a majority of the Directors shall decide any questions brought before such meeting and the act of such majority shall be the act of the Board.

3.9. **Action Without Meeting** - Any action required or permitted to be taken by the Board of Directors or of any committee thereof may be taken without a meeting if all members of the Board of Directors or of any committee thereof consent in writing to the adoption of a resolution authorizing the action.

Any one or more members of the Board of Directors or of any committee thereof may participate in a meeting of said Board or of any such committee by means of a conference telephone or similar communications equipment allowing all persons participating in the meeting to hear each other at the same time, and participation by such means shall constitute presence in person at the meeting.

3.10. **Compensation of Directors** - Directors, as such, shall not receive any stated salary for their services, but, by resolution of the Board, a fixed sum and expenses of attendance, if any, may be allowed for attendance at any meeting of the Board of Directors or of any committee thereof. Nothing herein contained shall be construed to preclude any Director from serving the Corporation in any other capacity and receiving reasonable compensation therefor.

3.11. **Committees** - The Board of Directors, by resolution of a majority of the entire Board, may designate from among its members one or more committees, each consisting of one or more Directors, and each of which, to the extent provided in such resolution, shall have all the authority of the Board except that no such committee shall have authority as to any of the following matters:
(a) The submission to shareholders of any action as to which shareholders’ authorization is required by statute, the Certificate of Incorporation or by these By-Laws;

(b) The filling of vacancies in the Board of Directors or in any committee thereof;

(c) The fixing of compensation of the Directors for serving on the Board or on any committee thereof;

(d) The amendment or repeal of these By-Laws or the adoption of new By-Laws; and

(e) The amendment or repeal of any resolution of the Board of Directors which by its terms shall not be so amendable or repealable.

The Board may designate one or more Directors as alternate members of any such committee who may replace any absent member or members at any meeting of such committee.

Each such committee shall serve at the pleasure of the Board. The Board of Directors shall have the power at any time to fill vacancies in, to change the membership of, or to discharge any such committee. Committees shall keep minutes of their proceedings and shall report the same to the Board of Directors at the meeting of the Board next succeeding, and any action by the committee shall be subject to revision and alteration by the Board of Directors, provided that no rights of a third party shall be affected in any such revision or alteration.

The Board of Directors by resolution from time to time may confer like powers upon any other person or persons.

4.7. **Vice-President** - The Vice-President shall have such powers and perform such duties as the Board of Directors may from time to time prescribe. 4.10. **Other Officers** - All other Officers, if any, shall have such authority and shall perform such duties as may be specified from time to time by the Board of Directors.
ARTICLE V

Any Director or Officer of the Corporation or any member of any committee of the Board of Directors of the Corporation, may resign at any time by giving written notice to the Board of Directors, the President or the Secretary. Any such resignation shall take effect at the time specified therein or, if the time is not specified therein, upon the receipt thereof, irrespective of whether any such resignations shall have been accepted.

ARTICLE VI

CERTIFICATES REPRESENTING SHARES

6.1. Form of Certificates - Each shareholder shall be entitled to a certificate or certificates in such form as prescribed by the Business Corporation Law and by any other applicable statutes, which Certificate shall represent and certify the number, kind and class of shares owned by him in the Corporation. The Certificates shall be numbered and registered in the order in which they are issued and upon issuance the name in which each Certificate has been issued together with the number of shares represented thereby and the date of issuance shall be entered in the stock book of the Corporation by the Secretary or by the transfer agent of the Corporation. Each certificate shall be signed by the President or a Vice-President and countersigned by the Secretary or Assistant Secretary and shall be sealed with the Corporate Seal or a facsimile thereof. The signatures of the Officers upon a certificate may also be facsimiles if the certificate is countersigned by a transfer agent or registered by a registrar other than the Corporation itself or an employee of the Corporation. In case any Officer who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such Officer before the certificate is issued, such certificate may be issued by the Corporation with the same effect as if the Officer had not ceased to be such at the time of its issue.

6.2. Consideration - A certificate representing shares shall not be issued until the amount of consideration therefor determined to be stated capital pursuant to Section 506 of the Business Corporation Law has been paid in the form of cash, services rendered, personal or real property or a combination thereof and consideration for the balance (if any) complying with paragraph (a) of Section 504 of the Business Corporation Law has been provided, except as provided in paragraphs (e) and (f) of Section 505 of the Business Corporation Law. Notwithstanding that such shares may be fully paid and nonassessable, the Corporation may place in escrow shares issued for a binding obligation to pay cash or other property or to perform future services, or make other arrangements to restrict the transfer of the shares, and may credit distributions in respect of the shares against the obligation, until the obligation is performed.

6.3. Lost Certificates - The Board of Directors may direct a new certificate or certificates to be issued in place of any certificate or certificates theretofore issued by the Corporation, alleged to have been lost, mutilated, stolen or destroyed, upon the making of an
affidavit of that fact by the person so claiming and upon delivery to the Corporation, if the Board of Directors shall so require, of a bond in such form and with such surety or sureties as the Board may direct, sufficient in amount to indemnify the Corporation and its transfer agent against any claim which may be made against it or them on account of the alleged loss, destruction, theft or mutilation of any such certificate or the issuance of any such new certificate.

6.4. Fractional Share Interests - The Corporation may issue certificates for fractions of a share; or it may pay in cash the fair market value of fractions of a share as of the time when those entitled to receive such fractions are determined; or it may issue script in registered or bearer form over the manual or facsimile signature of an Officer of the Corporation or of its agent, exchangeable as therein provided for full shares, but such script shall not entitle the holder to any rights of a shareholder except as therein provided.

