**Additional Inpatient Governmental Hospital Payments**

[Effective for the state fiscal years beginning April 1, 2001 and ending March 31, 2009, specialty hospital adjustments for services provided on or after April 1, 2001, are authorized to government general hospitals, other than those operated by the State of New York or the State University of New York, receiving reimbursement for all inpatient services under Title XIX of the federal Social Security Act (Medicaid) pursuant to this Attachment of this State Plan and located in a city with a population of over one million, of up to \$286 million annually, as medical assistance payments. For the period beginning April 1, 2008 through March 31, 2009, and April 1, 2009 through March 31, 2010, such payments shall total \$232.1 million and \$380,935,268 million, respectively. For the period beginning April 1, 2010 through March 31, 2011 such payments shall total \$445,115,542. For the period beginning April 1, 2011 through March 31, 2012 such payments shall total \$464,776,992. For state fiscal year beginning April 1, 2012 through March 31, 2013, the amount to be paid will be \$34,081,681. For state fiscal year beginning April 1, 2013 through March 31, 2014, the amount to be paid will be \$36,225,265. For state fiscal year beginning April 1, 2014 through March 31, 2015, the amount to be paid will be \$63,187,085. Such payments, when aggregated with other medical assistance payments, shall not exceed 100% of a reasonable estimate of the amount that would be paid for such services under Medicare payment principles for non-state government owned or operated government general hospitals for the respective periods and shall be based on each such hospital's proportionate share of the sum of all inpatient discharges for all facilities eligible for an adjustment pursuant to this section for the base year two years prior to the rate year. Such proportionate share payment may be added to rates of payment or made as aggregate payments to eligible government general hospitals.]

Effective for the period September 1, 2001 through March 31, 2002 and state fiscal years beginning April 1, 2002 and ending March 31, 2008, additional specialty hospital adjustments for services provided on or after September 1, 2001 are authorized to government general hospitals, other than those operated by the State of New York or the State University of New York, receiving reimbursement for all inpatient services under Title XIX of the federal social security act (Medicaid) pursuant to this Attachment of this State Plan and located in a city with a population of over one million, of up to \$463 million for the period September 1, 2001 through March 31, 2002 and \$794 million annually for state fiscal years, beginning April 1, 2002 and ending March 31, 2008, as medical assistance payments based on each such hospital's proportionate share of the sum of all inpatient discharges for all facilities eligible for an adjustment pursuant to this section for the base year two years prior to the rate year. Such proportionate share payments may be added to rates of payment or made as aggregate payments to eligible government general hospitals.]

For state fiscal year beginning April 1, 2015 and ending March 31 2016, the State will provide a supplemental payment for all inpatient services provided by eligible government general hospitals located in a city with a population over one million and not operated by the State of New York or the State University of New York. The amount of the supplemental payment will be \$200,000,000 and will be distributed to hospitals proportionately using each hospital's proportionate share of total Medicaid days reported for the period from January 1, 2015 to December 31, 2015. Such payments, aggregated with other medical assistance payments will not exceed 100% of a reasonable estimate of the amount that would be paid for such services under Medicare payment principles for non-state government owned or operated government general hospitals for the respective periods.