6.5. Share Transfers - Upon compliance with provisions restricting the transferability of shares, if any, transfers of shares of the Corporation shall be made only on the share record of the Corporation by the registered holder thereof, or by his duly authorized attorney, upon the surrender of the certificate or certificates for such shares properly endorsed with payment of all taxes thereon.

6.6. Record Date for Shareholders - For the purpose of determining the shareholders entitled to notice of, or to vote at any meeting of shareholders or any adjournment thereof or to express consent or dissent from any proposal without a meeting, or for the purpose of determining the shareholders entitled to receive payment or any dividend or the allotment of any rights, or for the purpose of any other action, the Board of Directors may fix, in advance, a date as the record date for any such determination of shareholders. Such date shall not be more than sixty nor less than ten days before the date of any meeting nor more than sixty days prior to any action taken without a meeting, the payment of any dividend or the allotment of any rights, or any other action. When a determination of shareholders of record entitled to notice of, or to vote at any meeting of shareholders has been made as provided in this Section, such determination shall apply to any adjournment thereof, unless the Board fixes a new record date under this Section for the adjourned date.

6.7. Shareholders of Record - The Corporation shall be entitled to treat the holder of record of any share or shares of stock as the holder in fact thereof and, accordingly, shall not be bound to recognize any equitable or other claim to or interest in such share on the part of any other person whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of the State of New York.

8. Attachment F – Labor Peace Agreement
LABOR PEACE AGREEMENT  
BY AND BETWEEN  
EMPIRE STATE COMPASSIONATE CARE, INC.  
AND  
LOCAL 338, RWDSU/UFCW

By this Agreement dated May 14, 2015, Empire State Compassionate Care, Inc. (the “Employer”) and Local 338, RWDSU/UFCW, 1505 Kellum Place, Mineola, New York (the “Union”) hereby establish the following procedure to address the Union’s efforts to organize employees in any existing or new facility owned or operated by the Employer in which the employees are not represented by a labor organization:

1. The term, “employees,” used herein shall include all full-time and part-time employees, including, but not limited to, pharmacists, pharmacy technicians, dispensaries, consultants, drivers, growers, retail, manufacturers, trimmers, and anyone else performing work for or on behalf of the Employer, and shall exclude only those who are statutorily excluded by the National Labor Relations Act (“NLRA”).

2. Within ten (10) days after receiving written notice of the Union’s intent, the Employer agrees to furnish the Union with a complete list of employees in the shop designated in the notice, including job classifications, departments, street addresses, telephone numbers and e-mail addresses. The Employer agrees to thereafter provide updated lists as reasonably requested. The Employer waives the right under the NLRA to file any petition with the National Labor Relations Board for any election in connection with the invocation of this Agreement and agrees to refrain from directly or indirectly supporting any such petition.

3. The Employer agrees to take a neutral approach to unionization of employees. Neutrality means that the Employer will neither help nor hinder the Union’s organizing effort by, for example, directly or indirectly demeaning by word or deed the Union or its representatives, or directly or indirectly supporting or assisting in any way any person or group who may oppose the Union. The Employer agrees not to communicate to any employee that it disfavors the Union or the signing of authorization cards, or that they may suffer adverse consequences for supporting the Union or signing cards. The Employer also agrees that it, and its managers, supervisors and other representatives will refer to the Union by name and not as “third party,” “outsider” or in similar manner. The parties will conduct themselves with mutual respect for each other during any organizing effort.

4. During organizing efforts, the Employer’s managers, supervisors and other representatives will remain neutral and will refrain from communicating with employees about how they should respond to the Union. The Employer agrees to inform all of its managers, supervisors and representatives of this obligation and that the Employer has no objection to employees supporting the Union or engaging in union activities, including meeting with Union representatives or signing authorization cards. The Employer will promptly terminate any violation of this provision and immediately act to discourage any additional violation, including disciplining any manager or supervisor - or terminating its relationship with any independent contractor representative - who violates it. The Employer agrees to take prompt action to
mitigate the effects of any violation, including informing employees of the Employer's position on organizing and the rights of employees to organize.

5. The Employer agrees to permit Union representatives access to the workplace to communicate with employees, including through the distribution of materials. Union representatives will not disrupt the Employer's operations or unreasonably interfere with employee production.

6. The facility's highest level manager will meet with and tell employees that the Employer has no objection to employees meeting with Union representatives, supporting the Union or signing authorization cards. That manager will also tell employees that the Employer is neutral in their selection of union representation.

7. If the Union provides evidence in support of its claim that a majority of employees have designated the Union as their collective bargaining representative, the Employer will recognize the Union as such representative of the employees in the bargaining unit described in the Union's notice invoking this provision and will extend this Agreement to them.

8. If both the Union and the Employer mutually agree that additional Agreement provisions are necessary for the new unit or if the National Labor Relations Board or a court determines that the parties may not lawfully extend this Agreement to the unit, the parties agree to bargain in good faith over a collective bargaining agreement to cover the employees. The parties agree to commence bargaining within 20 business days from the date the neutral verifies the Union's majority. If they are unable to agree to a collective bargaining agreement, the parties agree to submit all open provisions and issues to final and binding interest arbitration. If they are unable to select an arbitrator, the parties shall select an arbitrator to set the open provisions and resolve any other issues in accordance with the procedures of this Agreement's arbitration provision.

9. The parties agree to resolve any dispute over the interpretation of this provision through expedited arbitration. The parties will invoke expedited arbitration by requesting an arbitrators' list from the American Arbitration Association. Within 10 days of receiving AAA's arbitrators' list, the parties will submit their struck lists to the AAA. The parties agree that AAA will follow its labor arbitration rules to select an arbitrator based on the list or lists the parties submit. The AAA will strictly apply its rule requiring struck lists to be timely submitted in accordance with this provision. The arbitrator will hear the dispute on either the first or second date the arbitrator is available and issue an award within 20 days thereafter. The parties will equally share the arbitrator's fees and costs.

10. The parties agree that the arbitrator has the authority to direct the breaching party to specifically perform its obligations under this provision. The arbitrator may award a penalty of up to $10,000 for willful breaches. A willful breach is one that clearly violated this provision and was not corrected after the aggrieved party provided notice of it to the violating party. The parties consent to the entry of the arbitrator's award as the order of judgment of a United States District Court, without notice.
11. The Union and the Employer recognize that this Agreement is in their mutual best interests and therefore agree to prevent evasion of the terms of this Agreement through the use of contractors and/or subcontractors. To comply with the spirit of this Agreement, the Employer shall, as a condition of its relationship with any contractor and/or subcontractor require that: (a) the contractor and/or subcontractor enter into a neutrality agreement with the Union; and (b) immediately notify the Union when seeking to form a business relationship with the contractor and/or subcontractor.

12. Labor Peace Agreement: In the event that the Union attempts to organize the Employer’s employees or actually represents the Employer’s employees at any particular location, then the Union hereby promises that it will not at any time covered by this agreement engage in any picketing, work stoppages, boycotts or any other economic interference with the Employer’s business at that location, provided the employer has not violated any of the terms of this agreement.

13. If the Union enters into a neutrality agreement with any company licensed by New York State to lawfully conduct business relating to medical marijuana, and such agreement contains terms or conditions that are more favorable to any of those companies than the terms and conditions contained in this Agreement, the Union shall notify the Company within one (1) week of entering into such agreement, and said more favorable terms or conditions shall become part of this Agreement as follows. If the Union and the Company cannot agree on whether such terms and conditions are more favorable to the other companies, the Company shall have the option of adopting the other agreement in its entirety. The Company shall make its election within two (2) weeks of notification by the Union, and the new terms or new agreement, as the case may be, shall be effective the date of the election.
IN WITNESS WHEREOF, the parties have caused this Agreement to be executed this 19th day of May 2015, by their duly authorized representatives.

COMPANY INFORMATION
a. Company History

Alexander Infusion, LLC, d/b/a Avanti Health Care Services has been in business for twenty-two years. Alexander Infusion LLC, was founded in New York State in 1993, and has evolved from a single retail pharmacy in Manhattan to become one of the major integrated providers of comprehensive and ancillary health care services in the greater New York region.

The company was founded by Pietro Piacquadio, R.Ph. and Joseph Stanilewicz, R.Ph. who are both native New Yorkers, and graduates of St. John's University, School of Pharmacy. They currently serve as [redacted] at [redacted] and oversee a rotation of PharmD graduate students at the Avanti facility.

The company's principal office and pharmacy operation is located at 75 Nassau Terminal Road in New Hyde Park, N.Y. 11040. It currently occupies 11,000 square feet and has the capacity to expand to 25,000 square feet if needed. There is also a second office located at 23-50 Waters Edge Drive, Bayside N.Y. 11360.

Since its inception, Avanti Health Care Services has been providing specialty pharmacy services in the New York City region. It was during the AIDS epidemic of the late 1980's when antiretroviral therapy was not yet available, that Avanti Health Care Services began providing Home Infusion Therapy services to patients afflicted with HIV and AIDS. In 1995, licensure was obtained from the New York State Department of Health to operate as a home care agency and over time with growth and expansion, we began contracting with certified agencies that needed access to highly skilled resources in order to provide high tech nursing and specialty pharmacy services to their patients. While most other specialty infusion pharmacies were focusing on the private sector, Avanti experienced significant growth by fulfilling the needs of the Medicaid recipients and working collaboratively with many of the Certified Home Health Care Agencies (CHHA's).

Our home care service is licensed with the New York State Department of Health and Avanti Health Care is accredited by the Joint Commission.
In addition to Home Infusion Therapy Services, we also provide *Specialty Pharmacy Services*. These services include:

- Hospice Pharmacy
- Specialty Medications
- Medication Compounding
- Medication Therapy Management

*b. Pharmacy Location*

Constructed in 2007, Avanti Health Care Services operates a state-of-the-art registered pharmacy in New Hyde Park, New York. The licensed pharmacy area occupies approximately 5,000 square feet of a 11,000 square feet facility. The pharmacy is divided into two zones, one dedicated to the compounding of injectable medications (Home Infusion Pharmacy) and the other to our Specialty Pharmacy Services.

In the Specialty Pharmacy operation, oral medications are dispensed utilizing the Avanti work flow system which currently processes 1500 to 2000 prescriptions daily (approximately 400,000 prescriptions annually). The current physical operation is capable of handling an additional 4000 prescriptions daily.

In the Home Infusion Operation, dedicated staff are assigned to the compounding and infusion suite which is equipped with an ISO class 5 clean room with Biological Safety Cabinets and laminar flow hoods, compliant with USP 797 standards. A wide range of sterile medications are prepared including, but not limited to; chemotherapy, antibiotics, pain management and parenteral nutrition. Quality control monitoring includes daily temperature checks, continuous cleaning of the compounding environment and annual certification of the laminar flow hood.

In the past 12 months, we have provided services to over 4,000 patients. There are over 250 deliveries per day out of the Nassau Terminal location.

*c. Pharmacy Certificates*

Avanti Health Care Services pharmacy is licensed with the New York State Department of Health and registered with the New York State Board of Pharmacy. Pharmacy services are provided throughout New York State and Northern New Jersey.
Prior to employment, license verification is performed for each Pharmacist. Registration certificates are conspicuously displayed in the work area. The human resources department monitors and ensures that all registration renewals are consistent with defined schedules and continuing education activities are recorded. In addition, each pharmacist is responsible for obtaining the required CE credits needed for licensing renewal. Whenever possible, the pharmacy department attempts to make accredited Continuing Education programs available. Supportive/ancillary personnel are also provided with appropriate education and training programs upon employment and at least annually.

\textit{d. Pharmacy, Nursing, Customer Service Staffing}

All pharmacy operations, clinical coordination of services, billing collections and administrative operations are performed in the New Hyde Park location.

Our other location at 23-50 Waters Edge Drive, Bayside, N.Y. 11360 is primarily utilized as a satellite office for the field nurses in Manhattan, Queens, Bronx, Brooklyn and Staten Island.

There are three basic segments of the organization:

- Clinical Services
- Professional Services
- Business Operations

Clinical Services personnel handle all aspects of the interaction with the patients in the home. This is where the new patient plan of care is generated and where the coordination with outside services occurs. In addition, a team of clinical staff are involved in intake, scheduling and care coordination. A dietitian is also available if needed.

Professional Services personnel handle the procurement of product, fulfillment of prescriptions, and delivery operations. They also handle all inquiries from customers regarding technical or delivery information. This includes the Pharmacists, Pharmacy Technicians and related staff.

Business Operations personnel perform all billing operations, collections, business development, contracts, and human resources functions.

Customer Service is managed primarily by personnel who provide and process information. Our representatives field questions, concerns or requests to the appropriate source for resolution. We offer callers access to bi-lingual personnel speaking Spanish, Italian, Korean and Russian. This allows non-English speaking callers access to all services through translation. In addition, we have access to a tele-interpreter service for languages not covered by our in-house staff.
We employ over 30 nurses, certified in IV therapy, PICC line placement and CPR.

e. Staff Experience

Avanti’s clinical support system offers personalized support and care to every patient. Our pharmacists and nurses are highly trained with many years of experience providing care to people with complex conditions. Because of their specialized training, knowledge, and expertise, members of the specialty pharmacy care team are uniquely positioned to provide patient education on various disease entities. This is an added-value service to patients and their caregivers that ultimately enhances patient adherence and promotes positive outcomes. Our clinicians work with a variety of products and are knowledgeable regarding many therapies. This knowledge has been instrumental in developing patient care programs designed for treatment of specific disease states.

A patient-focused team approach is at the core of our pharmacy’s best practices and implements the following patient centered communication:

- Direct interaction with the patient to assess efficacy of the therapy and to offer guidance. This interaction is essential because over time the patient begins to feel more confident in the level of care and attention they receive.

- The clinical team is dedicated to exploring how the patient is responding to their treatment regimen and knowing when and why a patient experiences an interruption in therapy. Based on the reason for the “missed dose”, the specialty pharmacy care team will follow up as appropriate with the patient’s physician and/or case management organization.

The above described best practices involving patient/caregiver and the physician / prescriber has proven to increase patient compliance and completion of the course of prescribed treatment.
SECTION II

COMPANY EXPERIENCE
a. Services Provided

Medication Therapy Management Services

There are lots of reasons why people may not take their prescribed medications properly. The most common reason is that they just forget. Did you know that the average senior takes about seven different medications every day? Remembering and keeping track of all medications can be challenging. In addition, the consequences of forgetting to take your medication can be quite serious. Very often people mistakenly take the same medication twice or skip a dose by accident. It is crucial that doses be kept on as regular a schedule as possible. For example, missing doses of blood pressure medicine can produce a dangerous "rebound effect," in which blood pressure can rise even beyond what the levels were before the patient started the medications.

Avanti Health Care Service’s Medication Management Program Is Designed To:

✓ Assist Patient In Becoming Independent With Managing Their Medications
✓ Provide Education On Prescribed Medications
✓ Simplify Medication Regimen With Convenient Packaging

New Windsor, New York

Dear Mr. Finnegan:

Thank you for reaching out to discuss broadband service availability. We note that you are currently using Verizon's High Speed Internet (HSI) service at your business located at 320 Mt Airy Road, New Windsor, New York.

Should your firm require greater broadband speeds beyond HSI (e.g., T1, DS1, DS3, etc.) you would need to engage Verizon's engineering and sales organizations. Both groups will work with your firm to design and price a network to help with your expanded broadband needs. Please keep in mind that this will likely require engineering, design and construction charges that must be paid for in advance of construction to services being installed. In addition, these advanced services may be limited by the availability of fiber facilities, design complexity, premise point of entry (conduit, etc.), and site requirements (power/space).

If you plan to pursue speeds beyond HSI, you should contact 800-Verizon to speak with a business call center specialist.

Sincerely yours,
Mr. Elbaum,

14. Attachment L – Timeline from Growing to Production
Attachment L: Timeline from Growing To Production

The enclosed timeline illustrates the ability of Empire State Compassionate Care, Inc. (“ESCC”) to produce final saleable product prior to January 1, 2016. This chart is not an estimate or projection—it is gleaned directly from the experience of ESCC’s New Jersey and Colorado affiliates. Our proven timeline of from seed to sale is in perfect harmony with the Department of Health’s requirements for the availability of medical marijuana. In addition, ESCC’s manufacturing facility is fully constructed, zoning-complaint, and turn-key, so that the manufacturing process may begin immediately upon registration. After the initial harvest, subsequent harvests will be completed in as part of our as illustrated in the second enclosed timeline.
15. Attachment M – Compliance with Applicable State and Local Laws and Regulations
15. Attachment M – Compliance with Applicable State and Local Laws and Regulations
I. Statement of Compliance
Attachment M: Compliance with Applicable State and Local Laws and Regulations

In accordance with 10 NYCRR § 1004.5(b)(8), Empire State Compassionate Care, Inc. ("ESCC") will comply with all applicable state and local laws and regulations relating to the activities it intends to engage in under the registration.

ESCC’s affiliates ("Affiliates") have a proven track record of compliance with the state and local laws and regulations pertaining to the growth and dispensing of medical marijuana in both the States of Colorado and New Jersey. The Affiliates have not only received initial licenses from both states, they have received renewals of the licenses. The renewals demonstrate the Affiliate’s actual compliance with the applicable laws and not merely hypothetical pledges or statements to comply in the future.

Enclosed in this attachment is a letter from Mayor John McCormack, Mayor of Woodbridge Township, New Jersey, home of ESCC’s New Jersey affiliate’s facility, recommending ESCC for a number of reasons, including ESCC’s ability to comply with local law. The Mayor provides that the State of New Jersey’s regulations are similar to what was passed in New York State and that ESCC’s affiliate, “has been a model corporate citizen, complying with all municipal laws/regulations and its facility is consistently clean, secure and professionally run.”

Additionally enclosed is a letter from Dr. Poonam Alaigh, MD, MSHCPM, FACP, the former New Jersey Commissioner of Health under Governor Christie, who made the following statements:

“Garden State Dispensary submitted an application for two [NJ] regions and both were the highest scoring of all applicants in every category. However, each winning applicant only received one permit. Since the receipt of a permit, Garden State Dispensary has proven that they merited the noteworthy score they received for the comprehensive and high-quality proposal and sound financial and security plans." […]

"In addition to the dominant market share Garden State Dispensary quickly achieved, demonstrating industry experience, professionalism, and competence superior to competing cultivators, their track record of compliance and stringent security measures have also been superior to any other licensee in the state." […]

"For these reasons and the stellar credentials of the team assembled by Empire State Compassionate Care, I offer an outstanding reference for this group's track record in New Jersey and thank them for enabling the success of this medically modeled marijuana program I implemented."

In addition to ESCC’s ability to demonstrate actual compliance with state and local laws and regulations, ESCC has selected Paul Higdon to be its Director of Security. Paul Higdon, currently the Director of Security for ESCC’s New Jersey affiliate, is a distinguished federal law enforcement and intelligence veteran. His 27-year career with the Drug Enforcement Administration (DEA) and its predecessor agency, Bureau of Narcotics and Dangerous Drugs (BNDD), included a rise from Special Agent to heading the agency’s Office of Inspections to
being appointed the DEA’s Deputy Assistant Administrator in Charge of Foreign Operations (responsible for overseeing and directing the operations of 70 DEA offices in 51 countries). As Special Agent in Charge of a joint federal, state, and local task force, he worked closely with international agencies to identify and eliminate the infamous “French Connection.” After his DEA service, Mr. Higdon served as Director of Criminal Intelligence for INTERPOL.

Between its Affiliates’ historical compliance with the laws of Colorado and New Jersey and the oversight of Mr. Higdon, ESCC can state with certainty that it will be able to comply with all New York State and local laws and regulations.

The following documents are included as appendices to Attachment M:

- Letter from Mayor John McCormac, Mayor of Woodbridge Township, New Jersey, home of ESCC’s New Jersey affiliate’s facility, recommending ESCC due to, among other things, the affiliate’s compliance with local laws and regulations.
- Letter from Dr. Poonam Alaigh, MD, MSHCPM, FACP, recommending ESCC due to, among other things, the affiliate’s compliance with local laws and regulations.
- Letter from John H. O’Brien, Director of the State of New Jersey, Department of Health, Medical Marijuana Program to David Weiss (Board Member of ESCC), as President of Compassionate Care Center of America Foundation, Inc., an affiliate of ESCC, enclosing the permit to operate a medical marijuana facility.
- Copy of New Jersey Permit Number 11202013, expiring on 12/31/14.

\(^1\) Please note that the Renewal Permits for New Jersey and Colorado do not contain the word “renewal” in the body of the document. The fact that they are renewals is evident from the permit/license number that is shared with the initial permit/license as well as their issuance and expiration dates.

II. Letter from Honorable John McCormac, Mayor of Woodbridge, New Jersey

Honorable Howard A. Zucker, M.D., J.D.
Commissioner of Health
New York State Department of Health
Cornning Tower, Empire State Plaza
Albany, NY 12237

Re: Letter in Support of Empire State Compassionate Care, Inc.

Dear Commissioner:

I am writing to offer my highest recommendation for the designation of Empire State Compassionate Care, Inc. (and its principals, David and Michael Weisser, retired DEA and INTERPOL official Paul Higdon, Dr. Jordan Josephson, and Raj Mukherji, Esq.) as a Registered Organization under the New York State Medical Marijuana Program. In particular, I want to attest to the excellence of the operations run by this group in New Jersey, their status as good neighbors, and their impeccable track record of complying with local and state laws and regulations in New Jersey.

As Mayor of Woodbridge Township, I have witnessed the operations of the Garden State Dispensary and have come to know the character and operational practices of its principals. GSD is (by far) New Jersey's largest medical marijuana provider and has operated both its manufacturing/grow facility and dispensary here in Woodbridge Township since 2013.

Before supporting their decision to call Woodbridge home, my administration (as well as the NJ Department of Health) undertook a thorough examination of their background and plans for the facility. Their attention to providing exceptional quality pharmaceutical grade medicinal cannabis to patients who desperately need the relief they provide, and their unparalleled security team (led by a full-time retired Sergeant from our county's Prosecutor's Office) and Board (which in New Jersey includes a retired State Police Captain and Deputy Troop Commander and a retired Presiding Judge of the Superior Court) enabled them to get up and running and achieve 70% market share quickly where other licensees have failed. It has also ensured their compliance with the strict regulatory framework in New Jersey, after which I understand New York's program was modeled.

As you are aware, the State of New Jersey passed legislation permitting the manufacturing and dispensing of medical marijuana utilizing a regulatory framework similar to what was recently approved in New York State. GSD was one of only six applicants awarded a permit (and the highest scoring), based on the strength of its application, its proposed "medical model" of operations, and its established track record of providing quality care to thousands of patients in Colorado. That track record has now been proven and enhanced in New Jersey.

The organization has been a model corporate citizen, complying with all applicable laws/regulations. Its facility is consistently clean, secure and professionally run. Ensuring a professional and secure facility was a top priority of mine, as it assures patients in need of medical marijuana that they are entering a safe, quality facility with a focus on their clinical needs. In addition, it assures the citizens of our town that the dispensary is a safe, secure use.
June 2, 2015
Page 2

An additional benefit that has been derived from GSD’s operations in New Jersey has been its support for our local economy through the creation of new, permanent jobs, construction jobs, and a focus on employment of local (highly qualified) residents. Many residents of Woodbridge Township and surrounding communities are currently employed by GSD. I am certain that ESCC will follow in GSD’s footsteps in this regard if they are selected as a Registered Organization by the New York State Department of Health, and will be able to create and provide jobs to local residents in their manufacturing and dispensing facilities. GSD has also been extremely generous in its philanthropy to worthy causes.

In summary, based upon my personal experience with GSD, its principals, and their New Jersey operations, as well as their exceptional histories in both New Jersey and Colorado, I unequivocally support Empire State Compassionate Care’s application to become a Registered Organization in New York State under your Program. Many applicants will claim their ability and the know-how to launch an operation of this scale quickly and under a strictly regulated medical model, but this group has actually proven their ability to do so and outperformed all expectations.

Sincerely,

RE: Letter of reference for Medical Marijuana Alternative Treatment Center

Dear Commissioner Zucker,

By way of introduction, I served as the first Commissioner of Health and Senior Services under Governor Christie’s administration in New Jersey, where I had the pleasure of working with your predecessor, Dr. Shah, from across the Hudson River. Previously, I served as Executive Medical Director of Horizon Blue Cross Blue Shield of New Jersey, our state’s largest health plan. Prior to that, I was the National Medical Director for GlaxoSmithKline.

It has come to my attention that an applicant for licensure as a Registered Organization under the New York State medical marijuana program – Empire State Compassionate Care, Inc. – is owned by the same group that operates the largest nonprofit Alternative Treatment Center with a permit to cultivate and dispense medicinal cannabis in New Jersey. The Empire State team includes David and Michael Weiss (founders of the NJ alternative treatment center), former DEA Special Agent and Deputy Assistant Administrator Paul Higdon, Dr. Jordan Josephson, and Raj Mukherji, a healthcare entrepreneur/lawyer and NJ state legislator who is well known to me and who has my highest confidence.

The NJ facility, Compassionate Care Centers of America Foundation doing business as Garden State Dispensary, was one of only six to receive a permit during my tenure as Commissioner. My background as a physician and in Big Pharma informed my path to devising and implementing New Jersey’s medical marijuana program, which marked pioneering territory and uncharted waters for our state. My goal was to provide patients suffering from debilitating conditions relief from chronic pain in a comprehensive medical model and system of care. To achieve that goal, I promulgated regulations and directed Department personnel to consider the financial operations and wherewithal of the applicants; safety and security capabilities; ability to adhere to strict inventory, record keeping, patient outcome, and data tracking protocols; cultivation and dispensing experience; quality control program; and ability to adhere to a medical model.

To select the six winning applicants from among many competitive applications, I convened a five-member selection committee from three State departments. The maximum score was 1,500 points. Garden State Dispensary submitted an application for two regions and both were the highest scoring of all applicants in every category. However, each winning applicant only received one permit. Since their receipt of a
permit. Garden State Dispensary has proven they merited the noteworthy scores they received for their comprehensive and high quality proposal and sound financial and security plans. According to the Department of Health’s most recent Annual Report on the Medicinal Marijuana Program, they attained full regulatory compliance (which includes laboratory testing by the Department’s Public Health Environmental Laboratory – PHEL) and dispensed over 67% of all medical marijuana provided in the state in 2014 and served over 64% of all of the state’s registered patients last year.

In addition to the dominant market share Garden State Dispensary quickly achieved, demonstrating industry experience, professionalism, and competence superior to competing cultivators, their track record of compliance and stringent security measures have also been superior to any other licensee in the state.

For these reasons and the stellar credentials of the team assembled by Empire State Compassionate Care, I offer an outstanding reference for this group’s track record in New Jersey and thank them for enabling the success of this medically modelled marijuana program I implemented.

Please don’t hesitate to contact me if I can be of further assistance.

Sincerely,

Poonam Alaigh, MD, MSHPCM, FACP

All structures have been issued current Certificates of Occupancy by the Building Department.

There are no changes needed to be done to the existing structures. Thus, Empire State Compassionate Care, LLC can utilize the existing buildings for their Medical Marijuana Program.

The agricultural buildings, including barns, greenhouses, and other buildings used directly and solely for agricultural purposes are exempt from NYS Building Code (Reference BCNY Section 101 101.2 Scope Exception 2). If items require removal and replacement for the same purpose, such work would fall under the Existing Building Code of New York (EBCNY), typically as a Minor-Alteration Level 1 Ch. 6.

The Building Code of New York State (BCNY) does not apply unless specifically referenced by the EBCNY.

The attached Appendix B has been completed for code topics that are relevant or not and applicable for documentation purposes, since no work is required.

Appendix B - Architectural Program
II. Dispensing Facility #1
EMPIRE STATE COMPASSIONATE CARE, LLC

SUPPLEMENTAL INFORMATION TO THE APPENDIX B:
ARCHITECTURAL PROGRAM
FOR
40 WEST 27TH STREET, NEW YORK, NY

The dispensing facility proposed for the Medical Marijuana Program consists of approximately 4,000 square feet of ground floor space and 2,000 square feet of basement space, in an existing 12-story building ("Facility").

The Facility is located within an M1-6 Manufacturing District. As confirmed by the enclosed letter received from Beth Lebowitz, Director, New York City Planning, Zoning Division, the Department of Buildings is considering a medical marijuana dispensary a drug store under Use Group 6A and drug stores are a permitted as-of-right use in an M1-6 District1.

The construction of the space has been inspected by the local Building Department and local agencies having jurisdiction and found to be in conformance to the Building Codes, Use and Occupancy Classification, and other requirements of the municipality. All structures have been issued current Certificates of Occupancy by the Building Department.

There are no changes needed to be done to the existing structures. Thus, Empire State Compassionate Care, LLC can utilize the existing space for their Medical Marijuana Program Dispensing facility.

An evaluation of on-line aerial map services indicates there are no schools or day care centers located within 1,000 feet along 27th Street of the proposed Medical Marijuana Dispensary.

The Building Code of New York City does not apply since there will be no new construction.

The attached Appendix B has been completed for code topics that are relevant or not and applicable for documentation purposes, since no work is required.

1 The enclosed letter was written for a different property; however, the property, as clearly provided in the letter, is located within New York's M1-6 Manufacturing District and therefore the analysis contained within the letter is applicable to the subject property.

Re: 150 West 25th Street
Block 800 – Lot 65
Borough of Manhattan

Dear Sir:

I have received your inquiry concerning whether a Medical marijuana dispensary would be allowed in the zoning district of the above-cited property. The property is located within an M1-6 Manufacturing District. The corresponding zoning map is 8d. Because this use is not specifically listed in the Zoning Resolution, the Department of Buildings will determine the applicable Use Group. Based on recent conversations with the Department of Buildings, they are considering a medical marijuana dispensary a drug store under Use Group 6A. However, depending on specific facts about each facility, other use group categories may apply, such as an ambulatory diagnostic or treatment health care office under UG 6C. According to Section 42-10 et. seq., Use Group 6 is permitted as-of-right in an M1 Manufacturing District.

Information regarding Manufacturing Districts can be found in Article IV of the Zoning Resolution.

Please be advised that the Zoning Resolution and Zoning Maps are available on the Department of City Planning’s web site at www.nyc.gov/planning. Information regarding the zoning of adjacent lots can be obtained by using the Zoning & Land Use Application (ZoLA), also available at the department’s website.

The Department of City Planning does not make determinations regarding zoning conformance or compliance. Such information, as well as information on any code violations, building permits and Certificates of Occupancy may be available from the Department of Buildings’ website at www.nyc.gov/buildings.

Sincerely,

Beth Lebowitz

III. Dispensing Facility #2
EMPIRE STATE COMPASSIONATE CARE, LLC

SUPPLEMENTAL INFORMATION TO THE APPENDIX B:
ARCHITECTURAL PROGRAM
FOR
3057 ERIE BOULEVARD EAST, SYRACUSE, NY 13224

The dispensing facility proposed for the Medical Marijuana Program consists of an approximate 6,264 square foot, one-story, stand-alone building.

The building is located within an Industrial District, Class “A” Zoning District. As confirmed in the enclosed letter, the City of Syracuse is considering medical marijuana dispensary use as retail use, which is a permitted as-of-right use in an industrial District Class “A” Zoning District.

The construction of the building has been inspected by the local Building Department and local agencies having jurisdiction and found to be in conformance to the Building Codes, Use and Occupancy Classification, and other requirements of the municipality. All structures have been issued current Certificates of Occupancy by the Building Department.

There are no changes needed to be done to the existing structures. Thus, Empire State Compassionate Care, LLC can utilize the existing building for their Medical Marijuana Program Dispensing facility.

The Building Code of the State of New York does not apply since there will be no new construction.

An evaluation of on-line aerial map services indicates there are no schools or day care centers located within 1,000 feet of the proposed Medical Marijuana Dispensary.

The attached Appendix B has been completed for code topics that are relevant or not and applicable for documentation purposes, since no work is required.

Re: Zoning/3057 Erie Blvd, Syracuse, NY

Dear Mr. Weisser:

You have asked us to determine whether the zoning classification for property located at 3057 Erie Blvd. in the City of Syracuse, NY, might allow for a medical marijuana dispensary to be located there.

3057 Erie Blvd. is located in an “Industrial A”, (“I District”). Retail use is permitted in an I District. Syracuse zoning officials have informed me that a facility that is strictly limited to use as a medical marijuana dispensary would be considered a retail use.

I hope this answers your inquiry. If you have additional questions, please feel free to contact me.

Very truly yours,

IV. Dispensing Facility #3
The dispensing facility proposed for the Medical Marijuana Program consists of an approximate 4,877 square foot one-story, stand-alone building.

The building is located within the Village’s a Business “B” Zoning District. Per the enclosed letter, the medical marijuana dispensary is considered a pharmacy, which is treated as retail use as for zoning purposes. Retail use is a permitted as-of-right use in a Business “B” District.

The construction of the space has been inspected by the local Building Department and local agencies having jurisdiction and found to be in conformance to the Building Codes, Use and Occupancy Classification, and other requirements of the municipality. All structures have been issued current Certificates of Occupancy by the Building Department.

There are no changes needed to be done to the existing structures. Thus, Empire State Compassionate Care, LLC can utilize the existing space for their Medical Marijuana Program Dispensing facility.

An evaluation of on-line aerial map services indicates there are no schools or day care centers located within 1,000 feet of the proposed Medical Marijuana Dispensary.

The Building Code of the State of New York does not apply since there will be no new construction.

The attached Appendix B has been completed for code topics that are relevant or not and applicable for documentation purposes, since no work is required.

Mr. Michael Weisser
Empire Care Compassionate Care, Inc.

Re: 760 Fulton Avenue, Hempstead, New York

Dear Mr. Weisser:

I am a zoning and land use attorney practicing in Long Island and am familiar with the Code and zoning process of the Incorporated Village of Hempstead. You have asked me to determine whether medical marijuana dispensary use, pursuant to 10 NYCRR §1004 of the State of New York, is permitted for the property with an address of 760 Fulton Avenue, Hempstead New York 11550 (the “Property”).

The Property is located in a Business B zoning district. Retail use is permitted in Business B. Pharmacies have historically been treated as retail use by the Village. In addition, I have been contact with members of the Village Building Department and Village Attorney’s Office and they have confirmed that a recently constructed CVS and a Walgreens were permitted and constructed in the Business B zoning district.

I hope this answers your inquiry. Please call me should you have any additional questions.

Very truly yours,

ELI ELBAUM

V. Dispensing Facility #4
EMPIRE STATE COMPASSIONATE CARE, LLC

SUPPLEMENTAL INFORMATION TO THE APPENDIX B: ARCHITECTURAL PROGRAM FOR 1933 KENSINGTON AVE., CHEEKTOWAGA, NY 14225

The dispensing facility proposed for the Medical Marijuana Program consists of an approximate 7,321 square foot one-story building.

The building is located within a “C” Retail Business District. As confirmed in the enclosed letter of Edward O’Brien, the Town of Cheektowaga is considering medical marijuana dispensary use as a pharmacy, which is a permitted as-of-right use in a “C” Retail Business District.

The construction of the building has been inspected by the local Building Department and local agencies having jurisdiction and found to be in conformance to the Building Codes, Use and Occupancy Classification, and other requirements of the municipality. All structures have been issued current Certificates of Occupancy by the Building Department.

There are no changes needed to be done to the existing structures. Thus, Empire State Compassionate Care, LLC can utilize the existing building for their Medical Marijuana Program Dispensing facility.

The Building Code of the State of New York does not apply since there will be no new construction.

An evaluation of on-line aerial map services indicates there are no schools or day care centers located within 1,000 feet of the proposed Medical Marijuana Dispensary.

The attached Appendix B has been completed for code topics that are relevant or not and applicable for documentation purposes, since no work is required.

Re: 1933 Kensington Ave, Cheektowaga, NY

Dear Mr. Weisser:

You have asked us to determine whether the zoning classification for property located at 1933 Kensington Ave, in the Town of Cheektowaga, NY, might allow for a medical marijuana dispensary to be located there.

The property at 1933 Kensington Ave, in the Town of Cheektowaga, NY, involves a parcel with "split" zoning. The westerly approximately one-third (1/3) of the property is zoned Residential and the intended use would not be currently allowed in that portion of the property. You have informed me that the medical marijuana dispensary will be located in the building located on the eastern two-third of the property, which is zoned as "C Retail Business District".

I have spoken with Town of Cheektowaga zoning officials who confirm that a medical marijuana dispensary will be treated like a pharmacy for purposes of zoning classification, and that a pharmacy is a permitted use in a C Retail Business District. They inform me that a medical marijuana dispensary is a permitted use for what is approximately the easterly two-thirds of the property at 1933 Kensington Ave.

I hope this answers your inquiry. If you have additional questions, please feel free to contact me.

Very truly yours,

Edward M. O'Brien

1 - The Company

Empire State Compassionate Care, Inc. (the "Company") was incorporated in the State of New York in April 2015 for the purpose of applying for and obtaining registration with the New York State Department of Health's Medicinal Marijuana Program to become a licensed grower and distributor of medicinal marijuana in the State of New York (the "Application").

2 - Summary of Significant Accounting Policies

a. Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the balance sheet and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

b. Cash Equivalents - Cash equivalents include liquid investments, if any, with maturities of three months or less at the time of purchase.

c. Revenue Recognition and Accounts Receivable - The Company recognizes revenue upon delivery to the customer at its dispensary facility, net of estimated returns. No revenue has been earned since inception.

d. Income Taxes - The Company intends to elect to be taxed as a Subchapter S corporation under the provisions of the Internal Revenue Code and applicable state statutes. Accordingly, the Company will be treated for income tax purposes substantially as a partnership instead of as a corporation and, therefore, no provision has been made for federal or state income taxes.

e. Start-Up Costs - Start-up costs are expensed as incurred.
